Section 1. Payroll Deductions

- A. The Union may have the regular dues, insurance plans, and credit union deductions

of its members deducted from employees' paychecks under procedures prescribed by the County Auditor/Controller. Dues deductions from employees who are in another bargaining unit will be allowed if there is no objection from the exclusive representative of that bargaining unit. The County will rely on certification from the applicable bargaining representative for that purpose. Employees are also entitled to revoke or alter such deductions in the manner provided by State law. Nothing herein shall prohibit the County from placing reasonable limits as to the number of payees or deductions per employee for the purpose of efficient administration of the payroll system.

- B. The County will provide to the Union a list of new employees hired into regular positions represented by the Union on a monthly basis.
- C. The Union shall hold and keep the County harmless against any and all claims, demands, suits, orders, judgments, or other forms of liability that may arise out of or by reason of action taken by the employer under this Article.

Section 2. Communications with Employees

The Union shall be allowed by a County department, in which it represents employees, use of available bulletin board space for communications having to do with official organization business, such as times and places of meetings, provided such use does not interfere with the needs of the department. All materials posted shall 1) not be obscene; 2) shall not malign the County or its representatives; and 3) shall not constitute harassment, discrimination or retaliation based on a legally protected status. The Director of Human Resources or designee reserves the right to remove any material posted in violation of this section if the Union refuses to remove the material on its own.

The designated representative of the Union shall give notice to the Director of Human Resources or designee when contacting departmental employees during the duty period of employees, provided that solicitation for membership or other internal employee organization business shall be conducted only during the non-duty hours of all employees concerned. Non-duty hours are defined as before or after work, lunch periods and rest break periods.

Section 3. Use of County Buildings

County buildings and other facilities shall be made available for use of the Union or its representatives in accordance with such administrative procedures as may be established by the Chief Administrative Officer or appointing authorities concerned.

Section 4. Advance Notice

In cases of emergency, the County shall notify the Union on the first

business day after the emergency of its actions.

Section 5. Release Time

The Union shall notify the Director of Human Resources or designee of the names and departments of employees who are official representatives of the Union. Such representatives shall notify their supervisors in writing on the first business day after a meeting has been scheduled of the dates of excused absences. This advance notice may be waived by the Director of Human Resources or designee in unusual circumstances. Except by agreement with the Director of Human Resources or designee, the number of employees excused for meet and confer sessions shall not exceed four (4) in number.

ARTICLE 5. WAGES AND OTHER RELATED ISSUES

- A. The County has the non-appealable right to increase compensation for classifications covered by this MOU.
- B. Effective the first full pay period following Board of Supervisors adoption of the July 1, 2024 – June 30, 2026 MOU, the County will 1) increase base wages for all classifications by five percent (5.0%); 2) pay each employee who was and continues to be employed in a job classification included in the TC bargaining unit on the date the Board adopts this MOU, one thousand dollars (\$1,000.00) minus applicable payroll deductions as required by law; and 3) in addition to the across-the-board base wage increase, the County will make an additional one-time base wage increase to the following job classifications to address compaction:
 - (1) 1.18% SR. BRIDGE MAINTENANCE WORKER
 - (2) 0.59% BRIDGE MAINTENANCE SUPERVISOR
 - (3) 0.56% TRAFFIC CONTROL MAINTENANCE SUPERVISOR
 - (4) 0.56% HIGHWAY MAINTENANCE SUPERVISOR
 - (5) 0.47% FLEET SERVICES SUPERVISOR
 - (6) 0.32% BUILDING INSPECTION SUPERVISOR

Effective the first full pay period in July, 2025, the County will increase base wages for all classifications in this Unit by two percent (2.0%).

