Subj FW: Board of Supervisors NSP item
ect

Thursday
7:26 a.m.

Good Morning Judi,

This is a follow-up to your invitation yesterday to attend today's Board meeting.

Nancy Kerry, the City's Housing Manager, will be able to attend this afternoon's meeting of the Board of Supervisors and provide information to the Board regarding this foreclosure-assistance program available to the County and City. This is one of those opportunities where there are no County or City funds required. The Federal government provides the State Department of Housing and Community Development with funds that are then disbursed to eligible entities. Because of the fine work of Ms. Kerry, we learned of our collective eligibility to receive these funds if we file a joint application. The beneficiaries are people wanting to get into homes and the opportunity is to get people back into foreclosed properties and properties on the tax role. Bringing in over \$1.4 million to the County and City in assistance dollars has to help our economies as well... an added benefit.

As I mentioned to you, I am not available to attend this afternoon's meeting. I am working on agenda items for next week's City Council. I would like to visit a Board meeting in person sometime in the near future just to observe and become more familiar with our County government.

I appreciate the support provided by Supervisor Santiago for the program and for the invitation to attend today's meeting. Allowing foreclosed properties to return to occupancy is a good program and one that will help us to make a difference as government during these difficult financial times. It is also an opportunity for us to work together as local governments to serve our common constituency.

Best wishes to you and Supervisor Santiago. My best wishes also are extended to the Board of Supervisors.

Have a great remainder of the week and weekend!

David

David M. Jinkens, MPA
City Manager
City of South Lake Tahoe, CA

I strongly urge that you vote to reconsider the adoption of a Resolution authorizing submittal of Stabilization Program Application jointly with the City of South Lake Tahoe (City) to the California Community Development for up to a \$1,610,096 grant. Additionally, once reconsideration has that you will support staff's recommendation to apply for this grant as it will revitalize our neighborhoods.
