Why is Comcast providing this Policy to my business?

Comcast's goal is to provide its customers with the best commercial-grade internet service available. In order to help accomplish this, Comcast has adopted this Acceptable Use Policy (the "Policy"). This Policy outlines acceptable use of Business Services Comcast High-Speed Internet Service (the "Service"). The Policy is in addition to any restrictions contained in the Business Services Customer Terms and Conditions (the "Business Services Agreement") available at www.comcast.com/businessservices/termsandconditions. The Frequently Asked Questions (the "FAQs") at www.comcast.com/businessservices/acceptableusepolicy, which links to this Policy, includes explanations of how Comcast implements and enforces many of the provisions contained in this Policy. All capitalized terms used in this Policy that are not defined here have the meanings given in them in the Business Services Agreement.

What obligations does my business have under this Policy?

All Comcast High-Speed Internet customers and all others who use the Service (the "Customer," "User," "you," or "your") must comply with this Policy. Your business's failure to comply with this Policy could result in the suspension or termination of its Service account. In those cases, Comcast will also charge you a fee. If your business does not agree to comply with this Policy, it must immediately stop all use of the Service and notify Comcast so that such fees do not become a liability.

How will my business know when Comcast changes this Policy and how will it report violations of this Policy?

Comcast may revise this Policy from time to time by posting a new version on the Web site at <http://www.comcast.com/businessservices/acceptableusepolicy> or by otherwise notifying the Customer Business Services Web site. Comcast will use reasonable efforts to make customers aware of any changes to the Policy, which may include sending e-mails, announcements or posting information on the Comcast Business Services Web site. Revised versions of this Policy are effective immediately upon posting. Accordingly, customers of the Service should read any Comcast announcements they receive and regularly visit the Comcast Business Services Web site and review this Policy to ensure that their activities conform to the most recent version. Your business can also contact Comcast regarding this Policy, and report violations of it at acceptableuse@comcast.com. We request that you not disclose or disseminate information regarding this Policy to other users of the Internet, go to <http://www.comcast.com/businessservices/acceptableusepolicy> to report a security threat or other legal or regulatory violation.

I. Prohibited Uses and Activities

What uses and activities does Comcast prohibit?

In general, the Policy prohibits uses and activities involving the Service that are illegal, infringe the rights of others, or interfere with or damage the use and enjoyment of the Service by others. Prohibited uses and activities include, but are not limited to, using the Service, Customer-Provided Equipment, or the Comcast Equipment, either individually or in combination with one another, to:

- maintain with Comcast a log and control of its domain name server ("DNS") usage in accordance with the Service, and

Your business may not configure the Service or any related equipment to access or use a static IP address or the any protocol other than DHCP unless expressly permitted by the applicable Business Services Agreement.

II. Customer Conduct and Features of the Service

What obligations does my business have under this Policy?

In addition to being responsible for its own compliance with this Policy, your business is also responsible for any use or release of the Service that violates this Policy, even if it was committed by an employee, contractor, customer, or guest with access to your business' Service account. Therefore, your business must take steps to ensure that persons do not use your business' account to gain unauthorized access to the Service or, for example, strictly maintaining the confidentiality of all third-party logins and passwords. In all cases, your business is solely responsible for the security of any device or content to connect to the Service, including any data stored or shared on that device.

It is also your business' responsibility to secure the Customer-Provided Equipment and any other Service-related equipment or programs not provided by Comcast that connect to the Service from external threats such as viruses, worms, botnets, and other methods of intrusion.

How does Comcast address inappropriate content and transmissions?

Comcast reserves the right to refuse to transmit or post, and to remove or block, any information or content, in whole or in part, that it, in its sole discretion, deems to be in violation of Section 10 of this Policy, or otherwise harmful to Comcast or users of the Service, regardless of whether the removal or its dissemination is arbitrary or so long as it complies with this Policy. Neither Comcast nor any of its affiliates, associates, or agents have any obligation to monitor transmissions or postings (including, but not limited to, e-mail, file transfer, blog, newsgroup, and instant message transmissions) as well as materials available on online storage features such as Weblogs and content made on the Service. However, Comcast and its affiliates, suppliers, and agents do have the right to monitor these transmissions and postings over time for violations of this Policy and to disclose, block, or remove them in accordance with this Policy, the Business Services Agreement, and applicable law.

What requirements apply to electronic mail?

The Service may not be used to communicate or distribute e-mail or other forms of electronic communications in violation of Section 11 of this Policy. As described below in Section 11 of this Policy, Comcast uses various e-mail management tools and techniques to protect customers from receiving spam and from sending spam. Other users of their knowledge about our technical capabilities, Comcast's anti-spam approach is explained in the FAQs at <http://www.comcast.com/customerhelp/acceptableuse/faq/anti-spam.html>.

Comcast is not responsible for sending or forwarding any e-mail sent to the wrong e-mail address(es) by your business or by someone else trying to send a mail to your business or its employees, contractors, or users. Comcast is also not responsible for forwarding e-mail sent to any account that has been suspended or terminated. This e-mail will be returned to the sender, ignored, deleted, or stored temporarily at Comcast's sole discretion. In the event that Comcast believes it is safe to deliver that any subscriber name, account name, or e-mail address (collectively, an "e-mail ID") on the Service may be used for or is being used for, any re-sending, forwarding or other improper or illegal purpose, Comcast reserves the right to block access to or prevent the use of any of those e-mail IDs and (if they do) may require any customer to change the e-mail ID. In addition, Comcast may at any time remove an e-mail ID on the Service for Comcast's own purposes. In the event that a Service account is terminated for any reason, all e-mail associated with that account (primary secondary accounts) will be permanently deleted as well.

Comcast Service plans limit the storage of messages on Comcast's systems to a set number of days and may set a fixed upper limit on the size and/or number of messages that you may send or receive through the Service. See the FAQs at <http://www.comcast.com/customerhelp/acceptableuse/faq/limits.html> for specific information about e-mail storage and sending and receiving limits. Neither Comcast nor any of its suppliers shall have any liability for the delivery of, or failure to receive, messages or of the late delivery of, failure to deliver or the untimely delivery of messages.

Comcast helps protect its customers from viruses and other unwanted e-mail and programs included in e-mails. Comcast's e-mail servers and other systems employ various virus detection and prevention tools that it updates frequently in response to the latest threats on the Internet. Those tools will automatically remove viruses and other unwanted materials from e-mails whenever possible. This applies both to e-mails your business sends as well as to e-mails your business receives. Comcast's systems also may scan all incoming and outgoing e-mail traffic over the Service using automatic tools and plug-ins recognized and commonly used techniques for identifying and blocking spam and other unwanted or harmful e-mail or content.

What requirements apply to instant, video, and audio messages?

Each user is responsible for the contents of e-mail or for instant, video, and audio messages and the consequences of any of these messages. Comcast assumes no responsibility for the timeliness, non-delivery, deletion, or failure to store these messages. In the event that a Service account is terminated for any reason, all instant, video, and audio messages transmitted and/or received (and any secondary accounts) will be permanently deleted as well.

What requirements apply to web hosting services?

As part of the Service, Comcast provides various web hosting services that your business can subscribe to and which include, among other things, domain name hosting, website hosting, file storage, and file transfer capabilities, the "Web Hosting Services". Your business is solely responsible for any information that it or others publish or store on the Web Hosting Services. Your business is also responsible for ensuring that all content made available through the Web Hosting Services is appropriate for those who may have access to it. For example, your business must take appropriate precautions to

prevent access from receiving or accessing inappropriate content. Comcast reserves the right to remove, block, or refuse in part or deny any information or materials in whole or in part that, in its sole discretion, deems to be in violation of Section 1 of this Policy. For purposes of this Policy, "news" refers to all forms of communication including text, graphics including photographs, illustrations, images, drawings, logos, webcasts, programs and scripts, video, recording, and audio recordings. Comcast may remove or block content contained on your business Web Hosting Service and terminate its Web Hosting Services another year, unless use of the Service or its features has violated the terms of this Policy.

What requirements apply to my business' Service account Internet reputation?

Comcast provides the service for use in your business. After encrypting your address using the Service will be directly attributable to and affect its reputation. However, because Comcast provides the systems to deliver the Service, there are certain things that your business can do using the Service that are directly attributable to Comcast and affect its reputation. Most obviously, if your business uses the Service to send spam (or what you report to Comcast as spam) or uses the Web Hosting Services for an improper purpose such as phishing, these activities may affect Comcast's reputation because of its ownership of the IP addresses associated with the Service. Of course, these activities also violate this Policy.

Comcast reserves the right to suspend or terminate Service accounts when your business' use of the Service or any of its features, such as Web Hosting Services, negatively impacts Comcast's reputation as mentioned in its sole discretion. For example, any use of the Service or its features that results in your business' Service account or any associated Comcast information being listed on, for example, spam reporting web sites such as Spamhaus, SBL, MZS/D, Trend Micro, Mega or SecureEngine Blacklist, or participating in an organized spamming activity, may result in Comcast suspending or terminating your business' Service account. In these situations, Comcast prefers to work directly with your business to address the problem by covering the harm to Comcast's reputation so that they do not happen again.

III. Network Management and Limitations on Data Consumption

Why does Comcast manage its network?