C. Radio Maintenance Technician

1. The Radio Maintenance Technician will receive the five percent (5.0%) and two percent (2.0%) base wage increases as described in this Article, subpart B. The County will then conduct a classification study within sixty (60) days following adoption of the July 1, 2024 – June 30, 2026, MOU to determine the accuracy of the class and job description on the basis of significant changes in the nature, difficulty, or responsibility of the duties performed in the position.
2. If the County's classification study identified in C.1. results in an updated job description for Radio Maintenance Technician, the Parties shall meet and confer regarding the modifications proposed. After completion of meet and confer, the County shall conduct a compensation market study utilizing the updated Radio Maintenance Technician job description. The Parties shall then negotiate as part of the 2026 successor MOU negotiation for an MOU starting July 1, 2026, the terms of any further compensation, made on a prospective basis, to the base wage of the Radio Maintenance Technician based on the market position.
3. If the County's study results in a reclassification of the Radio Maintenance Technician to an existing County classification, no market study shall be triggered as the incumbent(s) base wage will be based on County rules for salary upon reclassification and paid pursuant to that classification's established salary range.

Section 1. Salary Status Upon Reemployment

An employee who resigns in good standing and is reappointed in the same or closely related class within the same classification series within two (2) years of resignation shall be eligible, with the approval of the appointing authority, to be reappointed at any step up to and including the salary step received prior to resignation. If the appointing authority wishes to rehire the employee at a step which exceeds the step paid at the time of resignation, approval shall be required consistent with the Personnel Rules. For purposes of vacation accrual, such an employee shall receive credit for the amount of prior service in effect at the time of resignation and shall be restored to the place on the vacation accrual table in effect at the time of resignation.

Section 2. Salary Step Increases

- A. After completion of thirteen (13) biweekly pay periods of service which meets standards at step 1 of the salary range, and upon recommendation of the appointing authority, the employee shall be advanced to the next higher step. If an employee is not recommended for this early step advancement, or is appointed at a step higher than the first step of the salary range for that classification, the first increase shall be after completion of twenty six (26) full pay periods of service which meets standards.
- B. After the completion of twenty six (26) biweekly pay periods of satisfactory service in each of the salary steps 2 and above, if the employee has completed probation, the employee shall be automatically advanced to the next higher step in the salary range of that classification until the top of the range is reached, unless the appointing authority or designee submits required paperwork at least one (1) full pay period prior to the anniversary date stating the increase will be denied.
- C. All increases shall be effective on the first date of the biweekly pay period following completion of the required period of service, excluding an increase from Step 1 to Step 2 pursuant to subsection A, which shall be effective on the first day of the biweekly pay period following the recommendation of the appointing authority.

ARTICLE 6. DAYS AND HOURS OF WORK, PREMIUMS AND BONUSES

Section 1. Work Schedule

- A. The appointing authority shall fix the hours of work with due regard for the convenience of the public, and the laws of the State and the County, and as the appointing authority determines best serves the County.
- B. The County agrees to assign employees to a regular work schedule. The County may change that schedule at its discretion. The County agrees to give employees a minimum of a five (5) working day advance notice of work schedule changes unless otherwise agreed to by the affected employees. It is agreed that by posting of the "Snow Removal" work schedule shall constitute notice for the entire snow removal season. Employees assigned weekend duty responsibility on the "Snow Removal" schedule will not be entitled to on-call pay.
- C. The Department of Transportation may authorize a 4/10 or a 9/80 work schedule for road, mechanic and related crews with a minimum of five (5) working days advance notice to the affected employees. The Department of Transportation may cancel such work schedule by giving the employees thirty (30) days' notice unless otherwise agreed to in writing by the affected employees. The Department of Transportation agrees to continue employees assigned to a night shift in their standard 5/8 work schedule unless otherwise agreed to in writing by the affected employee(s), or due to circumstances in which the department believes it is reasonable to assign the employee back to day shift during the week.

