Today the Board approved on consent item 26 which is the consultant contract for Nichols Consulting to work on the County Trash Amendment for storm water quality.

I prepared the Legistar Text and inadvertently informed you that the funding was listed as 50 percent General Fund and 50 percent Public Utility Franchise Fees.

The correct funding source is the Garbage Franchise Fees.

I apologize for any confusion. The funding was always intended to be from the Garbage Franchise Fees established under Work Order #99260 within CDS.

This information is intended to clarify the funding and has no effect on the contract.

If you have any questions, let me know.