Comcast manages its network with one goal in mind: to deliver the best possible broadband Internet experience to all of its customers. High-speed broadband and network resources are not infinite. Managing the network is essential as Comcast works to optimize the use and expansion of the Internet by all of its customers. The company uses traditional network management practices that are consistent with industry standards. Comcast tries to use tools and techniques that are minimally invasive and, in its independent judgment guided by industry experience, among the best in class. If correct, the company's network management practices will change and evolve along with the needs of the market and the challenges and trends on the Internet.

The need to engage in network management is not limited to Comcast. In fact, all large Internet service providers manage their networks. Many of them use the same or similar tools that Comcast does. If the company didn't manage its network, its customers would be subjected to the negative effects of spam, viruses, security alerts, network congestion, and other risks and degradation of service. By engaging in responsible network management including enforcement of this Policy, Comcast can deliver the best possible broadband Internet experience to all of its customers. Visit the Comcast Business Services Network Management Policy page at <http://www.comcast.com/Corporate/Business/NetworkManagementPolicy.html> for more information.

How does Comcast manage its network?

Comcast uses a number of tools and techniques to manage its network, deliver the Service, and ensure compliance with this Policy and the Business Services Agreement. These tools are sophisticated and dynamic, like the network and its usage, and can and do change frequently. For example, these network management activities may include (i) identifying spam and preventing its delivery to protect its customers by selecting malicious Internet mail and assessing the distribution of viruses or other harmful code or content; (ii) temporarily lowering the priority of traffic for users who are heavy contributors to network congestion; and (iii) using other tools and techniques that Comcast may be required to implement in order to meet its goal of delivering the best possible broadband Internet experience to all of its customers.

Are there restrictions on data consumption that apply to the Service?

The Service is for commercial use only in a non-residential or large business as determined by the applicable Business Services Agreement. Comcast reserves the right to suspend or terminate Service accounts whose data consumption exceeds the materials of a typical commercial user of the Service as determined by the company in its sole discretion, or whose it exceeds published data consumption limitations. Comcast supplies the data usage statistics (data consumption) in violation of this Policy in order, but not limited to, network or congestion data transfers of files and other irregularity traffic using the transfer protocol ("FTP"), file peer-to-peer applications, and file hosting sites. Your business must also ensure that its use of the Service does not result in what, in Comcast's sole discretion, Comcast may be required to implement in order to meet its goal of delivering the best possible broadband Internet experience to all of its customers. In addition, your business must ensure that the use of the Service does not unreasonably interfere with Comcast's ability to deliver and monitor the Service in any part of its network.

If your business uses the Service in violation of the restrictions referenced above, that is a violation of this Policy. In those cases, Comcast may, in its sole discretion, suspend or terminate your business' Service account or require that it subscribe to a different version of the Service if it wishes to continue to use the Service at higher data consumption levels. Comcast may also provide versions of the Service with different speed and data consumption limitations, among other characteristics, subject to applicable Business Services Agreements. Comcast's determination of the data consumption for Service accounts is final.

IV. Violation of This Acceptable Use Policy

What happens if your business violates this Policy?

Comcast reserves the right immediately to suspend or terminate your business' Service account and terminate the Business Services Agreement if it violates the terms of this Policy or the Business Services Agreement.

How does Comcast enforce this Policy?

Comcast does not routinely monitor the activity of individual Service accounts for violations of this Policy, except for identifying aggregated data consumption in connection with its data consumption provisions of this Policy. However, in the company's efforts to promote good citizenship within the Internet community, it will respond appropriately if it becomes aware of inappropriate use of the Service. Comcast has an obligation to monitor the Service and/or the network. However, Comcast and its suppliers reserve the right at any time to monitor bandwidth, usage, business data, and content in order to among other things, operate the Service, identify violations of this Policy, and/or protect the network, the Service and Comcast users.

Comcast prefers to inform customers of inappropriate activities and give them a reasonable period of time in which to take corrective action. Comcast also prefers to give customers directly receive any notices or if suspension may occur with or without suspension or not without Comcast's intervention. However, if the Service is used in a way that Comcast or its suppliers, in their sole discretion, believe violates this Policy, Comcast and its suppliers may take any responsive actions they deem appropriate and the circumstances with or without notice. These actions include, but are not limited to, temporary or permanent removal of content, cancellation of new service posts, blocking of Internet transmissions, and the immediate suspension or termination of all or any portion of the Service (including but not limited to newsgroups). Neither Comcast nor its affiliates, suppliers, or agents will have any liability for any of these responsive actions. These actions are not Comcast's exclusive remedies and Comcast may take any other legal or technical actions it deems appropriate with or without notice.

Comcast reserves the right to investigate suspected violations of this Policy, including the gathering of information from the user or service provider and the commanding party, if any, and examination of material on Comcast's servers and network. During an investigation, Comcast may suspend the account or accounts involved and/or remove or block material that potentially violates this Policy. Your business expressly authorizes and consents to Comcast and its suppliers cooperating with its law enforcement agencies in the investigation of suspected legal violations, and (1) all system administrators at other Internet service providers or other network or computing facilities in order to enforce this Policy. Upon notification of your business' Service account, Comcast is authorized to retain any files, programs, data, e-mail and other messages associated with your business' account and any secondary accounts.

The failure of Comcast or its suppliers to enforce this Policy, for whatever reason, shall not be construed as a waiver of any right to do so at any time. You consent again that if any portion of this Policy is held invalid or unenforceable, that portion will be severed, consistent with applicable law as nearly as possible, and the remaining portions will remain in full force and effect.

Your business agrees to indemnify, defend and hold harmless Comcast and its affiliates, suppliers, and agents against all claims and expenses, including reasonable attorney fees, resulting from any violation of this Policy. Your business' indemnification will survive any termination of the Business Services Agreement.

V. Copyright and Digital Millennium Copyright Act Requirements

What is Comcast's DMCA policy?

Comcast is committed to complying with U.S. copyright and related laws, and requires all users use and access of the Service to comply with their laws.

Accordingly, your business may not store any material in connection with, disseminate any material or transfer over, the Service or any part of the Service or any other third party that constitutes an infringement of third party intellectual property rights, including rights asserted by U.S. copyright law. Owners of copyrighted materials believe that their rights under U.S. copyright law have been infringed may take advantage of certain provisions of the Digital Millennium Copyright Act of 1998 (the "DMCA") to report alleged infringements. It is Comcast's policy in accordance with the DMCA and other applicable laws to reserve the right to terminate the Service provided to any subscriber or user who is either found to commit third party copyright or other intellectual property rights, including patent, infringements or who Comcast, in its sole discretion, believes is infringing these rights. Comcast may terminate the Service at any time with or without notice to any affected customer or user.

How do copyright owners report alleged infringements to Comcast?

Copyright owners may report alleged infringements of their works that are stored on the Service or the Web Hosting Services by sending Comcast a notification agent a notification of claimed infringement that satisfies the requirements of the DMCA. Upon Comcast's receipt of a satisfactory notice of claimed infringement to their works, Comcast will exercise good faith efforts to either directly or indirectly remove the allegedly infringing material stored on the Service or the Web Hosting Services or (if) delete access to the work(s). Comcast will also notify the affected customer or user of the Service of the removal or blocking of access to the work(s).

Copyright owners may send Comcast a notification of claimed infringement to report alleged infringement of their works to:
 J. Oppenheimer & M. Melero
 Comcast Cable Communications, LLC
 701 East Gate Drive, 3rd Floor
 Mount Laurel, NJ 08054 U.S.A.
 Phone: 888.585.4330
 Fax: 010.224.2940
 Email: dmca@comcast.net

Copyright owners may use their own notification of claimed infringement form that satisfies the requirements of Section 512(c)(3) of the U.S. Copyright Act. Under the DMCA, anyone who knowingly makes misrepresentations regarding alleged copyright infringements may be liable to Comcast, the alleged infringer, and the affected copyright owner for any damages incurred in connection with the removal, blocking, or replacement of an allegedly infringing material.

What can customers do if they receive a notification of alleged infringement?

If your business receives a notification of alleged infringement as described above, and it believes in good faith that the allegedly infringing works have been removed or blocked by mistake or misidentification, then your business may send a counter notification to Comcast. Upon Comcast's receipt of a counter notification that satisfies the requirements of DMCA, Comcast will provide a copy of the counter notification to the person who sent the original notification of claimed infringement and will follow the DMCA's procedures with respect to a non-voluntary counter notification. In all events, your business expressly agrees that Comcast will not be a party to any disputes or lawsuits regarding alleged copyright infringement.

If a notification of alleged infringement has been filed against your business, you may file a counter notification with Comcast's designated agent using the contact information shown above. All counter notifications must satisfy the requirements of Section 512(c)(3) of the U.S. Copyright Act.

BUSINESS SERVICES CUSTOMER TERMS AND CONDITIONS

The Customer named on the Comcast Business Class Service Order Agreement and Comcast agree that the terms and conditions on the Comcast Business Class Service Order Agreement and these terms and conditions constitute the agreement (the "Agreement") for the provision of the Services selected by Customer and designated on a Service Order. Services may include Comcast Business Class commercial high-speed internet service ("Internet"), Comcast Business Class commercial digital voice service ("Voice"), Comcast Business Class commercial cable television service ("Video") and Comcast Business Class public view commercial cable television service ("Public View Video") (each a "Service" and collectively "Services").