1. Employees working on a 4/10 work schedule will work for four (4) days at ten (10) hours a day on a weekly basis. For employees working a 4/10 work schedule, each employee's designated FLSA workweek will be the same as the standard 5/8 work schedule and shall begin on Saturday at 12:00 a.m. and end at 11:59 p.m. the following Friday.
 2. Employees working a 9/80 work schedule will work four workdays of nine (9) hours each week, and one (1) workday of eight (8) hours every two weeks with a corresponding day off on that same day in the other week. For employees working the 9/80 work schedule, each employee's designated FLSA 7/day workweek (168 hours in length) shall begin exactly four hours after the start time of the employee's eight hour shift on the day of the week that corresponds with the employee's alternating regular day off. For purposes of overtime compensation as provided for in Section 2 of this Article, employees on a 9/80 work schedule will be provided overtime in excess of 40 hours of "time worked" as defined in Section 2(B) within the FLSA 7-day workweek defined above in this subsection for the 9/80 work schedule.
 3. Sick and vacation pay continues to accrue for employees on an alternative work schedule at the rates and under the conditions outlined in the current MOU. Any approved leave of absence will be recorded as time away at the hours the employee would typically have worked during the period of leave under the assigned work schedule.
 4. Pursuant to Article 9 PAID LEAVES, Section I Holidays, subsection (E) of this MOU, paid holidays for employees on an alternative work schedule are paid as an eight (8) hour day. Therefore, to receive full pay on a paid holiday while on an alternative work schedule, the employee shall use and record one (1) or two (2) hours of accrued leave, depending on the employee's alternative work schedule, on their timecard for that holiday day.
 5. Pursuant to Article 9 PAID LEAVES, Section I Holidays, subsection (C) of this MOU, if a holiday falls on a Sunday, the following Monday shall be observed as the holiday in lieu thereof. If a holiday falls on a Saturday, the preceding Friday shall be observed as the holiday in lieu thereof. Furthermore, pursuant to Article 9, PAID LEAVES, Section I Holidays subsection (C)(1)(a), if an employee works a nonstandard (rather than Monday through Friday) work schedule, their first day off shall be treated as if it was a Saturday and their second day off as if it was a Sunday.
- D. Employees shall be allowed rest periods of fifteen (15) minutes during each four (4) consecutive hours of work. Such rest periods shall be scheduled in accordance with the requirements of the individual department but shall generally occur near the middle of each four (4) hour shift. Rest periods are not accumulative and if not taken during the four (4) hour shift, are lost. Rest periods if not taken are lost and may not be accumulated to extend lunch hours or to shorten the work day. Neither shall any additional pay accrue to an employee who misses or loses a rest period.

Employees will be allowed a meal period of not less than thirty (30) minutes, nor more than one (1) hour, scheduled approximately at the middle of a full work shift in accordance with County's Personnel Rules.

- E. In no case may an employee's work schedule be changed during the work week when the purpose of such change is to avoid overtime compensation, unless agreed to in writing by the employee. An email may serve as written notice.
- F. Notwithstanding B and C, above, the Director of Human Resources, at their discretion, and upon recommendation of the appointing authority, may approve an alternative work schedule on a trial basis. Alternative work schedules proposed by the Union shall be submitted to the appointing authority and the Director of Human Resources. Department initiated alternative work schedules shall be submitted to the Union. Upon request by the Union, management shall discuss any proposed alternative work schedules before reaching a decision on implementation. Decisions on implementation and the reasons therefore shall be communicated to the Union.

Section 2. Overtime

A. Authorization

The appointing authority or designee may require and shall authorize the performance of any overtime work in advance of being worked. If prior authorization is not feasible because of emergency conditions, a confirming authority must be made on the next regular working day.

B. Definition

Overtime shall be defined in accordance with FLSA, except as specified otherwise in this MOU. Holidays will be included in the calculation of "time worked".

C. Compensation

Overtime required by the FLSA shall be compensated at one and one-half (1 ½) times the employee's regular hourly rate of pay, or at the employee's request and with the department's approval, compensatory time off (CTO) accrued at the rate of one and one-half (1 ½) times off for each FLSA overtime hour worked. Overtime not required by the FLSA shall be paid as premium compensation at one and one-half times the employee's base hourly rate of pay, and shall not be eligible for CTO in lieu.

