Deputy Director Action

On the basis of the information and analysis in this Request for Approval and the findings set out herein, I hereby conditionally approve the payments for the Beverage Container Recycling City/County Payment Program for FY 2020-21 as listed in Table 1. Each proposed applicant payment is subject to two conditions:

1. The recommended jurisdictions must pay all outstanding debts due to CalRecycle, or bring current any outstanding payments owed to CalRecycle, within 60 days of the date of the award.
2. Compliance with the Beverage Container Recycling City/County Payment Program Guidelines, Fiscal Year 2020–21, which included a Funding Request due date of January 20, 2021.

Background and Findings

Statutory Authority

Public Resources Code section 14581(a)(3)(A) of the California Beverage Container Recycling and Litter Reduction Act, authorizes CalRecycle to expend \$10,500,000 annually for payments to cities and counties for beverage container recycling and litter clean-up activities. Payments are calculated on a per capita basis, with a minimum payment of \$5,000 to cities and \$10,000 to counties.

Program Background

The program provides annual funding to California cities and counties for beverage container recycling projects that assist in achieving an 80 percent recycling rate for the state. Incorporated areas of a city, city and county, or the unincorporated area of a county as reported by the California Department of Finance's annual population report (Report E-1 Population Estimates for Cities, Counties, and the State Population Estimates with Annual Percent Change – January 1, 2019 and 2020) are eligible to receive funding. Jurisdictions receive funding on a per capita basis, or a minimum of \$5,000 for cities and \$10,000 for counties, whichever is greater. All funds shall be available for expenditure until March 1, 2023 and are subject to reporting requirements.

Criteria and Process

The Notice of Funds Available was posted on the CalRecycle web site and emailed to all jurisdictions on October 19, 2020. The deadline to submit the Funding Request was January 20, 2021.

There are 539 jurisdictions statewide. CalRecycle received 400 eligible Funding Requests, which included 14 regional Funding Requests comprising of 39 participating jurisdictions. Of the remaining 100 jurisdictions, 3 did not submit completed Funding Requests, and 97 did not submit a Funding Request and therefore were disqualified. Any remaining funds will revert back to the California Beverage Container Recycling Fund. All funds shall be available for expenditure until March 1, 2023 and are subject to reporting requirements.

The types of projects recommended for funding include implementation of new or existing curbside or neighborhood drop-off beverage container recycling programs, the purchase and/or installation of recycling bins for collection of California Refund Value (CRV) materials, public education and outreach promoting beverage container recycling, cooperative regional efforts among two or more cities and counties, purchase and installation of water refill stations, litter reduction and cleanup where the waste stream includes beverage containers, and in some instances, the expansion of current recycling collection activities in underserved areas and locations.
