

5 July 2016

REQUEST FOR MALCOLM DIXON ROAD CLOSURE

We request authorization from the El Dorado County Transportation Department to close Malcolm Dixon Road from 0700 hours, Monday, 25 July 2016 until 1900 hours, Friday, 29 July 2016 in order to install the improvements detailed on the Wilson Estates improvement plans. The closure would be from 100 feet east of Aqua Vista Ct. to 50 feet west of the driveway to 1401 Malcolm Dixon Road. The closure would not block access to any property on Malcolm Dixon Road. We will work from 0700 to 1900 each day, in order to finish the work as quickly as possible. As soon as the construction is complete we will open the road. In my professional opinion, there is no other practical way to accomplish this installation.

Sincerely,

A handwritten signature in black ink, appearing to read "Jim Losch".
