SUMMARY

ORDINANCE NO. _____

THE BOARD OF SUPERVISORS OF THE COUNTY OF EL DORADO DOES ORDAIN AS FOLLOWS:

The purpose of this ordinance is to incorporate the Lot Line Adjustment section into Title 16 with a cross reference in Title 17 of the El Dorado County Code. The draft Ordinance codifies current requirements under the Subdivision map Act and Chapter 16.53 of the County Code; incorporates General Plan Policy 2.2.5.12 by codifying a 20 percent maximum reduction in minimum lot size requirements under the applicable zone, and extends this to existing substandard lots, and applying the 20 percent reduction to development standards of existing structures; provides a solution to indeterminate lot lines through a Lot Line Agreement process; clarifies instances where improvements ensuring adequate access, utilities, drainage facilities or fire safety can be required to insure public health, safety and welfare; and streamlines the permit process by: omitting common practice of reviewing for the potential of one or more lots being enlarged to allow further subdivision, limiting agencies' considerations to conformance to General Plan policies as well as local zoning and building ordinances and to the relocation of existing utilities, infrastructure, or easements, clarifying process and approval responsibilities as to Department title, and providing clear direction to staff and the public through a new Zoning Ordinance provision.