D. Accumulation and Use of Compensatory Time Off

The maximum accumulation of Compensatory Time Off (CTO) is 200 hours.

1. Use of accumulated CTO shall occur at a time mutually agreeable to the appointing authority and the employee; whether to use accumulated CTO for authorized leaves shall be at the discretion of the employee.

2. Employees may cash out compensatory time off at any time subject to the approval of the appointing authority.

3. Upon termination, any employee with accumulated CTO shall have it paid off.

E. Other Provisions

1. In no case may an employee's work schedule be changed during the work week when the purpose of such change is to avoid overtime compensation, unless agreed to by the employee in writing. An email may serve as written response.

2. Time worked as overtime shall not be used to earn fringe benefits or to serve out probation or merit increase periods. Compensatory time off taken may be used as part of the established work week to earn fringe benefits and to serve out probationary and merit step increase periods.

Section 3. On-Call Duty Compensation

A. When warranted and in the interest of the County operation, appointing authorities or their designee may assign employees to "on-call" status.

B. "On-call Duty" is an assigned duty outside the normal work week assignment during which an employee must remain where the employee can be contacted by telephone and is ready for immediate call-back to his department to perform an essential service.

C. An employee assigned "on-call duty" shall be compensated at the rate of three dollars (\$3.00) per hour.

D. Animal Control Officers' response time: Animal Control Officers on "on-call duty" shall have thirty (30) minutes in which to respond to a call back request.

E. An employee shall not be placed on the list to be contacted for on-call duty if the employee is on an approved vacation or approved sick leave.

Section 4. Call-Back Compensation

A. When an employee returns to work because of a department request made after the employee has completed the employee's normal work shift and left the work station, the employee shall be credited with two (2) hours plus any hours of work in excess of two (2) hours in which the employee is continuously engaged in work for which the employee was called back.

B. An employee on "on-call duty" shall be entitled to the aforementioned two-hour minimum only once during a single on-call period or twice during a weekend on-call period.

- C. There shall be no duplication or pyramiding of rates paid under this section. No employee shall be compensated for "on-call duty" and "call-back duty" simultaneously. Hours worked on "call-back duty" shall be deducted from the prescribed "on-call duty" to determine the appropriate on-call pay.
- D. "Call-back" time shall be paid as premium compensation at one and one-half (1 ½) times the employee's base hourly rate of pay.
- E. The two-hour minimum shall apply only when an employee is required to physically return to work (e.g. leave home or another off duty location) in order to perform required duties. An employee who performs work after regular work hours, but who is not required to leave home, shall be compensated at the premium rate for actual time worked.
- F. Call-back provisions, including the two-hour minimum, shall not apply if an employee is called to work within one hour of their normal starting time. If an employee is called to work within the one hour prior to their normal starting time, they shall be compensated under normal FLSA compensation provisions.

Section 5. Acting Pay Assignments

When an employee in a permanent position is assigned to work in a higher classification for which the compensation is greater than that to which the employee is regularly assigned, and the employee works in such assignment for more than 15 work days, the employee shall receive compensation for such work retroactive to the first day of the assignment equivalent, as described below, to the rate of pay established for the higher classification pursuant to Personnel Rules, under the following conditions:

- A. The employee is assigned to a program, service or activity established by the Board of Supervisors which is reflected in an authorized position which has been classified and assigned to the Salary Schedule and listed in the County's Authorized Personnel Resolution and such authorized position has become vacant due to the temporary or permanent absence of the position's incumbent. A copy of the appointing authority's or designee's written approval of this assignment must be submitted to the Director of Human Resources or designee within five (5) working days after the start of the assignment.

The nature of the departmental assignment is such that the employee in the lower classification becomes fully responsible for the duties of the position of the higher classification.

