I am unable to attend the Board of Supervisor's meeting on Tuesday, and wanted to give our note of appreciation to El Dorado Disposal for the support they have offered to schools throughout El Dorado County. Through their program of providing free dumpsters and doing free weekly pick up of cardboard and recycled materials, they have certainly saved schools significant money. In addition, this program has focused attention on the need to recycle and to ensure that we are all doing our part in protecting our resources. El Dorado Disposal has been an outstanding community partner. We are also appreciative of their efforts to support schools and youth throughout the community. In several areas, El Dorado Disposal has quietly and without great fanfare, supported fund raising efforts to assist community based organizations. We hope that the Board of Supervisors can continue to ensure that El Dorado Disposal provides these services within our county.

Thanks so much. Take care.
