- B. Consultant shall perform all professional and technical services, work and tasks required to accomplish the objectives set forth herein, and shall provide and make available Consultant's own personnel, subconsultants, if any, materials, equipment, and vehicles necessary to provide construction support and associated services. Services shall include, but not be limited to, those tasks as

identified in Exhibit A, marked "Scope of Work," incorporated herein and made by reference a part hereof, or as identified in the individual Task Orders, as applicable, to be issued in accordance with this Agreement.

Unless otherwise indicated below, and notwithstanding any other provision of this Agreement to the contrary, deliverables for the specific Items of Work to be provided under Exhibit A shall be as specified therein, shall be prepared using the software described in Section E of this Article and shall be submitted in accordance with the timeframes and formats specified in Exhibit A. Adjustments to the completion times specified in Exhibit A may only be made in accordance with the written approval (may consist of an email) of County's Contract Administrator or designee.

County's Contract Administrator will issue Consultant a single written Notice to Proceed for Items of Work A, B, and C identified in Exhibit A and Consultant shall not commence work on any Item of Work until receiving the Notice to Proceed. No payment will be made for any work performed prior to the date specified in the Notice to Proceed.

- C. In addition to the specific services identified in Exhibit A, this Agreement may also include Optional Tasks, as subsequently identified during the course of work under this Agreement by County's Contract Administrator, related to the Scope of Work as identified as Optional Tasks in Exhibit A. Such Optional Tasks may supplement, expand or otherwise modify the Scope of Work or may include, but not be limited to, tasks that are deemed critical by County's Contract Administrator to the furtherance of the Project.

The specific services for each Optional Task assignment shall be determined at a meeting or telephone conference between Consultant and County's Contract Administrator, or designee, to discuss the needs, applicable standards, required deliverables, specific Consultant staff, subconsultants, if applicable, and any necessary permits on a task-by-task basis. Following the meeting, Consultant shall provide County's Contract Administrator with a written scope of work, a schedule including a list of tasks with completion dates, a target completion date for the overall scope of work, and a not-to-exceed cost itemization to complete the work (resulting in a Task Order), which shall require written approval, authorization, and written notification to proceed from County's Contract Administrator, prior to commencement of the work.

Newer versions of software may be used and other types of software used for analytical purposes may be authorized if approved in advance of the submittal by County's Contract Administrator.
- F. Consultant shall submit all deliverables to County's Contract Administrator, or designee, in accordance with completion time schedules identified in Exhibit A or in the individual Task Orders that may be issued pursuant to this Agreement for Optional Tasks. County's review of deliverables will ensure that Consultant's work meets a level of acceptability as determined by the Contract Administrator, and Consultant shall be required to modify its work as necessary to meet that level of acceptability as defined by the Contract Administrator. Failure to submit the required deliverables in the formats required shall be grounds for termination of the Agreement, as provided in ARTICLE XVIII, Default, Termination, and Cancellation, herein.
- G. Consultant's responsibilities for compliance with DBE requirements are described in ARTICLE XLI, Disadvantaged Business Enterprise (DBE) Considerations, and in ARTICLE XLII, DBE Participation, herein.

Consultant shall be responsible for performing the work under this Agreement in a safe, professional, skillful, and workmanlike manner in accordance with good engineering practices and shall be liable for its own negligence and negligent acts of its employees and subconsultants. County shall have no right of control over the manner in which work is to be done and shall, therefore, not be charged with responsibility of preventing risk to Consultant or its employees, agents, associates, representatives, or subconsultants.

ARTICLE XVI

Such notice shall become effective upon the adoption of a final budget, which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce or order a reduction in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of County, this Agreement and/or any Task Order issued pursuant to this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

such prior termination is effected, County will pay for satisfactory services rendered prior to the effective dates, as set forth in the Notice of Termination provided to Consultant, and for such other services which County may agree to in writing as necessary for contract resolution. In no event, however, shall County be obligated to pay more than the not-to-exceed amount of the Task Order or the total amount of this Agreement, as applicable. Upon receipt of a Notice of Termination, Consultant shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the Notice directs otherwise.