- B. Notwithstanding A above, in an exceptional circumstance when a vacancy does not exist but an employee has been assigned to perform duties which exceed the scope of that employee's classification, and when determined and justified at the discretion of the Chief Administrative Officer the employee will be entitled to pay for a higher classification in accordance with the other provisions of this Section.

- C. Employees selected for the assignment will meet the minimum qualifications for the higher classification. If the employee does not, the appointing authority, prior to assigning the employee to the acting position, must provide justification for such selection to Human Resources for approval.
- D. Pay for work in a higher classification shall not be utilized as a substitute for regular promotional procedures provided in this agreement.
- E. In lieu of Personnel Rule 608, Salary on Promotion, an employee who is in an Acting Pay Assignment pursuant to this Section shall receive a Temporary Upgrade Pay (TUP). The TUP will be an hourly rate equal to the sum of the differences in the base hourly rate and percentage-of-base hourly differentials (i.e. longevity, hazardous material assignment differential, POST certificate pay, CPA pay, etc. as applicable) between the employee's current classification and the nearest step within the higher acting classification's salary range that is not less than five percent (5%) more than their current step; provided, however, in no case shall the hourly wage calculated for the difference be more than the top step in the new salary range.

For purposes of further annual increases within the salary range, the employee's anniversary date shall remain unchanged from the effective date of the employee's current classification. Increases in salary, if any, shall be made effective on the effective date of the employee's current classification salary review date, with commensurate adjustment made to the TUP.

- F. Higher pay assignments shall not exceed six (6) months except through reauthorization by the Director of Human Resources or designee.
- G. If approval is granted for pay for work in a higher classification and the assignment is terminated and later reapproved for the same employee within thirty (30) days, no additional waiting period will be required.
- H. Allowable overtime will be paid in accordance with the FLSA.
- I. Employees who are given an acting pay assignment in a classification in another bargaining unit will continue to have all pay and benefits determined by this Agreement.
- J. Unit members in the classification of Highway Maintenance Worker II and assigned to the Tahoe Basin will be considered as working out of class in the Highway Maintenance Worker III classification during the snow season; and having met the above listed provisions, provided: (1) the department designates in writing the beginning and the end of the snow season; and (2) the season shall not extend beyond the normal four-month period, unless agreed in writing by the department.

Unit members in the classifications of Bridge Maintenance Worker II, Traffic Control Maintenance Worker II, and/or Equipment Mechanic I/II who possess the necessary commercial driver's license and who are assigned to the Tahoe Basin to operate heavy

equipment in the performance of snow removal operations, will be considered as working out of class in the Highway Maintenance Worker III classification, provided the department designates in writing the beginning and the end of the acting assignment on the forms prescribed by Human Resources.

Section 6. Tahoe Employment Differential

In recognition of limited choices of health care plans, providers, and associated costs in the Tahoe Basin, eligible employees shall receive a total of ninety-two dollars and thirty cents (\$92.30) biweekly; part-time employees shall receive a bi-weekly total of forty-six dollars and fifteen cents (\$46.15).

Eligible employees are those employees who meet one of the following criteria:

1. The employee resides in the Tahoe Basin;
2. The employee resides outside of the coverage area for the County's HMO medical care plan (historically having an eastern boundary of Placerville) and the employee's primary work location is in the Tahoe Basin.

Employees not meeting one of these criteria shall not be eligible for this differential. For purposes of determining eligibility, an employee's residence shall be as documented by the physical home address on file with the Human Resources Department. This differential shall only apply when an eligible employee is in paid status for a majority of their assigned hours in a pay period.

Section 7. Geographical Differential

Employees whose primary work location is in the Tahoe Basin (defined as the Tahoe Regional Planning Agency jurisdiction boundary around Lake Tahoe) and who reside in the zip codes listed below shall receive two hundred dollars (\$200.00), paid twenty-four (24) pay periods per year (the first two pay days of each month); employees regularly scheduled to work twenty (20) hours or fewer per week (0.5 FTE or less) shall receive half this amount:

Zip codes 89402, 89410, 89411, 89413, 89423, 89448, 89449, 89450, 89451, 89460, 89701, 89702, 89703, 89705, 95604, 95646, 95720, 95721, 95735, 96120, 96140, 96141, 96142, 96143, 96145, 96146, 96148, 96150, 96151, and 96155.

