WHEREAS, in accordance with Government Code 25502.3, in counties with a population less than 200,000, the board of supervisors may authorize the purchasing agent to engage independent contractors to perform services for the county or county officers, with or without the furnishing of material, when the aggregate cost does not exceed fifty thousand dollars (\$50,000); and

WHEREAS, the authorized purchasing agent amount shall be adjusted annually by any annual increase in the California Consumer Price Index as determined pursuant to Section 2212 of the Revenue and Taxation Code; and

WHEREAS, the County of El Dorado began calculating its purchasing agent's authority to engage independent contractors to perform services in accordance with Government Code 25502.3 in Fiscal Year 2008, increasing the authority each year in accordance with the California Consumer Price Index; and

WHEREAS, the calculation error was carried forward and compounded each of the following years; and

WHEREAS, the Chief Administrative Office, Procurement and Contracts Division has corrected the purchasing agent authority to comply with Government Code 25502.3 and compiled a list of active service contracts that exceed the corrected calculated amount; and