The terms and conditions in the "GENERAL TERMS AND CONDITIONS" section below are applicable to all Services. Additional terms and conditions apply to the Video, Internet and the Voice Service and should be reviewed in either the "ADDITIONAL TERMS APPLICABLE TO INTERNET SERVICE" section, "ADDITIONAL TERMS APPLICABLE TO VOICE SERVICE" section, the "ADDITIONAL TERMS APPLICABLE TO VIDEO SERVICE AND PUBLIC VIEW VIDEO SERVICE" section, or the "ADDITIONAL TERMS APPLICABLE TO PUBLIC VIEW VIDEO SERVICE" section, as applicable.

GENERAL TERMS AND CONDITIONS

ARTICLE 1. DEFINITIONS

Affiliate: Any entity that controls, is controlled by or is under common control with Comcast.

Agreement: These terms and conditions and the Service Order Agreement executed by Customer.

Comcast: The operating company subsidiary of Comcast Corporation that owns and/or operates the cable television system in your area.

Comcast Equipment: Any and all facilities, equipment or devices provided by Comcast or its authorized contractors at the Service Location(s) that are used to deliver any of the Services including, but not limited to, all terminals, wires, modems, lines, circuits, ports, routers, gateways, switches, channel service units, data service units, cabinets, and racks. Notwithstanding the above, inside telephone wiring, whether or not installed by Comcast, shall not be considered Comcast Equipment.

Confidential Information: All information regarding either party's business which has been marked or is otherwise communicated as being "proprietary" or "confidential," or which reasonably should be known by the receiving party to be proprietary or confidential information. Without limiting the generality of the foregoing, Confidential Information shall include, even if not marked, the Agreement, all Licensed Software, promotional materials, proposals, quotes, rate information, discount information, subscriber information,

network upgrade information and schedules, network operation information (including without limitation information about outages and planned maintenance) and invoices, as well as the parties' communications regarding such items.

Customer-Provided Equipment: Any and all facilities, equipment or devices supplied by Customer for use in connection with the Services.

Licensed Software: Computer software or code provided by Comcast or required to use the Services, including without limitation, associated documentation, and all updates thereto.

Party: A reference to Comcast or the Customer; and in the plural, a reference to both companies.

Service(s): The Public View Video, Video, Internet, and Voice services provided by Comcast to Customer described in one or more Service Order(s).

Service Commencement Date: The date(s) on which Comcast first makes Service available for use by Customer. A single Service Order containing multiple Service Locations or Services may have multiple Service Commencement Dates.

Service Order: A request for Comcast to provide the Services to Service Location(s) submitted by Customer to Comcast (a) on a then-current Comcast form designated for that purpose or (b) if available, through a Comcast electronic order processing system designated for that purpose.

Service Order Agreement: The agreement under which all Service Orders are submitted to Comcast.

Service Location(s): The Customer location(s) where Comcast provides the Services.

Service Term: The duration of time (commencing on the Service Commencement Date) for which Services are ordered, as specified in a Service Order.

Tariff: A federal or state Comcast tariff and the successor documents of general applicability that replace such tariff in the event of detariffing.

Termination Charges: Charges that may be imposed by Comcast if, prior to the end of the applicable Service Term (a) Comcast terminates Services for cause or (b) Customer terminates Services without cause. Termination Charges with respect to each terminated Service Order shall equal, in addition to all amounts payable by Customer in accordance with Section 5.3, seventy-five percent (75%) of the remaining monthly fees that would have been payable by Customer under the Service Order if the Services described in the Service Order had been provided until the end of the Service Term. In the event the Agreement is terminated as herein described during the initial Service Term, Termination Charges shall also include one hundred percent (100%) of any amount paid by Comcast in connection with Custom Installation, as that term is defined in Section 2.6, for the Services provided by Comcast under the Service Order.

ARTICLE 2. DELIVERY OF SERVICES

2.1 Orders. Customer shall submit to Comcast a properly completed Service Order to initiate Services to a Service Location(s). A Service Order shall become binding on the parties when (i) it is specifically accepted by Comcast either electronically or in writing, (ii) Comcast begins providing the Services described in the Service Order or (iii) Comcast begins Custom Installation (as defined in Section 2.7) for delivery of the Services described in the Service Order, whichever is earlier. When a Service Order becomes effective it shall be deemed part of, and shall be subject to, the Agreement.

2.2 Speed. Comcast makes no representation regarding the speed of the Internet Service. Actual speeds may vary and are not guaranteed. Many factors affect speed including, without limitation, the number of workstations using a single connection.

2.3 Access. Customer, at no cost to Comcast, shall secure and maintain all necessary rights of access to Service Location(s) for Comcast to install and provide the Services, unless Comcast has secured such access prior to this Agreement. In addition, Customer shall provide an adequate environmentally controlled space and such electricity as may be required for installation, operation, and maintenance of the Comcast Equipment used to provide the Services within the Service Location(s). Comcast and its employees and authorized contractors will require free ingress and egress into and out of the Service Location(s) in connection with the provision of Services. Upon reasonable notice from Comcast, Customer shall provide all required access to Comcast and its authorized personnel.

2.4 Service Commencement Date. Upon installation and connection of the necessary facilities and equipment to provide the Services, or in the case of Voice, the day Voice Service is activated, Comcast shall notify Customer that the Services are available for use, and the date of such notice shall be called the "Service Commencement Date." Any failure or refusal on the part of Customer to be ready to receive the Services on the Service Commencement Date shall not relieve Customer of its obligation to pay applicable Service charges.

2.5 Comcast Equipment. Comcast Equipment is and shall remain the property of Comcast regardless of where installed within the Service Location(s), and shall not be considered a fixture or an addition to the land or the Service Location(s). At any time Comcast may remove or change Comcast Equipment in its sole discretion in connection with providing the Services. Customer shall not move, rearrange, disconnect, remove, attempt to repair, or otherwise tamper with any Comcast Equipment or permit others to do so, and shall not use the Comcast Equipment for any purpose other than that authorized by the Agreement. Comcast shall maintain Comcast Equipment in good operating condition during the term of this Agreement; provided, however, that such maintenance shall be at Comcast's expense only to the extent that it is related to and/or resulting from the ordinary and proper use of the Comcast Equipment. Customer is responsible for damage to, or loss of, Comcast

Equipment caused by its acts or omissions, and its noncompliance with this Section, or by fire, theft or other casualty at the Service Location(s), unless caused by the negligence or willful misconduct of Comcast. Customer agrees not to take any action that would directly or indirectly impair Comcast's title to the Comcast Equipment, or expose Comcast to any claim, lien, encumbrance, or legal process, except as otherwise agreed in writing by the Parties. Following Comcast's discontinuance of the Services to the Service Location(s), Comcast retains the right to remove the Comcast Equipment including, but not limited to, that portion of the Comcast Equipment located within the Service Location(s). To the extent Comcast removes such Comcast Equipment, it shall be responsible for returning the Service Location(s) to its prior condition, wear and tear excepted.

2.6 Customer-Provided Equipment. Comcast shall have no obligation to install, operate, or maintain Customer-Provided Equipment. Customer alone shall be responsible for providing maintenance, repair, operation and replacement of all inside telephone wiring and equipment and facilities on the Customer's side of the cable modem, route and/or coaxial input connection. All Customer-Provided Equipment and wiring that Customer uses in connection with the Services must be fully compatible with the Services. Customer shall be responsible for the payment of all charges for troubleshooting, maintenance or repairs attempted or performed by Comcast's employees or authorized contractors when the difficulty or trouble report results from Customer-Provided Equipment.

2.7 Engineering Review. Each Service Order submitted by Customer shall be subject to an engineering review by Comcast. The engineering review will determine whether the cable plant must be extended, built or upgraded ("Custom Installation") in order to provide the ordered Services at the requested Service Location(s). Comcast will provide Customer written notification in the event Service installation at any Service Location will require an additional one-time installation fee ("Custom Installation Fee"). Customer will have five (5) days from receipt of such notice to reject the Custom Installation Fee and terminate, without further liability, the Service Order with respect to the affected Service Location(s).

2.8 Administrative Web Site. Comcast may, at its sole option, make one or more administrative web sites available to Customer in connection with Customer's use of the Services (each an "Administrative Web Site"). Comcast may furnish Customer with one or more user identifications and/or passwords for use on the Administrative Web Site. Customer shall be responsible for the confidentiality and use of such user identifications and/or passwords and shall immediately notify Comcast if there has been an unauthorized release, use or other compromise of any user identification or password. In addition, Customer agrees that its authorized users shall keep confidential and not distribute any information or other materials made available by the Administrative Web Site. Customer shall be solely responsible for all use of the Administrative Web Site, and Comcast shall be entitled to rely on all Customer uses of and submissions to the Administrative Web Site as authorized by Customer. Comcast shall not be liable for any loss, cost,

expense or other liability arising out of any Customer use of the Administrative Web Site or any information on the Administrative Web Site. Comcast may change or discontinue the Administrative Web Site, or Customer's right to use the Administrative Web Site, at any time. Additional terms and policies may apply to Customer's use of the Administrative Web Site. These terms and policies will be posted on the site.

