RE: June 19, 2007 Agenda Item #29 07-1057

Dear Jack:

We support your position on the above item concerning the Bavarian Hills Restaurant matter. They have been in operation for 14 years, have been a credit to Apple Hill and a member of the Apple Hill Growers Association.

They were issued an occupancy permit July 16, 1992, had health inspections annually since then, a county business license and have complied with other requirements.

Your help is greatly appreciated.

Yours very truly
