

SOCIAL WORKER SUPERVISOR II

DEFINITION

Under general direction, plans, organizes, and directs the work of social service staff providing the most advanced social services engaged in Adult Protective Services and Child Protective Services; and performs related duties as assigned.

SUPERVISION RECEIVED AND EXERCISED

Receives general direction from assigned management personnel. Exercises supervision over subordinate professional, technical, and administrative support staff.

CLASS CHARACTERISTICS

This is full supervisory-level classification in the Social Worker class series which requires a master's degree. Incumbents are responsible for planning, organizing, supervising, reviewing, and evaluating a unit of Social Workers and caseworkers in specific programs identified as having a high proportion of complex and sensitive case management needs and are usually assigned to programs or staff positions that require extensive casework knowledge. Performance of the work requires the use of considerable independence, initiative, and discretion within established guidelines.

This class is distinguished from Social Worker Supervisor I in that the latter requires a master's degree and is responsible for supervising and training Social Worker IVs.

EXAMPLES OF TYPICAL JOB FUNCTIONS (Illustrative Only)

- Plans, organizes, assigns, supervises, and reviews the work of assigned staff responsible for providing social work services.
- Assists in the development and implementation of procedures for employment and training and, depending on assignment, public assistance programs.
- Supervises the work of staff; selects, trains, motivates, and directs personnel; evaluates and reviews work for acceptability and conformance with department standards; prepares and delivers performance evaluations; works with employees on performance issues; implements discipline and termination procedures; responds to staff questions and concerns; works with department management and staff to build and maintain a high performing team environment.
- Consults with and guides social workers in providing counseling, support, and guidance to clients with complex or specialized needs.
- Reviews and approves forms, applications, court reports, placements, reports of abuse, and other documents to verify information or determine proper course of action; reassesses and modifies case plans.
- Reviews and approves reports of abuse; suggests or approves placements; may provide information to law enforcement or district attorneys; may testify in court; supports Social Workers, witnesses, and victims who must testify in court.
- Documents and addresses clients' concerns and complaints.
- Assists in the development of community resources for all programs.
- Assists and participates in the development of in-service training and staff development programs.
- Evaluates the effectiveness of policies and procedures.

- Represents the Health and Human Services Agency at conferences and addresses community groups.
- Discusses or interprets regulations, rules, policies, and programs to clients, applicants, staff, and the general public.
- Facilitates communication between staff and management; communicates department expectations and activities, policy changes, and regulatory changes; evaluates and recommends service delivery improvements.
- Provides social services for sensitive or confidential cases in the absence of assigned social workers or to meet workload demands.
- Participates or intercedes in interviews to defuse hostile or angry clients; obtains information on personal issues in difficult or emotional situations; explains decisions or recommendations to clients and family members.
- Provides peer support for co-workers facing case related stress.
- Maintains written chronological narrative reflecting personal or other contacts with the client and reasons for a social worker's actions; prepares and maintains case records and databases; communicates decisions, timelines, recommendations, and case plans to clients, families, and service providers.
- May direct research studies and prepare reports.
- Enters and retrieves information from an automated computer system; researches information using the internet and computer resources.
- Develops and prepares court reports, case plans, case narratives, and safety plans in automated computer systems.
- Authorizes the provision of social and employment services through the department, provides services, and makes referrals to other agency staff and community agencies.
- Receives, approves, and prepares correspondence and reports.
- Ensures all services are delivered in a respectful, culturally sensitive, and appropriate manner, and in conformance with agency, state, and federal requirements.
- Performs all duties in conformance with the National Association of Social Workers Code of Ethics.
- Performs related duties as assigned.

QUALIFICATIONS

Knowledge of:

- Principles and practices of employee supervision, including work planning, assignment review and evaluation, discipline, and the training of staff in work procedures.
- Principles and practices of leadership, supervision, training, mentoring, motivating, casework consultation, and peer counseling.
- Advanced principles of public assistance policies and programs.
- Socioeconomic conditions, trends, social research methods, and current problems and methodology in the field of public social services.
- Advanced principles of individual and group behavior.
- Functions of public social services agencies and the principles of public social service administration.
- Principles, methods, and resources in the fields of public health, mental health, education, employment, corrections, and rehabilitation as they relate to public social services.
- Casework concepts, interviewing techniques, and principles and practices of social casework note taking, report writing, and recordkeeping.
- Applicable laws, rules, and regulations governing the operation of public social services agencies and the role and responsibilities of a social worker.
- Medical, legal, economic, and social management needs of individuals and families.
- Strategies and protocols surrounding crisis intervention techniques such as voice modulation and assessing the potential for suicide.

- Psychopathology, the different types of mental illness diagnoses, how mental illness affects human behavior, and mental health services and treatments utilized by clients.
- Advanced knowledge of the signs, stages, and dynamics of abuse, neglect, and exploitation on human development.
- Signs and symptoms of alcohol and drug use/abuse in adults and children and the effects on families.
- Standards for maintaining clients safely in the home; options for placement; effects of removing clients from unsafe situations.
- Principles and methodologies of research, analysis, problem solving, and decision making.
- Principles and practices of organization, workload management, and time management.
- Principles and techniques for working with groups and fostering effective team interaction to ensure teamwork is conducted smoothly.
- Techniques for providing a high level of customer service by effectively dealing with the public, vendors, contractors, and County staff.
- The structure and content of the English language, including the meaning and spelling of words, rules of composition, and grammar.
- Modern equipment and communication tools used for business functions and program, project, and task coordination.
- Computers and software programs (e.g., Microsoft software packages) to conduct, compile, and/or generate documentation.

Ability to:

- Supervise staff, provide training and development opportunities, ensure work is performed effectively, and evaluate performance in an objective and positive manner.
- Assist in developing and implementing goals, objectives, practices, policies, procedures, and work standards.
- Understand, interpret, and apply all pertinent laws, codes, regulations, policies and procedures, and standards relevant to work performed.
- Mentor, counsel, and collaborate with staff; foster an environment of teamwork, mutual respect, and professionalism; respect cultural differences.
- Classify case problems and evaluate the effectiveness of effort in solving problems.
- Apply effective interpersonal and interviewing skills.
- Maintain confidentiality in accordance with legal standards and/or county regulations.
- Recognize signs of abuse, neglect, and exploitation for children, and/or older and dependent adults; assess risk factors and potential dangers to clients.