ARTICLE 3. CHARGES, BILLING AND PAYMENT

3.1 Charges. Customer shall pay Comcast one hundred percent (100%) of the Custom Installation Fee prior to the installation of Service. Customer further agrees to pay all charges associated with the Services, as set forth or referenced in the applicable Service Order(s) or invoiced by Comcast. These charges may include, but are not limited to installation charges, monthly recurring service charges, usage charges including without limitation charges for the use of Comcast Equipment, per-call charges, pay-per-view charges, charges for service calls, maintenance and repair charges, and applicable federal, state, and local taxes, fees, surcharges and recoupments (however designated). Some Services such as measured and per-call charges, pay-per-view movies or events, and interactive television (as explained below in the Voice, Video and Public View Video Additional Terms) may be invoiced after the Service has been provided to Customer. Except as otherwise indicated herein or on the applicable Service Order(s), nonrecurring charges for Video and Internet Services shall not increase during the initial Service Term. Voice pricing lists with information on charges and fees can be found at www.comcast.com/corporate/shop/internationalrates.ahsx.

3.2 Third-Party Charges. Customer may incur charges from third party service providers that are separate and apart from the amounts charged by Comcast. These may include, without limitation, charges resulting from accessing on-line services, calls to parties who charge for their telephone based services, purchasing or subscribing to other offerings via the Internet or interactive options on Public View Video, Video, or otherwise. Customer agrees that all such charges, including all applicable taxes, are Customer's sole responsibility. In addition, Customer is solely responsible for protecting the security of credit card information provided to others in connection with such transactions.

3.3 Payment of Bills. Except as otherwise indicated herein or on the Service Order(s), Comcast will invoice Customer in advance on a monthly basis for all monthly recurring Service charges and fees arising under the Agreement. All other charges will be billed monthly in arrears. Customer shall make payment to Comcast for all invoiced amounts within thirty (30) days after the date of the invoice. Any amounts not paid to Comcast within such period will be considered past due. If a Service Commencement Date is not the first day of a billing period, Customer's next monthly invoice shall include a *pro rated* charge for the Services, from the date of installation to the first day of the new billing. In certain cases, Comcast may agree to provide billing services on behalf of third parties, as the agent of the third party. Any such third-party charges shall be payable pursuant to any contract or other arrangement between Customer and the third party. Comcast shall not be responsible

for any dispute regarding these charges between Customer and such third party. Customer must address all such disputes directly with the third party.

3.4 Partial Payment. Partial payment of any bill will be applied to the Customer's outstanding charges in the amounts and proportions as solely determined by Comcast. No acceptance of partial payment(s) by Comcast shall constitute a waiver of any rights to collect the full balance owed under the Agreement.

3.5 Payment by Credit Card. Upon Customer's written request and Comcast's acceptance of such request, Comcast will accept certain credit card payments for charges generated under the Agreement. By providing Comcast with a credit card number, Customer authorizes Comcast to charge the card for all charges generated under this Agreement, until (i) this Agreement is terminated or (ii) Customer provides sixty (60) days prior notice that Comcast stop charging the credit card. Customer agrees to provide Comcast with updated credit card or alternate payment information on a timely basis prior to the expiration or termination of the credit card on file or in the event that Customer's credit card limit is or will be insufficient to cover payment. If Comcast is unable to charge Customer's credit card for any reason, Customer agrees to pay all amounts due, including any late payment charges or bank charges, upon demand by Comcast. Comcast may limit the option to pay by credit card to specific Services or may discontinue acceptance of credit card payments in whole or in part upon thirty (30) days prior notice to Customer.

3.6 Credit Approval and Deposits. Initial and ongoing delivery of Services may be subject to credit approval. Customer shall provide Comcast with credit information requested by Comcast. Customer authorizes Comcast to make inquiries and to receive information about Customer's credit history from others and to enter this information in Customer's records. Customer represents and warrants that all credit information that it provides to Comcast will be true and correct. Comcast, in its sole discretion, may deny the Services based upon an unsatisfactory credit history. Additionally, subject to applicable regulations, Comcast may require Customer to make a deposit (in an amount not to exceed an estimated two-months charge for the Services) as a condition to Comcast's provision of the Services, or as a condition to Comcast's continuation of the Services. The deposit will not, unless explicitly required by law, bear interest and shall be held by Comcast as security for payment of Customer's charges. If the provision of Service to Customer is terminated, or if Comcast determines in its sole discretion that such deposit is no longer necessary, then the amount of the deposit will be credited to Customer's account or will be refunded to Customer, as determined by Comcast.

3.7 Taxes and Fees. Customer shall be responsible for the payment of any and all applicable local, state, and federal taxes or fees (however designated). Customer will be responsible to pay any Service fees, payment obligations and taxes that become applicable retroactively.

3.8 Other Government-Related Costs and Fees.

Comcast reserves the right to invoice Customer for any fees or payment obligations in connection with the Services imposed by governmental or quasi-governmental bodies in connection with the sale, installation, use, or provision of the Services, including, without limitation, applicable franchise fees (if any), regardless of whether Comcast or its Affiliates pay the taxes directly or are required by an order, rule, or regulation of a taxing jurisdiction to collect them from Customer. These obligations may include those imposed on Comcast or its affiliates by an order, rule, or regulation of a regulatory body or a court of competent jurisdiction, as well as those that Comcast or its affiliates are required to collect from the Customer or to pay to others in support of statutory or regulatory programs. For example, Voice customers are charged a monthly regulatory recovery fee to help defray Comcast's contributions to municipal, state, and federal programs including, without limitation, universal service, telecom relay services for the visually/hearing impaired, and 911/E911 programs and infrastructure. This regulatory recovery fee is not a tax, and it is not government-mandated. Taxes and other government-related fees and surcharges may be changed with or without notice.

3.9 Disputed Invoice. If Customer disputes any portion of an invoice, Customer must pay the undisputed portion of the invoice and submit a written claim, including all documentation substantiating Customer's claim, to Comcast for the disputed amount of the invoice by the invoice due date. The Parties shall negotiate in good faith to resolve the dispute. However, should the parties fail to mutually resolve the dispute within sixty (60) days after the dispute was submitted to Comcast, all disputed amounts shall become immediately due and payable to Comcast.

3.10 Past-Due Amounts. Any undisputed payment not made when due will be subject to a reasonable late charge not to exceed the highest rate allowed by law on the unpaid invoice. If Customer's account is delinquent, Comcast may refer the account to a collection agency or attorney that may pursue collection of the past due amount and/or any Comcast Equipment that Customer fails to return in accordance with the Agreement. If Comcast is required to use a collection agency or attorney to collect any amount owed by Customer or any unreturned Comcast Equipment, Customer agrees to pay all reasonable costs of collection or other action. The remedies set forth herein are in addition to and not in limitation of any other rights and remedies available to Comcast under the Agreement or at law or in equity.

3.11 Rejected Payments. Except to the extent otherwise prohibited by law, Customer will be assessed a service charge up to the full amount permitted under applicable law for any check or other instrument used to pay for the Services that has been rejected by the bank or other financial institution.

3.12 Fraudulent Use of Services. Customer is responsible for all charges attributable to Customer with respect to the Services, even if incurred as the result of fraudulent or unauthorized use of the Services. Comcast may, but is not obligated to, detect or report unauthorized or fraudulent use of Services to Customer. Comcast reserves the right to restrict,

suspend or discontinue providing any Service in the event of fraudulent use by Customer.

ARTICLE 4. TERM

4.1 Agreement Term. This Agreement shall terminate upon the expiration or other termination of the final existing Service Order entered into under this Agreement. The term of a Service Order shall commence on the Service Commencement Date and shall terminate at the end of the stated Service Term of such Service. If a Service Order does not specify a term of service, the Service Term shall be one (1) year from the Service Commencement Date.

4.2 Service Order Renewal. Upon the expiration of the Service Term, this Agreement and each applicable Service Order shall automatically renew for successive periods of one (1) year each ("Renewal Term(s)"), unless prior notice of non-renewal is delivered by either Party to the other at least thirty (30) days before the expiration of the Service Term or the then current Renewal Term. Effective at any time after the end of the initial Service Term and from time to time thereafter, Comcast may, modify the charges for Internet and/or Video Services subject to thirty (30) days prior notice to Customer. Customer will have thirty (30) days from receipt of such notice to cancel the applicable Service without further liability. Should Customer fail to cancel within this timeframe, Customer will be deemed to have accepted the modified Service pricing.

ARTICLE 5. TERMINATION OF AGREEMENT AND/OR A SALES ORDER

5.1 Termination for Convenience. Notwithstanding any other term or provision in this Agreement, Customer shall have the right to terminate a Service Order, or this Agreement in whole or part, at any time during the Service Term upon sixty (60) days prior notice to Comcast, and subject to payment to Comcast of all outstanding amounts due for the Services, any and all applicable Termination Charges, and the return of any and all Comcast Equipment.

5.2 Termination for Cause.

(a) If Customer is in breach of a payment obligation (including failure to pay a required deposit), and fails to make payment in full within ten (10) days after receipt of notice of default, or has failed to make payments of all undisputed charges on or before the due date on three (3) or more occasions during any twelve (12) month period, Comcast may, at its option, terminate this Agreement, terminate the affected Service Orders, suspend Service under the affected Service Orders, and/or require a deposit, advance payment, or other satisfactory assurances in connection with any or all Service Orders as a condition of continuing to provide the Services. However, Comcast will not take any such action as a result of Customer's non-payment of a charge that is the subject of a timely billing dispute, unless the parties have reviewed the dispute and determined in good faith that the charge is correct.

