Re: Diamond Springs and El Dorado Community Advisory Committee

Dear Supervisor Santiago,

I write to bring to your attention an irregular situation concerning the Diamond Springs and El Dorado Community Advisory Committee.

In the Board of Supervisors Resolution (attached) establishing the Diamond Springs and El Dorado Community Advisory Committee (DSED-CAC), adopted October 20, it clearly states in Section 3, Membership, that the Committee shall be comprised of seven members, (Board Attachment included), all of whom "shall reside in the Diamond Springs and El Dorado Community Region."

Currently one person appointed to the DSED-CAC does *not* reside within the boundaries of the Diamond Springs and El Dorado Community Region: Todd Cunningham. (DSED-CAC official roster attached). Mr. Cunningham lives on Founders Lane, Placerville.

On the other hand, the only applicant who does live within that Community Region who was not yet appointed to the Committee is me.

I tried to bring this matter to the Board's attention in mid-November but my letter to the Board Secretary was intercepted by Supervisor Jack Sweeney, who took it upon himself to respond (letter attached) with contumacious disregard for the irregular situation which he created with conscious disregard for an Adopted Board Resolution.

Since the Diamond Springs and El Dorado Community Advisory Committee has its organizational meeting January 21st, and it is important that the Committee not take *invalid* votes due to a non-eligible "member" participating, I request that you agendize at the earliest opportunity the vacating of the ineligible member and the filling of that position with a volunteer who actually lives within the boundaries of the Diamond Springs and El Dorado Community Region.

I would be pleased to serve as that appointment.

Thank you for your attention to this matter.

Sincerely,

RE: Diamond Springs/El Dorado Community Advisory Committee

Mr. Boylan,

Your communication with the Board Clerk has come to my attention regarding the Diamond Springs/El Dorado Community Advisory Committee appointments. Since I made the motion that was approved unanimously by the Board I felt it was appropriate for me to respond to your concerns.

First, at the time of the Board's appointments to this committee, you were running for an El Dorado Irrigation Board of Directors seat and no elected officials were to be selected for this committee.

Second, Todd Cunningham, although he does not reside in the district, is the Diamond Springs Fire Chief and it is important that the regions fire district be represented on this Committee.

Thank you for contacting the Board of Supervisors Office. If you have any further concerns, please do not hesitate to contact us.
