Multnomah County Expands Tax Breaks for Affordable Housing Development in Portland

By **Lucas Wright**
Published on February 27, 2024

In a pivotal decision poised to shape Portland's skyline and living options, the Multnomah County Board of Commissioners has extended a crucial incentive program to encourage developers to include affordable housing in their projects.

In a split 3-2 vote last Thursday, the commissioners agreed to offer tax exemptions to

those willing to commit a percentage of new apartment buildings to lower-income residents.

This move amplifies a city policy already in place, casting a wider net for development areas that can benefit from it.

The revised Multiple-Unit Limited Tax Exemption (MULTE) program, which previously favored projects within Portland's Central City, now promises full property tax exemptions for residential units in this high-cost area and extends a partial tax exemption to affordable units in other neighborhoods.

As reported by **DJC Oregon**, Portland Housing Bureau development incentives manager Dory Hellyer clarified that developers must hold units at 60 percent of the area median income (AMI) for 99 years to qualify for these benefits.

Under the conditions of the MULTE expansion, which ties into Portland's inclusionary housing policy, new apartment developers must either reserve 20 percent of units for households earning up to 80 percent of the AMI or 10 percent for those at 60 percent of the AMI, as outlined in an article by **OPB**. For a family of four, these

figures translate to maximum yearly incomes of approximately \$90,000 and \$60,000, respectively.

While the policy expansion has its critics, the county board's recent action underscores Portland's ongoing struggle with housing affordability. According to a report by **Oregon Live**, the two opposing commissioners expressed concerns regarding the absence of caps on the tax breaks, potentially leaving the program's financial impact on the county's budget unchecked.

Changes must be submitted to PHB using the MULTE Approved Project Change Request form. PHB will evaluate the change(s) to determine whether or not the Vested Project and the applicable affordability requirements will still be substantially the same if the changes are accepted. Changes must be submitted to PHB using the MULTE Approved Project Change Request form. PHB will evaluate the change(s) to determine whether or not the Building and the applicable affordability requirements will still be substantially the same if the changes are accepted. Should any changes be approved, it may be necessary for an Amendment Agreement to be signed and recorded to amend any provisions outlined in the MULTE Agreement or for an amended finalized application and Notice.

- (2) **Significant changes.** If, after a Building or a Restricted Homeownership Unit receives Final Approval and prior to the completion of construction, the Applicant needs to make significant changes to the submitted application which would require changes to the number, percentage, or distribution of the Restricted Rental or Homeownership Units to occur after Final Approval, the building permit timeline may be affected, and the Applicant may be required to submit a new MULTE application for consideration.

PHB publishes the Median Family Income and Rent Chart annually. Maximum rent is based on the number of Bedrooms and the restricted MFI level. Details and instructions on how to apply the MFI and Rent Chart can be found in the instructions on the Rent & Utility Allowance Schedule.
- (b) **Rent & Utility Allowance Schedule.** Prior to lease-up, RAC must approve Owner’s Rent & Utility Allowance Schedule, which must include the following information: Unit Type, unit size, unit location within the Building, and square footage. RAC may require additional information or an updated Rent and Utility Allowance Schedule as part of its review and approval.
- (c) **Utility Allowances.** Maximum rents for Restricted Rental Units are subject to a UA, the total of which must be subtracted from the maximum rent charged to the renter.
- (i) Owner may choose from two methods of calculating the UA for the Restricted Rental Units:

- (I) **Utility Allowance Schedule.** If using this method, the UA must be calculated using the Utility Allowance Schedule each year to determine maximum rent.
- (II) **Energy Consumption Model Analysis.** Applicant may commission an Energy Consumption Model Analysis through an Oregon Housing and Community Service (OHCS) approved Energy Consumption Model Analyst to determine the Utility Allowance based on the specifics of the Building.
 - (ii) To the extent Restricted Rental Unit renters pay their own utilities directly or are billed back for reimbursement of utilities by the Owner, the Owner must deduct that amount from the maximum allowable rent charged to the renter.
 - (iii) No UA is required for utilities that are paid by the Owner and not reimbursed by the renter.
- (d) **Non-optional fees.** Any non-optional fees required by the Owner to live in a Restricted Rental Unit (i.e. parking, meal plans, and amenities) must be deducted from the maximum rent found in the MFI and Rent Chart in order to determine the rent of a Restricted Rental Unit.

