**DISCUSSION / BACKGROUND**

The strip of land, 50 feet in width, lying 25' on each side of an approximate centerline ending at a circle with a 50' radius centered on the property line common to Parcel A and B of the Parcel Map recorded in Book 10 of Parcel Maps, at Page 8, El Dorado County Records, said centerline described on said map as "C/L, 50' Non-Exclusive Road and Public Utilities Easement Known as Corral Trail". Said easement was originally introduced by United Continental Development Corporation on a Parcel Map, which was recorded on August 25th, 1973, by the El Dorado County Recorder in Parcel Maps Book 4 Page 27 and referenced on Parcel Map Book 28 Page 50 recorded on December 31st, 1980. The subject easement was created through a parcel map; however it was never offered in perpetuity to the County of El Dorado, therefore said easement was neither accepted nor rejected

A request has been submitted by Larry Stenger, Trustee and Sara Stenger, Trustee of Larry and Sara Stenger Living Trust, owners of APN 094-190-008, requesting that the County of El Dorado, vacate the proposed portion of the easement located the Northwestern boundary of subject property. Said easement is more particularly described in Exhibit A and depicted on Exhibit B attached.

Department of Transportation, AT&T, Local Fire Municipality, and Pacific Gas & Electric have not used said easement for the purposes for which it was dedicated and find no present or future need exists for that easement and do not object to its vacation, and to that end, have provided approval letters to the County Surveyor's Office; and

Adjoining property owners with title interest: Jedidiah Hobbs, Kristi Curtis, owners of the parcel identified as APN 094-190-024, do not object to the abandonment of said easement and have all issued letters to that effect.