(b) If either party breaches any material term of this Agreement and the breach continues without remedy for thirty (30) days after notice of default, the non-defaulting party

may terminate for cause any Service Order materially affected by the breach.

(c) A Service Order may be terminated by either party immediately upon notice if the other party has become insolvent or involved in liquidation or termination of its business, or adjudicated bankrupt, or been involved in an assignment for the benefit of its creditors.

(d) Termination by either party of a Service Order does not waive any other rights or remedies that it may have under this Agreement.

5.3 Effect of Expiration or Termination of the Agreement or a Service Order. Upon the expiration or termination of a Service Order for any reason: (i) Comcast may disconnect the applicable Service; (ii) Comcast may delete all applicable data, files, electronic messages, voicemail or other information stored on Comcast's servers or systems; (iii) if Customer has terminated the Service Order prior to the expiration of the Service Term for convenience, or if Comcast has terminated the Service Order prior to the expiration of the Service Term as a result of material breach by Customer, Comcast may assess and collect from Customer applicable Termination Charges; (iv) Customer shall, permit Comcast access to retrieve from the applicable Service Locations any and all Comcast Equipment (however, if Customer fails to permit access, or if the retrieved Comcast Equipment has been damaged and/or destroyed other than by Comcast or its agents, normal wear and tear excepted, Comcast may invoice Customer for the full replacement cost of the relevant Comcast Equipment, or in the event of minor damage to the retrieved Comcast Equipment, the cost of repair, which amounts shall be immediately due and payable); and (v) if used in conjunction with the terminated Service, Customer's right to use applicable Licensed Software shall automatically terminate, and Customer shall be obligated to return the Licensed Software to Comcast.

5.4 Regulatory and Legal Changes. The parties acknowledge that the respective rights and obligations of each party as set forth in this Agreement upon its execution are based on law and the regulatory environment as it exists on the date of execution of this Agreement. Comcast may, in its sole discretion, immediately terminate this Agreement, in whole or in part, in the event there is a material change in any law, rule, regulation, Force Majeure event, or judgment of any court or government agency, and that change affects Comcast's ability to provide the Services herein.

**ARTICLE 6. LIMITATION OF LIABILITY;
DISCLAIMER OF WARRANTIES; WARNINGS**

6.1 NEITHER PARTY WILL BE LIABLE TO THE OTHER FOR ANY INCIDENTAL, INDIRECT, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, WHETHER OR NOT FORESEEABLE, OF ANY KIND INCLUDING BUT NOT LIMITED TO ANY LOSS REVENUE, LOSS OF USE, LOSS OF BUSINESS OR LOSS OF PROFIT, WHETHER SUCH ALLEGED LIABILITY ARISES IN CONTRACT OR TORT, PROVIDED, HOWEVER, THAT NOTHING HEREIN IS INTENDED TO LIMIT CUSTOMER'S LIABILITY FOR AMOUNTS OWED FOR THE SERVICES, FOR ANY

EQUIPMENT OR SOFTWARE PROVIDED BY COMCAST OR FOR EARLY TERMINATION CHARGES. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, THE ENTIRE LIABILITY OF COMCAST AND ITS OFFICERS, DIRECTORS, EMPLOYEES, AFFILIATES, AGENTS, SUPPLIERS OR CONTRACTORS FOR LOSS, DAMAGES AND CLAIMS ARISING OUT OF THE DELIVERY OF THE SERVICES INCLUDING, BUT NOT LIMITED TO, DELAY IN THE INSTALLATION OF SERVICES OR THE PERFORMANCE OR NONPERFORMANCE OF THE SERVICES OR THE COMCAST EQUIPMENT SHALL BE LIMITED TO A SUM EQUIVALENT TO THE APPLICABLE OUT-OF-SERVICE CREDIT. REMEDIES UNDER THIS AGREEMENT ARE EXCLUSIVE AND LIMITED TO THOSE EXPRESSLY DESCRIBED IN THIS AGREEMENT.

6.2 THERE ARE NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT WITH RESPECT TO THE SERVICES, COMCAST EQUIPMENT, OR LICENSED SOFTWARE. ALL SUCH WARRANTIES ARE HEREBY EXPRESSLY DISCLAIMED TO THE MAXIMUM EXTENT ALLOWED BY LAW. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, COMCAST DOES NOT WARRANT THAT THE SERVICES, COMCAST EQUIPMENT, OR LICENSED SOFTWARE WILL BE UNINTERRUPTED, ERROR-FREE, OR FREE OF LATENCY OR DELAY, OR THAT THE SERVICES, COMCAST EQUIPMENT, OR LICENSED SOFTWARE WILL MEET YOUR REQUIREMENTS, OR THAT THE SERVICES, COMCAST EQUIPMENT, OR LICENSED SOFTWARE WILL PREVENT UNAUTHORIZED ACCESS BY THIRD PARTIES.

6.3 COMCAST MAKES NO WARRANTIES OR REPRESENTATIONS WITH RESPECT TO THE SERVICES, COMCAST EQUIPMENT, OR LICENSED SOFTWARE FOR USE BY THIRD PARTIES.

6.4 IN NO EVENT SHALL COMCAST, OR ITS ASSOCIATED PARTIES, SUPPLIERS, CONTRACTORS OR LICENSORS BE LIABLE FOR ANY LOSS, DAMAGE OR CLAIM ARISING OUT OF OR RELATED TO: (i) STORED, TRANSMITTED, OR RECORDED DATA, FILES, OR SOFTWARE; (ii) ANY ACT OR OMISSION OF CUSTOMER, ITS USERS OR THIRD PARTIES; (iii) INTEROPERABILITY, INTERACTION OR INTERCONNECTION OF THE SERVICES WITH APPLICATIONS, EQUIPMENT, SERVICES OR NETWORKS PROVIDED BY CUSTOMER OR THIRD PARTIES; OR (iv) LOSS OR DESTRUCTION OF ANY CUSTOMER HARDWARE, SOFTWARE, FILES OR DATA RESULTING FROM ANY VIRUS OR OTHER HARMFUL FEATURE OR FROM ANY ATTEMPT TO REMOVE IT.

6.5 DISRUPTION OF SERVICE. The Services are not fail-safe and are not designed or intended for use in situations requiring fail-safe performance or in which an error or interruption in the Services could lead to severe injury to

business, persons, property or environment ("High Risk Activities"). These High Risk Activities may include, without limitation, vital business or personal communications, or activities where absolutely accurate data or information is required. Customer expressly assumes the risks of any damages resulting from High Risk Activities. Comcast shall not be liable for any inconvenience, loss, liability, or damage resulting from any interruption of the Services, directly or indirectly caused by, or proximately resulting from, any circumstances, including, but not limited to, causes attributable to Customer or Customer-Equipment; inability to obtain access to the Service Locations; failure of any television signal at the transmitter; failure of a communications satellite; loss of use of poles or other utility facilities; strike; labor dispute; riot or insurrection; war; explosion; malicious mischief; fire; flood, lightning, earthquake, wind, ice, extreme weather conditions or other acts of God; failure or reduction of power; or any court order, law, act or order of government restricting or prohibiting the operation or delivery of the Services.

6.6 Customer's sole and exclusive remedies under this Agreement are as expressly set forth in this Agreement. Certain of the above exclusions may not apply if the state in which a Service is provided does not allow the exclusion or limitation of implied warranties or does not allow the limitation or exclusion of incidental or consequential damages. In those states, the liability of Comcast and its affiliates and agents is limited to the maximum extent permitted by law.

ARTICLE 7. INDEMNIFICATION

7.1 Subject to Article 6, each Party ("Indemnifying Party") will indemnify and hold harmless the other Party ("Indemnified Party"), its affiliates, officers, directors, employees, stockholders, partners, providers, independent contractors and agents from and against any and all joint or several costs, damages, losses, liabilities, expenses, judgments, fines, settlements and any other amount of any nature, including reasonable fees and disbursements of attorneys, accountants, and experts, arising from any and all claims, demands, actions, suits, or proceedings whether civil, criminal, administrative, or investigative (collectively, "Claims") relating to: (i) any Claim of any third party resulting from the negligence or willful act or omission of Indemnifying Party arising out of or related to the Agreement, the obligations hereunder, and uses of Services, Comcast Equipment, and Licensed Software; and (ii) any Claim of any third party alleging infringement of a U.S. patent or U.S. copyright arising out of or related to this Agreement, the obligations hereunder, and the use of Services, Comcast Equipment, and Licensed Software.

7.2 The Indemnifying Party agrees to defend the Indemnified Party for any loss, injury, liability, claim or demand ("Actions") that is the subject of Article 7 hereof. The Indemnified Party agrees to notify the Indemnifying Party promptly, in writing, of any Actions, threatened or actual, and to cooperate in every reasonable way to facilitate the defense or settlement of such Actions. The Indemnifying Party shall assume the defense of any Action with counsel of its own choosing, but which is reasonably satisfactory to the Indemnified Party. The Indemnified Party may employ its own

counsel in any such case, and shall pay such counsel's fees and expenses. The Indemnifying Party shall have the right to settle any claim for which indemnification is available; provided, however, that to the extent that such settlement requires the Indemnified Party to take or refrain from taking any action or purports to obligate the Indemnified Party, then the Indemnifying Party shall not settle such claim without the prior written consent of the Indemnified Party, which consent shall not be unreasonably withheld, conditioned or delayed.