Residential addresses within zip codes not listed but located no further than twenty-five (25.0) miles from the employee's primary Tahoe Basin physical work address must be submitted by the employee's appointing authority for prior written approval by the Director of Human Resources or their designee before this differential may be authorized.

For purposes of determining eligibility, an employee's residence shall be as documented by the physical home address as listed in the County's HR/Payroll software system subject to employee's provision of proof of residency (e.g., lease agreement or current utility bill in the

employee's name). This differential shall only apply when an eligible employee is in paid status for a majority of their assigned hours in a pay period.

Section 8. Longevity Pay

Longevity pay shall be granted for continuous service in an allocated position with the County, except as otherwise provided under the terms of this MOU or Personnel Rules, as follows. Base salary is defined as the hourly rate as listed in the Salary Resolution for the employee's classification and step.

After 10 years	5% of base salary
After 15 years	7.5% of base salary*
After 20 years	10% of base salary*

* Represents total amount of longevity granted; amount shown are not cumulative. Any and all longevity credits, or pay for those employees who are eligible, shall become effective no later than the first full biweekly pay period following the completion of the required period of continuous service.

Effective June 30, 2020, the following changes to longevity pay occurred:

- A. Individuals who have separated from County service and are subsequently re-hired and all new employees hired on or after June 30, 2020, will not be eligible for longevity pay.
- B. Employees who were hired on or before June 29, 2020, but who have not yet achieved the first longevity tier (5.0% after 10 years of service) will receive that longevity tier once they complete the required period of service. However, these employees will not be eligible for any further longevity pay advancement thereafter.
- C. Employees who were hired on or before June 29, 2020, and who have achieved at least the first longevity tier, shall be allowed advancement in the tiers upon completion of the required period of service through the first day of the pay period including June 30, 2020. After the first day of the pay period including June 30, 2020, such employees shall be frozen in the tier they are eligible to receive and shall not be eligible for any further longevity pay advancement thereafter.

Section 9. Shift Differential

Except as otherwise specified, any regular or limited term employee who is assigned to work and actually works the department defined "swing shift" shall receive an additional one dollar (\$1.00) per hour over their regular rate of pay for all hours actually worked during this shift.

The County will determine the term of any swing shift and/or night shift assignments and may periodically call for a new round of shift selection by employees.

Section 10. Toxic Chemical Differential

Those employees qualified and assigned by the department to handle pesticides/herbicides shall receive a per hour differential over their regular rate of pay for each hour assigned to handle pesticides/herbicides. The term "Handle" means physically touching or manipulating chemicals with one's hands and/or tools, including measuring, mixing, applying, and operating application equipment. This differential will be applicable anytime employees are assigned to handle or apply pesticides/herbicides as well as to mechanics exposed to pesticides/herbicides while assigned to service application equipment in accordance with California Department of Pesticide Regulation definitions. Such employees who are trained, certified as verified by the department on the prescribed form, and assigned by the department as needed to handle pesticides shall receive:

This differential shall only apply when an eligible employee is in paid status for a majority of their allocated hours in a pay period. Employees on leave without pay are not eligible for this differential.

Section 10. Tuition Reimbursement for Accredited Academic Courses

A. Employee-Requested Courses

1. Applicability

This Section shall apply only to courses requested by the employee in accordance with the criteria set forth below and submitted on a form to be provided by the County.

2. Requirements for Partial Reimbursement of Tuition

- (a) The requesting employee must be and have been in a regular full-time position in the County for at least one (1) years prior to the start of the course in question.
- (b) The subject matter of the course must be directly related to the employee's present position or to a position within the normal line of promotion within County service for the employee's current classification.
- (c) The employee's attendance at the course will not interfere with the employee's normal duties, responsibilities or work hours.

