Subject: January 9, 2024 Agenda Item #2 (24-0066) Correction Move Public Hearing to February 27, 2024

Dear Board Members,

Due to yet ANOTHER error on the part of the Auditor-Controller, please set the public hearing for the formation of CFD No. 2024-1 on February 27, 2024, rather than the February 6th dated stated on the agenda and in your Board packet.