ARTICLE 8. SOFTWARE & SERVICES

8.1 **License.** If and to the extent Customer requires the use of Licensed Software in order to use the Services supplied under any Service Order, Customer shall have a personal, nonexclusive, nontransferable, and limited license to use the Licensed Software in object code only and solely to the extent necessary to use the applicable Service during the corresponding Service Term. Customer may not claim title to, or an ownership interest in, any Licensed Software (or any derivations or improvements thereto) and Customer shall execute any documentation reasonably required by Comcast, including, without limitation, end-user license agreements for the Licensed Software. Comcast and its suppliers shall retain ownership of the Licensed Software, and no rights are granted to Customer other than a license to use the Licensed Software under the terms expressly set forth in this Agreement.

8.2 **Restrictions.** Customer agrees that it shall not: (i) copy the Licensed Software (or any upgrades thereto or related written materials) except for emergency back-up purposes or as permitted by the express written consent of Comcast; (ii) reverse engineer, decompile, or disassemble the Licensed Software; (iii) sell, lease, license, or sublicense the Licensed Software; or (iv) create, write, or develop any derivative software or any other software program based on the Licensed Software.

8.3 **Updates.** Customer acknowledges that the use of the Services may periodically require updates and/or changes to certain Licensed Software resident in the Comcast Equipment or Customer-Provided Equipment. If Comcast has agreed to provide updates and changes, Comcast may perform such updates and changes remotely or on-site, at Comcast's sole option. Customer hereby consents to, and shall provide free access for, such updates deemed reasonably necessary by Comcast.

8.4 **Ownership of Telephone Numbers and Addresses.** Customer acknowledges that use of the Services does not give it any ownership or other rights in any telephone number or Internet/on-line addresses provided, including but not limited to Internet Protocol ("IP") addresses, e-mail addresses and web addresses.

8.5 **Intellectual Property Rights in the Services.** Title and intellectual property rights to the Services are owned by Comcast, its agents, suppliers or affiliates or their licensors or otherwise by the owners of such material. The copying, redistribution, reselling, bundling or publication of the Services, in whole or in part, without express prior written consent from Comcast or other owner of such material, is prohibited.

ARTICLE 9. CONFIDENTIAL INFORMATION AND PRIVACY

9.1 Disclosure and Use. All Confidential Information shall be kept by the receiving party in strict confidence and shall not be disclosed to any third party without the disclosing party's express written consent. Notwithstanding the foregoing, such information may be disclosed (i) to the receiving party's employees, affiliates, and agents who have a need to know for the purpose of performing this Agreement, using the Services, rendering the Services, and marketing related products and services (provided that in all cases the receiving party shall take appropriate measures prior to disclosure to its employees, affiliates, and agents to assure against unauthorized use or disclosure); or (ii) as otherwise authorized by this Agreement. Each party agrees to treat all Confidential Information of the other in the same manner as it treats its own proprietary information, but in no case using a degree of care less than a reasonable degree of care.

9.2 Exceptions. Notwithstanding the foregoing, each party's confidentiality obligations hereunder shall not apply to information that: (i) is already known to the receiving party without a pre-existing restriction as to disclosure; (ii) is or becomes publicly available without fault of the receiving party; (iii) is rightfully obtained by the receiving party from a third party without restriction as to disclosure, or is approved for release by written authorization of the disclosing party; (iv) is developed independently by the receiving party without use of the disclosing party's Confidential Information; or (v) is required to be disclosed by law or regulation.

9.3 Remedies. Notwithstanding any other Article of this Agreement, the non-breaching party shall be entitled to seek equitable relief to protect its interests pursuant to this Article 9, including, but not limited to, injunctive relief.

9.4 Monitoring. Comcast shall have no obligation to monitor postings or transmissions made in connection with the Services, however, Customer acknowledges and agrees that Comcast and its agents shall have the right to monitor any such postings and transmissions from time to time and to use and disclose them in accordance with this Agreement, and as otherwise required by law or government request. Comcast reserves the right to refuse to upload, post, publish, transmit or store any information or materials, in whole or in part, that, in Comcast's sole discretion, is unacceptable, undesirable or in violation of this Agreement.

ARTICLE 9A: CUSTOMER PRIVACY POLICIES

In addition to the provisions of Article 9, the privacy policy below applies to Comcast's handling of Customer confidential information. In the event of a conflict between the provisions of Article 9 and any provision of the privacy policy below, the applicable provision of the privacy policy shall prevail in the resolution of the conflict.

A copy of Comcast's privacy policy is available at <http://www.comcast.com/customerprivacy/>.

9A.2 Privacy Note Regarding Information Provided to Third Parties: Comcast is not responsible for any information

provided by Customer to third parties, and this information is not subject to the privacy provisions of this Agreement or the privacy policies. Customer assumes all privacy and other risks associated with providing personally identifiable information to third parties via the Services.

ARTICLE 10. PROHIBITED USES

10.1 Resale. Customer may not sell, resell, sublicense, assign, license, sublicense, share, provide, or otherwise utilize in conjunction with a third party (including, without limitation, in any joint venture or as part of any outsourcing activity) the Services or any component thereof.

10.2 Use Policies. Customer agrees to ensure that all uses of the Comcast Equipment and/or the Services installed at its premises ("use") are legal and appropriate. Specifically, Customer agrees to ensure that all uses by Customer or by any other person ("user"), whether authorized by Customer or not, comply with all applicable laws, regulations, and written and electronic instructions for use. Comcast reserves the right to act immediately and without notice to terminate or suspend the Services and/or to remove from the Services any information transmitted by or to Customer or users, if Comcast (i) determines that such use or information does not conform with the requirements set forth in this Agreement, (ii) determines that such use or information interferes with Comcast's ability to provide the Services to Customer or others, or (iii) reasonably believes that such use or information may violate any laws, regulations, or written and electronic instructions for use. Furthermore, the Services shall be subject to one or more Acceptable Use Policies ("AUP") that may limit use. The AUP and other policies concerning the Services are posted on Comcast's web site(s) at www.comcast.com/business or on another web site about which Customer has been notified, and are incorporated to this Agreement by reference. Comcast may update the use policies from time to time, and such updates shall be deemed effective seven (7) days after the update is posted online, with or without actual notice to Customer. Accordingly, Customer should check the above web addresses (or the applicable successor URL.s) on a regular basis to ensure that its activities conform to the most current version of the use policies. Comcast's action or inaction in enforcing acceptable use shall not constitute review or approval of Customer's or any other users' use or information.

10.3 Violation. Any breach of this Article 10 shall be deemed a material breach of this Agreement. In the event of such material breach, Comcast shall have the right to restrict, suspend, or terminate immediately any or all Service Orders, without liability on the part of Comcast, and then to notify Customer of the action that Comcast has taken and the reason for such action, in addition to any and all other rights and remedies under this Agreement.

ARTICLE 11. SERVICE CREDITS

11.1 Credit Allowances. Comcast will allow a pro-rata credit against future payment of the net monthly recurring charge (exclusive of nonrecurring charges, other one-time charges, per call charges, measured charges, regulatory fees and

surcharges, taxes, and other governmental and quasi-governmental fees) for a Service Interruption, except as specified below or as may otherwise be legally required ("Credit"). "Service Interruption" shall mean a break in transmission that renders the Service unusable for transmission and reception. For the purposes of calculating a Credit allowance, the Service Interruption period begins when the Customer reports an interruption in the portion of the Service to Comcast, a trouble ticket is opened, and the Service is released to Comcast for testing and repair. The Service Interruption ends when the affected portion of the Service has been restored and Comcast has closed the trouble ticket. Service Interruption time does not include interruptions of less than thirty (30) minutes' duration. Credits will be as follows:

| <u>Length of Service Interruption</u> | <u>Amount of Credit</u> |
|--|-------------------------|
| Less than 30 minutes | None |
| At least 30 minutes but less than 3 hours | 1/8 of a day |
| At least 3 hours but less than 6 hours | 1/4 of a day |
| At least 6 hours but less than 9 hours | 2/5 of a day |
| At least 9 hours but less than 12 hours | 1/2 of a day |
| At least 12 hours but less than 15 hours | 4/5 of a day |
| At least 15 hours and up to and including 24 hours | 1 full day |

The total number of credit allowances per month shall not exceed the total monthly recurring charge for the affected Service. Credit allowances will not be made for less than \$1.00, unless required under applicable law. Service Interruptions will not be aggregated for purposes of determining credit allowances. To qualify, Customer must request the Credit from Comcast within 30 days of the interruption.

11.2 Exceptions to Credit Allowances. A Service Interruption shall not qualify for the Credits set forth herein if such Service Interruption is related to, associated with, or caused by: scheduled maintenance events; Customer actions or inactions; Customer-provided power or equipment; any third party not contracted through Comcast, including, without limitation, Customer's users, third-party network providers; any power, equipment or services provided by third parties; or an event of force majeure as defined in this Agreement, unless otherwise provided under applicable law. The remedies set forth in this Article 11 shall be Customer's sole and exclusive remedy for any Service Interruption in the Services, outage, unavailability, delay or other degradation in the Services or any Comcast failure to meet the objectives of the Services.

