Sam,  
The length from Salmon Falls to the end of the Cul-de-sac is 2338 lf. The length from the intersection of A and C Drive to the end of Phase I improvements (around lot 3) is 568 lf.  
Let me know if you need anything else.

**Subject:** La Canada Phase I Road

Olga and Dave:

Would you please identify the length of the La Canada Phase I internal roads as measured from Salmon Falls road to the end of the cul de sac and the length of the road section that goes south to point B the end of Phase I?

Thanks.
