El Dorado County Board of Supervisors
330 Fair Lane
Placerville, CA 95667

Dear Board Members:

Subject: Resolutions Changing the Names of County Roads

Recommendation: Introduce the attached Resolutions changing the names of County roads Weststar Lane to Via Treviso and a portion of Life Way to Morel Way.

Reason for Recommendation: The current owner of the lots on Weststar Lane is requesting a name change to Via Treviso that compliments the marketing name for the project, which is “Treviso at Ridgeview”. Currently, there are no affected homeowners.

The current owner of the majority of the lots on Life Way in the Long View Estates Subdivision is requesting a name change to Morel Way. The street name of Morel Way fits better with the other road names in the subdivision. Additionally, the name change will differentiate those lots with the lots in the Christian Life Manor subdivision that are also on Life Way. Each subdivision gains access from Missouri Flat Road from a separate entrance. The applicant states there are currently two new homeowners who are aware of the name change.

Fiscal Impact: None

Action to be Taken Following Approval: Certificates of Corrections shall be submitted to the County Surveyor for recording, correcting the street names on the affected subdivision maps. The owners of the projects shall install the appropriate street signs.

Sincerely,

Daniel S. Russell
County Surveyor
