CDA/EMD plans to hold routine waste tire amnesty collection events at the two Materials Recovery Facilities (MRF) operated by franchised waste haulers in the County. One is located in Placerville and the other is in South Lake Tahoe. Waste tire amnesty days will be held once per month at each of the MRFs where County residents will be permitted to bring up to 9 waste tires per trip. CDA/EMD also plans to hold four, one time waste tire amnesty collection events in the more remote areas in the County. CDA/EMD will contract with the Local Conservation Corps for the labor at those events. CDA/EMD will advertise in several local newspapers to inform County residents of the opportunity for free disposal of their waste tires. Additionally, MRF operator notifications will publicize the event days. Waste tire collected will be delivered to and recycled by Tri-C Manufacturing, Inc. (TPID# 1480835) and Ray's Tire Exchange, Inc. (TPID# 1000748).