Example: a one-Person household earning 80 percent MFI occupies a studio Restricted Rental Unit. The maximum monthly rent for that unit, based on the 2024 MFI and Rent Chart, is \$1,652 and the UA is \$138. The maximum an Owner could collect from this household is \$1,514 = (\$1,652 - \$138).
- (e) **Rent increases.** Owner may raise the rent up to the maximum allowed in accordance with Section E.3.(2) of these Rules.
- (3) **Income eligibility.** Income eligibility is based on the restriction level of the Restricted Rental Unit and the MFI and Rent Chart posted on the PHB website annually.
 - (a) **Initial income certification.** Owner must verify renter income prior to move-in by completing and verifying Tenant Income Certification (TIC) form (Appendix C) for each Restricted Rental Unit. Refer to HOU-1.10- Risk Analysis & Compliance Policies & Guidelines for guidance on how to complete the TIC form.
 - (b) **Income sources & documentation.** Before executing a lease agreement, Owner must verify all sources of income for every adult living in a Restricted Rental Unit to determine the household's gross

income utilizing Sections 1 and 2 of Chapter 5 of the HUD Guidance on Determining Income and Calculating Rent. Use of HUD's Enterprise Income Verification (EIV) system is not required.

- (c) **Annual income recertification.** Owner must require that renters complete a TIC form annually. Recertifications may be completed and signed up to 120 days before the recertification date in accordance with the date set in the welcome letter sent out by RAC. Third-party verification and review of source documentation is not required at annual recertification.
- (d) **Incomes rising in place.** Households that initially qualified for a Restricted Rental Unit must be allowed to remain in that unit and not be subject to market rate rents unless their incomes reach or exceed the income limits contained in this policy. A renter's income may increase above the income limit and still have the unit fulfill the Building's MULTE Program requirements, based on the following:
 - (i) Renters in Restricted Rental Units restricted at 60 percent MFI, may have income increase up to 100 percent MFI; or
 - (ii) Renters in Restricted Rental Units restricted at 80 percent MFI, may have income increase up to 120 percent MFI.
- (e) **Over-income renter & Floating.** If a renter's income is above the allowable rising in place income for the Restricted Rental Unit, where Restricted Rental Units are intermixed with Market Rate Units, the Owner must Float the requirements of the Restricted Rental Unit and designate the next available Dwelling Unit that is the same Unit Type and is Reasonably Equivalent, in accordance with Section C.2.(6)(b)(iii) of these Rules as a Restricted Unit. Owner must submit a revised Rent and Utility Allowance Schedule to RAC and receive approval prior to designating the new Restricted Rental Unit. Floating is not allowed in Receiving or Consolidated Buildings. Owner:
 - (i) May raise the rent on the existing renter's unit in accordance with federal, state and local laws;
 - (ii) May revise a lease at the end of its initial term to allow renters to continue living in the unit in accordance with federal, state and local laws; and
 - (iii) May not require renters to submit additional deposits or fees.
 - (iv) **Vacancies.** The number and distribution of Restricted Rental Units must match those specified in the MULTE Agreement. To ensure predictable leasing of Restricted Rental Units, Owner must treat Restricted Rental Units as Floating as defined in Section C, of these

Rules. Prior to Floating a Restricted Rental Unit, the Owner must obtain RAC's written approval to Float the Restricted Rental Unit.