ARTICLE 12. INSURANCE

12.1 Comcast shall maintain during the Initial Term or any Renewal Term commercial general liability insurance that covers its liability and obligations hereunder including property damage and personal injury.

12.2 The liability limits under these policies shall be, at a minimum, one million (\$1,000,000) dollars per occurrence, with a combined single limit for bodily injury and property damage liability.

ARTICLE 13. MISCELLANEOUS TERMS

13.1 Force Majeure. Neither party shall be liable to the other party for any delay, failure in performance, loss, or damage to the extent caused by force majeure conditions such as acts of God, fire, explosion, power blackout, cable cut, acts of regulatory or governmental agencies, unavailability of right-of-way, unavailability of services or materials upon which the Services rely, or other causes beyond the party's reasonable control, except that Customer's obligation to pay for Services provided shall not be excused. Changes in economic, business or competitive condition shall not be considered force majeure events.

13.2 Assignment and Transfer. Neither Party shall assign any right, obligation or duty, in whole or in part, nor of any other interest hereunder, without the prior written consent of the other Party, which shall not be unreasonably withheld. The foregoing notwithstanding, Comcast may assign this Agreement to any affiliate, related entity, or successor in interest without Customer's consent. In addition, Comcast may partially assign its rights and obligations hereunder to any party that acquires from Comcast all or substantially all of the assets of a cable franchise(s) in which the Services is deployed to Customer. All obligations and duties of either Party under this Agreement shall be binding on all successors in interest and assigns of such Party.

13.3 Export Law and Regulation. Customer acknowledges that any products, software, and technical information (including, but not limited to, services and training) provided pursuant to the Agreement may be subject to U.S. export laws and regulations, and any foreign use or transfer of such products, software, and technical information must be authorized under those regulations. Customer agrees that it will not use, distribute, transfer, or transmit the products, software, or technical information (even if incorporated into other products) except in compliance with U.S. export regulations. If requested by Comcast, Customer also agrees to sign written assurances and other export-related documents as may be required for Comcast to comply with U.S. export regulations.

13.4 Notices. Except as otherwise provided in this Agreement, any notices or other communications contemplated or required under this Agreement, in order to be valid, shall be in writing and shall be given via personal delivery, overnight courier, or via U.S. Certified Mail, Return Receipt Requested. Notices to Customer shall be sent to the Customer billing address; notices to Comcast shall be sent to 500 South Gravers Road, Plymouth Meeting, PA 19462, Attn: Director of Business Customer Operations, with a copy to: Comcast Cable Communications Management, LLC, 1500 Market Street, Philadelphia, PA 19102, Attn: Senior Vice President & General Counsel. All such notices shall be deemed given and effective on the day when delivered by overnight delivery service or certified mail.

13.5 Entire Understanding. The Agreement constitutes the entire understanding of the parties related to the subject matter hereof. The Agreement supersedes all prior agreements, proposals, representations, statements, or understandings, whether written or oral, concerning the Services or the parties' rights or obligations relating to the Services. Any prior

representations, promises, inducements, or statements of intent regarding the Services that are not expressly provided for in this Agreement are of no effect. Terms or conditions contained in any purchase order, or restrictive endorsements or other statements on any form of payment, shall be void and of no force or effect. Only specifically authorized representatives of Comcast may make modifications to this Agreement or this Agreement's form. No modification to the form or this Agreement made by a representative of Comcast who has not been specifically authorized to make such modifications shall be binding upon Comcast. No subsequent agreement among the parties concerning the Services shall be effective or binding unless it is executed in writing by authorized representatives of both parties.

13.6 Tariffs. Notwithstanding anything to the contrary in the Agreement, Comcast may elect or be required to file tariffs with regulatory agencies for certain Services. In such event, the terms set forth in the Agreement may, under applicable law, be superseded by the terms and conditions of the Tariffs. Without limiting the generality of the foregoing, in the event of any inconsistency with respect to rates, the rates and other terms set forth in the applicable Sales Order shall be treated as individual case based arrangements to the maximum extent permitted by law, and Comcast shall take such steps as are required by law to make the rates and other terms enforceable. If Comcast voluntarily or involuntarily cancels or withdraws a Tariff under which a Service is provided to Customer, the Service will thereafter be provided pursuant to the Agreement and the terms and conditions contained in the Tariff immediately prior to its cancellation or withdrawal. In the event that Comcast is required by a governmental authority to modify a Tariff under which Service is provided to Customer in a manner that is material and adverse to either party, the affected party may terminate the applicable Sales Order upon a minimum thirty (30) days' prior written notice to the other party, without further liability.

13.7 Construction. In the event that any portion of this Agreement is held to be invalid or unenforceable, the parties shall replace the invalid or unenforceable portion with another provision that, as nearly as possible, reflects the original intention of the parties, and the remainder of this Agreement shall remain in full force and effect.

13.8 Survival. The rights and obligations of either party that by their nature would continue beyond the expiration or termination of this Agreement or any Service Order, including without limitation representations and warranties, indemnifications, and limitations of liability, shall survive termination or expiration of this Agreement or any Service Order.

13.9 Choice of Law. The domestic law of the state in which the Services are provided shall govern the construction, interpretation, and performance of this Agreement, except to the extent superseded by federal law.

13.10 No Third Party Beneficiaries. This Agreement does not expressly or implicitly provide any third party (including

users) with any remedy, claim, liability, reimbursement, cause of action, or other right or privilege.

13.11 No Waiver. No failure by either party to enforce any rights hereunder shall constitute a waiver of such right(s).

13.12 Independent Contractors. The Parties to this Agreement are independent contractors. Neither Party is an agent, representative, or partner of the other Party. Neither Party shall have any right, power, or authority to enter into any agreement for, or on behalf of, or incur any obligation or liability of, or to otherwise bind, the other Party. This Agreement shall not be interpreted or construed to create an association, agency, joint venture, or partnership between the Parties or to impose any liability attributable to such a relationship upon either Party.

13.13 Article Headings. The article headings used herein are for reference only and shall not limit or control any term or provision of this Agreement or the interpretation or construction thereof.

----- ADDITIONAL TERMS APPLICABLE TO INTERNET SERVICES

In addition to Articles 1 through 13 above, Articles 14 and 15A are specifically applicable to Internet Service:

ARTICLE 14: WEB HOSTING. If Customer submits a Service Order(s) for web hosting services, the following terms shall also apply:

14.1 Authorization. By using the Services to publish, transmit or distribute material or content, Customer (i) warrants that the material or content complies with the provisions of the Agreement, (ii) authorizes Comcast, its agents and affiliates to reproduce, publish, distribute, and display such content worldwide and (iii) warrants that Customer has the right to provide such authorization. Customer acknowledges that material posted or transmitted using the Services may be copied, republished or distributed by third parties, and agrees to indemnify, defend and hold harmless Comcast, its agents and affiliates for any harm resulting from such actions.

14.2 Web Site Content. If applicable, Comcast will host Customer's web site in a data center in accordance with Comcast's then-current published specifications, including, without limitation, storage levels ("Customer Web Site"). Ownership of all graphics, text, or other information or content materials supplied or furnished by Customer for incorporation into or delivery through a Customer Web Site shall remain with Customer (or the party that supplied such materials to Customer). Ownership of any software developed or modified by Comcast and all graphics, text, or other information or content materials supplied or furnished by Comcast for incorporation into a Customer Web Site shall remain with Comcast (or the party that supplied such materials to Comcast). Customer agrees that Comcast has no proprietary, financial, or other interest in Customer's goods or services that may be described in or offered through a Customer Web Site, and that Customer is solely responsible for content quality, performance,

and all other aspects of its goods or services and the information or other content contained in or provided through a Customer Web Site. Customer assumes all responsibility for use by others of the Customer Web Site (including commercial transactions, whether completed or not).

14.3 Web Site Backup and Restoration. Customer acknowledges and agrees that (i) it is responsible for developing and maintaining procedures (apart from the Services) to protect the Customer content, including, without limitation, making appropriate backup copies of the Customer content as may be necessary for reconstruction of any data, files, informational materials, or electronic messages; and (ii) Comcast is not responsible for backup and restoration of Customer Content.

ARTICLE 15. DOMAIN NAME REGISTRATION. If Customer submits a Service Order(s) for domain name registration services, the following terms shall also apply:

15.1 Registration. At the request of Customer, Comcast will use commercially reasonable efforts to facilitate the registration of the Customer internet domain name ("Customer Domain Name") with a domain name registration service of Comcast's choosing, but only to the extent that Customer provides Comcast with all necessary information relevant to such registration. The domain name registration service will invoice Customer directly for all applicable registration fees, maintenance fees, and other applicable fees related thereto. Customer hereby acknowledges that Customer is entirely responsible for the payment of any and all such fees. Comcast does not represent that the Customer Domain Name will be available on an initial or ongoing basis. Further, Customer acknowledges that Customer, not Comcast, has ownership, control, and use of the Customer Domain Name. Further, Customer hereby agrees now and forever to release and to hold harmless Comcast, its employees, affiliates, agents, and contractors, from any and all losses, damages, rights, claims, and actions with respect to, or in any way arising from, the domain name registration service's removal of allocation or support for the Customer Domain Name. Should Customer require modification of the Customer Domain Name or additional related services, additional charges may apply from the relevant registration service and from Comcast for setup of the modification or addition.

