Subject: Appeal Request for Cardroom Employee Work Permit Denial

Dear Sheriff Leikauf,

I am writing to formally request an appeal before the County Board of Supervisors regarding the denial of my Cardroom Employee Work Permit. While I understand that my application was denied due to a past legal matter, I would like the opportunity to present my case and demonstrate that I am now a responsible and law-abiding member of society.

The incident in question occurred in 2018, when I was arrested and charged with multiple felony health and safety violations as well as carrying a loaded firearm. However, these charges were ultimately dismissed, and conviction relief was granted. Since that time, I have made significant efforts to rehabilitate myself, remain law-abiding, and contribute positively to my community.

I have not had any further legal issues since 2018, and I have committed myself to personal and professional growth. I have maintained steady employment, adhered to all laws and regulations, and have built a stable life centered around responsibility and integrity. My past does not define who I am today, and I am fully prepared to uphold the standards required of a cardroom employee.

I respectfully request the opportunity to appear before the County Board of Supervisors to provide further details regarding my rehabilitation and my commitment to being a fit and proper person for employment in a cardroom. I am confident that, given the chance to explain my situation in person, I can demonstrate that I am deserving of this work permit.

Thank you for your time and consideration. Please let me know the next steps in the appeal process, as I am eager to present my case and move forward in a positive direction.

Sincerely,

Yuen Tsang
