Scope of Work – Western Nevada Development District

1. The Basin’s Prosperity Plan will provide a stake holder drive economic development strategy and action plan to diversify and enhance its economy in a manner consistent with environmental law.
2. Develop partnerships to strengthen collaborative efforts regarding economic development between private and public sectors with the involvement of the Tahoe Regional Planning Agency.
3. Identify potential economic clusters, based upon current assets.
4. Prepare an economic development strategy and action plan for the Basin.