- (4) **Annual reporting and review.** Buildings with Restricted Rental Units are subject to PHB's reporting requirements as set forth in the MULTE Agreement. Owner must annually submit to RAC certain information about Restricted Rental Unit through WCMS on the date specified by RAC.
- (a) **Reporting.** Buildings with Restricted Rental Units are subject to PHB's reporting requirements as set forth in the MULTE Agreement. Owner must annually submit to RAC certain information about Restricted Rental Units through WCMS on the date specified by RAC.
- (b) **Compliance findings.** RAC may test the information reported in WCMS against the terms of the MULTE Agreement and issue written compliance scores for each Building.
- (i) **ACT results.** RAC may send to the Owner, or designated contact on file, an ACT if it identifies violations of the MULTE Agreement or these Rules.
- (ii) **Response time to ACT.** The Owner shall have 30 days to respond to the initial ACT and address any action items. RAC will evaluate responses provided to the ACT findings for accuracy and completion. Should RAC have additional questions or determine that the violations were not addressed, then RAC may send a revised ACT requesting additional follow up prior to providing a finalized compliance score. Should the Owner fail to respond or fail to address the action items notated within the ACT, RAC will finalize the ACT as non-compliant.
- (5) **Non-Compliance or Non-Compliant.**
- (a) **Notice of Non-Compliance.** For any Buildings RAC determines to be Non-Compliant, RAC will send a Notice of Non-Compliance and finalized ACT.
- (b) **Period to cure Non-Compliance.** The Owner shall have 90 days from the date of the Notice of Non-Compliance to cure the violations identified in the Notice of Non-Compliance unless another date is agreed upon or a longer period is required by the applicable MULTE Agreement.
- (c) **Waiver or delay.** A waiver or delay by PHB in enforcing a remedy does not constitute a waiver of the applicable reporting requirements or PHB's right to subsequent enforcement of any remedy.

(6) Inspections.

- (a) Standard inspections.** PHB reserves the right to physically inspect Buildings containing Restricted Rental Units at any time during regular business hours with advance notice. Inspections may also include an audit of MULTE related files such as TICs and other information submitted through WCMS.
- (b) Inspections due to Default, Non-Compliant or Restricted Rental Units in violation.** Any Building that is in Default, is in Non-Compliant status, or has one or more Restricted Rental Units which are in violation of MULTE Program requirements, may be inspected more frequently until the Building either cures its non-compliance issues or is released from its MULTE Program obligations after complete payment of the MULTE Agreement Release Penalty.
- (c) Inspection report.** PHB will send an inspection report to the property management contact on file with findings to be resolved.
- (d) Resolution of findings from inspection.** Findings must be resolved, and evidence of their resolution must be provided to PHB within the 30-day response period. Failure to do so may prompt additional inspections and or the Building being deemed in Default.

(7) Property management changes. Owner must submit updated property management contact information to RAC 30 days prior to the transition or start date of the new property management by completing and submitting a Contact Update Form.

4. Restricted Homeownership Units. Requirements regarding this section can be found in Section G of HOU-3.01- Homebuyer Opportunity Limited Tax Exemption (HOLTE) Program administrative rules.

F. Transfers of Building ownership, property management or Restricted Homeownership Unit ownership.

- 1. Covenants runs with the land.** The MULTE Agreement runs with the land for the length of the Restriction Period and Compliance Period. The Notice runs with the land for the duration of the Exemption Period.
- 2. Non-subordinate.** PHB will not subordinate its MULTE Agreement to other financing.
- 3. Transference of provisions.** Upon sale or other transfer of the Building during the Restriction Period or Compliance Period, the provisions of the MULTE Program must transfer with the property.

4. **Contact Update Form for Buildings with Restricted Rental Units.** Owner must submit updated property management and ownership contact information to RAC 30 days prior to the change of property management company or sale by submitting a complete Contact Update Form.
5. **Assignment and Assumption Agreement.** Any transfer of ownership of Buildings during the Restriction Period or of Buildings with Restricted Rental Units during the Compliance Period requires the Owner to submit to PHB legal documentation about the new entity. An Assignment and Assumption Agreement provided by PHB which must be executed and recorded on title.