15.2 Sub-Domain Name. Should Customer be unable to register a unique domain name, Comcast may grant upon Customer request and only for the term of the Service Order providing for such service, the limited, personal, and non-transferable right to specify and append a sub-domain name to Comcast's prescribed domain name, for the sole purpose of uniquely identifying Customer's e-mail address. Comcast does not represent that Customer's selected sub-domain name will be available. Customer receives no right to Comcast's domain name other than as specifically stated in this Article 15. Upon the termination of the applicable Service Order, Customer shall surrender all rights, privileges and interest in and to the sub-domain name and Comcast's domain name.

ARTICLE 15A: STATE-SPECIFIC PROVISIONS APPLICABLE TO INTERNET SERVICE

15A.1 Service Interruption.

(1) **Montgomery County, MD Customers.** Under its franchise with Montgomery County, MD, Comcast has the following rebate policy: In the event of a Internet Service Interruption (loss of cable modem service) Comcast shall repair the Service Interruption as soon as possible. This obligation is satisfied if Comcast offers Customer the next available repair appointment within the 24-hour period following the Service Interruption, or at Customer's request, to a mutually convenient later time for the repair call, and successfully repairs the Service Interruption during the agreed upon appointment. If the Service Interruption is not repaired at the time of the scheduled appointment, Customer will receive a prorated credit for each 24-hour period, or segment thereof, that the Service Interruption continues beyond the scheduled repair call. Customer may contact Comcast at (301) 424-4400.

ADDITIONAL TERMS APPLICABLE TO VOICE SERVICES

In addition to provisions 1 THROUGH 13 above, the following Articles 16 through 20 are specifically applicable to Voice Services.

ARTICLE 16: VOICE USAGE BILLING

16.1 Comcast calling plans billed as a flat monthly fee may not include certain call types. These excluded call types will instead be charged on a per-call basis (e.g., operator services) or a measured basis (e.g., international calls). Generally, for billing purposes, a measured call begins when the call is answered by the called party or an automated answering device (such as an answering machine or fax machine); it ends when one of the parties disconnects the call.

16.2 Measured calls are recorded in whole minutes, with partial minutes rounded up to the next whole minute. If the computed charge for a measured call or for taxes or surcharges includes a fraction of a cent, the fraction is rounded up to the nearest whole cent.

16.3 Notwithstanding anything to the contrary in this Agreement, some providers (e.g., those involved in calls to foreign countries) charge for a completed call when the called party's line rings or after a certain number of rings. If such a provider charges Comcast or its Associated Parties, as if such a call were answered by the called party, Comcast will charge Customer for a completed call. Voice pricing lists and fees can be found at www.comcast.com/corporate/shop/internationalrates.ashx.

ARTICLE 17: USE POLICY

17.1 Additional Use Restrictions. Voice may only be used at Service Location(s) where Voice is installed by Comcast, Customer understands and acknowledges that if Customer attempts to install or use the Comcast Equipment or Voice at another location, Voice, including but not limited to 911/E911, may fail to function or may function improperly. It

will be considered a material violation of this Agreement if Customer moves Voice to another location without first notifying Comcast. Customer expressly agrees not to use Voice for auto-dialing, continuous or extensive call forwarding, telemarketing, fax broadcasting or fax blasting, or for any other use that results in excessive usage inconsistent with standard commercial calling patterns. If Comcast determines, in its sole discretion, that Customer's use of Voice is excessive or in violation of this Agreement, Comcast reserves the right, among other things, to terminate or modify Voice immediately and without notice.

ARTICLE 17A: SERVICE LIMITATION

17A.1 Disruption of Service. Customer acknowledges and understands that Voice Service will not be available for use under certain circumstances, including without limitation when the network or facilities are not operating or if normal electrical power to the MTA is interrupted and the MTA does not have a functioning backup. Customer also understands and acknowledges that the performance of the battery backup is not guaranteed. If the battery backup does not provide power, Voice will not function until normal power is restored. Customer also understands that certain online features of Voice, where such features are available, will not be available under certain circumstances, including but not limited to the interruption of the Internet connection.

ARTICLE 18: LIMITATIONS OF 911/E911

18.1 Limitations. Voice includes a 911/ Enhanced 911 function ("911/E911") that may differ from the 911 or Enhanced 911 function furnished by other providers. As such, it may have certain limitations. CUSTOMER ACKNOWLEDGES AND ACCEPTS ANY LIMITATIONS OF 911/E911.

18.2 Correct Address. In order for Customer's 911/E911 calls to be properly directed to emergency services, Comcast must have Customer's correct Service Location address. If Customer moves Voice to a different Service Location without Comcast's approval, 911/E911 calls may be directed to the wrong emergency authority, may transmit the wrong Service Location address, and/or Voice (including 911/E911) may fail altogether. Therefore, Customer must contact Comcast at least five (5) days before moving Voice to a new Service Location. All changes in Service Location require Comcast's prior approval.

18.3 Service Interruptions. Customer acknowledges and understands that Voice uses the electrical power in Customer's Service Location. If there is an electrical power outage, 911 calling may be interrupted if the battery backup in the associated MTA is not installed, fails, or is exhausted after several hours. Furthermore, calls, including calls to 911/E911, may not be completed if Customer exceeds its Service and equipment configuration calling capacity or if there is a problem with network facilities, including network congestion, network/equipment/power failure, or another technical problem.

18.4 Suspension and Termination by Comcast. Customer understands and acknowledges that Voice, including

911/E911, as well as all online features of Voice, where Comcast make these features available, will be disabled if Customer's account is suspended or terminated.

18.5 LIMITATION OF LIABILITY AND INDEMNIFICATION. CUSTOMER ACKNOWLEDGES AND AGREES THAT NEITHER COMCAST NOR ITS ASSOCIATED PARTIES WILL BE LIABLE FOR ANY SERVICE OUTAGE, INABILITY TO DIAL 911 USING THE SERVICES, AND/OR INABILITY TO ACCESS EMERGENCY SERVICE PERSONNEL. CUSTOMER AGREES TO DEFEND, INDEMNIFY, AND HOLD HARMLESS COMCAST AND ITS ASSOCIATED PARTIES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, FINES, PENALTIES, COSTS, AND EXPENSES (INCLUDING BUT NOT LIMITED TO REASONABLE ATTORNEY FEES) BY, OR ON BEHALF OF, CUSTOMER OR ANY THIRD PARTY OR USER OF THE SERVICES RELATING TO THE FAILURE OR OUTAGE OF THE SERVICES, INCLUDING THOSE RELATED TO 911/E911.

ARTICLE 19: VOICE EQUIPMENT REQUIREMENTS

19.1 MTA. To use Voice, Customer will need a multimedia terminal adapter ("MTA"). Customer can lease an MTA from Comcast, in which case it will be Comcast Equipment. Or, in some areas, Comcast may permit Customer to use Voice with an MTA that Customer has purchased, in which case the MTA will be Customer Equipment. Customer agrees to keep the MTA plugged into a working electrical power outlet at all times.

19.2 Incompatible Equipment and Services. Customer acknowledges and understands Voice may not support or be compatible with:

- (a) Non-recommended configurations including but not limited to MTAs not currently certified by Comcast as compatible with Voice;
- (b) Certain non-voice communications equipment, including certain makes or models of alarm and security systems, certain medical monitoring devices, certain fax machines, and certain "dial-up" modems;
- (c) Rotary-dial phone handsets, pulse-dial phone handsets, and models of other voice-related communications equipment such as private branch exchange (PBX) equipment, answering machines, and traditional Caller ID units;
- (d) Casual/dial around (10-10) calling; 976, 900, 700, or 500 number calling;
- (e) 311, 511, or other x11 calling (other than 411, 611, 711, and 911); and
- (f) Other call types not expressly set forth in Comcast's product literature (e.g., outbound shore-to-ship calling).

IF ANY OF THESE CONDITIONS PERTAIN, THEN THE AGGREGATE LIABILITY OF COMCAST AND ITS ASSOCIATED PARTIES SHALL NOT EXCEED THE MONTHLY CHARGES, IF ANY, WHICH CUSTOMER HAS ACTUALLY PAID TO COMCAST TO LIST, PUBLISH, NOT LIST, OR NOT PUBLISH THE INFORMATION FOR THE AFFECTED PERIOD. CUSTOMER SHALL HOLD HARMLESS COMCAST AND ITS ASSOCIATED PARTIES AGAINST ANY AND ALL CLAIMS FOR DAMAGES CAUSED OR CLAIMED TO HAVE BEEN CAUSED, DIRECTLY OR INDIRECTLY, BY THE ERRORS AND OMISSIONS IN REFERENCED ABOVE. FURTHERMORE, IF COMCAST MAKES AVAILABLE DIRECTORY ADVERTISING SERVICES, NEITHER COMCAST NOR ANY OF ITS ASSOCIATED PARTIES WILL BE LIABLE FOR ANY ACTS, ERRORS, OR OMISSIONS RELATED TO SUCH DIRECTORY ADVERTISING.
