SWMP ITEMS

Strategy 1.4 – Expand Mandatory Residential Collection Ordinance

El Dorado County is working to define CalRecycle’s collection requirements for SB 1383, which includes offering service to all areas in the jurisdiction. This can be interpreted as mandatory service.

Strategy 2.1 – Implement New Waste Reduction Actions

El Dorado County is evaluating new strategies for waste reduction, including educational campaigns, ordinance revisions, and other programs

Strategy 2.6 – Expand Use of Curbside Recycling Programs (Targeted to Selected Areas)

SB 1383 implementation

Strategy 2.7 – Expand Residential Cart Collection Systems (Targeted to Selected Areas)

SB 1383 implementation

Strategy 2.9 – Expand Diversion Programs at Public Facilities

County recycling program outline

Strategy 2.10 – Expand Multi-Family Recycling Program

SB 1383 implementation

Strategy 2.11 – Expand Types of Recyclables Collected Curbside

SB 1383 implementation (food waste)

Strategy 2.12 – Develop Commercial Food Waste Collection Program

SB 1383 implementation (food waste)

Strategy 2.17 – Advance Outreach and Education Programs

Currently using Ross-Campbell for education outreach

Strategy 4.5 – Create New Funding Sources and Rate Mitigation Strategies

Revising ordinance for revenue recovery

Strategy 5.1 – Identify Appropriate Performance Metric for Each Selected Strategy

Providing a new staff report format and information