G. Enforcement for Buildings with Restricted Rental Units

1. **Default process.** If Owner has not addressed the action items stated in the finalized ACT by the date of expiration in the Notice of Non-Compliance, PHB may issue a Notice of Default and Demand Statement. Owner will have 30 days from the date of the Notice of Default and Demand Statement to cure the non-compliance before PHB pursues legal enforcement, as follows:
 - (1) Meet the requirements necessary to become compliant, to be confirmed by RAC.
 - (2) Pay penalties and fees in accordance with Section H.3 of these Rules.
2. **Legal enforcement.** If the Owner does not cure any Default prior to the expiration of the Notice of Default and Demand Statement or does not comply with any of the requirements of these Administrative Rules or P.C.C 30.01.120, the Director may institute an action before the Code Hearings Officer as set out in Title 22 of City Code.
3. **Settlement authority.**
 - (1) At any time between the issuance of a Notice of Default and Demand Statement and the entry of a Final Order by the Hearings Office, PHB may negotiate and execute a Settlement Agreement with the Owner.
 - (2) Upon request from PHB and Owner, the Hearings Office will enter the Settlement Agreement as a Final Order and direct the Revenue Division to enter any associated lien on the City of Portland Docket of City Liens.

H. Termination of active Exemption

1. **Cause.** If a Building fails to comply with Program requirements at any time during the Restriction Period, Compliance Period, or an otherwise defined Exemption Period term in its MULTE Agreement, the Exemption will be terminated, and penalties assessed as applicable.
2. **Process of termination**

- (1) PHB will send a certified letter to the Owner’s mailing addresses on record with the date of a hearing where the Owner may show cause why the Exemption should not be terminated. The hearing will be scheduled at least 20 days from the mailing of the letter.
 - (2) PHB will also send a letter to the lender on record from recorded documents notifying the lender of its right to attempt to cure or remedy any non-compliance within 30 days.
 - (3) After the hearing, PHB staff will determine whether or not the Owner has presented sufficient cause to not terminate the Exemption.
 - (4) PHB will provide Multnomah County with a list of Exemptions to be terminated prior to the next tax year.
 - (5) The Exemption will be terminated without right of notice or appeal.
3. **Penalties for Buildings with Restricted Rental Units.** Upon issuing a Notice of Default and Demand Statement, PHB may assess and require payment of the following fees:
- (1) **MULTE Agreement Release Penalty calculation.** PHB will calculate the MULTE Agreement Release Penalty as follows:
 - (a) **Repayment Value.** Add all years of received exemptions (Years 1-10) (Repayment Value);
 - (b) **Years of compliance discount.** The Repayment Value will be divided by the 99-year Compliance Period. The result will be multiplied by the years remaining in the Compliance Period; and
 - (c) **Interest.** Interest will be due on the entire discounted Repayment Value amount, assessed at the rate published by the City of Portland Office of Management and Finance at the time of Default, and computed from the date of the Notice of Default.
 - (2) **Administrative fees.** PHB will charge administrative fees for processing the Default, based on the fee schedule in effect upon the date of the Notice of Default and Demand Statement;
 - (3) **Default Notice Fee.** PHB may assess a Default Notice Fee;
 - (4) **Default Daily Penalty.** PHB may assess a Default Daily Penalty; and
 - (5) **Additional fees.** The City may pursue any action available at law, in equity, or otherwise, including but not limited to foreclosure, court injunction, or receivership if the financial penalties are not paid. Failure to pursue penalties by PHB is not a waiver of the MULTE Program requirements or MULTE Agreement.

- (6) **Cross Default.** If a Default causes Owner to be in Default under more than one program administered by the Development Incentives team, PHB may treat multiple defaults as a single default for the purpose of calculating the administrative fees, Default Notice Fees and Default Daily Penalties.
- (7) **Penalties and fees payment and release.** After Owner has paid all penalties and fees PHB will release the Building’s MULTE Agreement.
