Department of Child Support Services recommending the Board approve and authorize the Chair to sign a Budget Transfer Request for FY 2023-24 using \$36,000 in Salaries and Benefits savings and transferring the funding to the Accumulative Capital Outlay fund for an outside patio and pergola at the Ponderosa Building. (4/5 vote required)

FUNDING: State and Federal Child Support Funds.

DISCUSSION / BACKGROUND

The current outdoor break and meeting area at the Ponderosa Building for Child Support Services (CSS) is now a busy public entrance to Elections. CSS would like to add a new outdoor break and meeting area at the rear of the building using State and Federal Child Support Funds. Facilities submitted a quote of \$36,000 and they will be doing the work. Funds for the project will be provided through a Budget Transfer using salary savings and transferring the funds to the Accumulative Capital Outlay fund.

ALTERNATIVES

The Board could choose not to approve the project and staff would not have a semiprivate Outdoor Break and Meeting area any longer.
