10-12-10 Claudia Ruptier, 3093 Cambridge Rd. Cameron Park, CA 95682, she will pay for the deer removal. 677-1956. She is very upset that we aren't efficient enough to know when we have gone to a prop & now we have to make more than 1 trip. Additionally, she states it is assinine that a deer obviously gets on the road & flies over a bush & we won't pick it up and say we have to charge her. She continued to get very upset & I offered for her to speak to my Chief, she stated that she wanted to & I went to 90 & he said he couldn't talk right now. When I relayed the information to the R/P, she laughed & said that was classic & asked for his name. I adv. that we would call her between 0800-0815 to give her a window of time. LB-86

10-12-10 Unable to find deer. 95

10/13/10 Cannot access deer from the street. Needed to back in to complex to remove deer. Deer removed from property. While I was there, the r/p complained that the 'seal coat' that had been put down was removed by the tires on my vehicle. Unable to take photos. I gave her my card with a note about the payment, and apoligized for the damage done to the driveway. 95