- (d) The employee agrees in writing to repay the County, upon termination, any tuition reimbursement received from the County within a twelve (12) month period prior to the employee's termination.
- (e) Requests for reimbursement shall be submitted to the County and approved prior to the commencement of the course in question.

- (e) To be eligible for reimbursement, the employee must present satisfactory proof of a final grade of "C" or better for the approved course and of the amount of tuition paid by the employee.

B. County-Required Training

ARTICLE 8. EMPLOYEE BENEFITS AND RETIREMENT

Section 1. Health/Dental

A. A mutual goal of the County and the Union is to limit and manage the impacts of health plan costs on both County employees and the County's budget.

1. The County and the Union agree to continue during the terms of the MOU, to meet and work on long term options for payment of health care costs. For the term of this MOU, the Parties agree to implement a standardized cost sharing for

the health insurance premium contribution rates, with the County paying 80% of the premium for full-time employees and the employee paying 20% of the premium.

2. Health care coverage is on a calendar year (January 1 – December 31). Rates for the ensuing calendar year shall be effective upon approval by the Board of Supervisors, but no earlier than the pay period containing December 1.
3. Effective the pay period containing December 1, the contributions shall be per the health plan published rates.
4. The OE3 Trust Health Plan currently offers members two health plan options, Plan A and Plan B. For the term of this MOU, the County will make these plans available to Unit members and will work with OE3 Trust Health Plan to explore and potentially add additional plan options.

The County contribution levels to the OE3 Trust Health Plans will be the same amount as provided to similar County health plans (e.g., Blue Shield 200 to Plan A and Kaiser to Plan B), but will not exceed the OE3 Trust Health Plan actual cost. If additional plans are offered during the term of this MOU, the County and Union will meet and confer over negotiable changes.

Costs for the OE3 Trust Health Plan are determined solely by the OE3 Trust Health Plan administrator.

Following the Board of Supervisors' approval of the January 1, 2019 – June 30, 2021 MOU and at the request of the OE3 Health Trust, a one-time premium payment will be refunded to each employee, if any, who had a one-time double OE3 sponsored health plan insurance premium deducted from their pay as prescribed by the July 1, 2017 – December 31, 2018 MOU. The Parties acknowledge it is the intent of the OE3 sponsored health plan to reverse the double deduction provision of the July 1, 2017 – December 31, 2018 MOU.

OE3 Trust Health Plan premium deductions will begin the first pay period after enrollment election is made by the employee within the enrollment time period. Payroll may double deduct premiums in consecutive pay periods based on when the employee elects coverage. If enrolled, health insurance benefits will go into effect the first day of the month following hire.

5. For purposes of this Article, a full-time employee is defined as an employee in an allocated position whose regular work schedule on an ongoing basis is 80 hours of work in each pay period; a part-time employee is defined as an

employee who is in an allocated position and whose regular work schedule on an ongoing basis is less than 80 hours of work in a pay period.

6. In order to be eligible for County contribution, other than required by law, a full-time employee must be in pay status, i.e., where the employee is receiving pay from work hours, compensatory time off, vacation or sick leave in accordance with Section 1.A.5. An employee who is receiving worker's compensation, temporary disability shall be eligible for continuation of the County's contribution until such time as eligibility for worker's compensation, temporary disability ceases.
7. An employee who ceases to be eligible for County contributions must pay directly to Risk Management the full amount of employee and County contribution in order to retain benefit coverage under the County-sponsored health/dental benefit plan.
8. The County will not contribute toward the cost of any plan other than the OE3 Trust Health Plan, as described in Section 1.A.4., above, and those specifically sponsored by the County.

B. County health plan benefits are described in the Specific Health Plan Document. While mention may be made in this MOU of various benefits and provisions of benefit programs, specific details of benefits provided under the County Health/Dental Plan, Life, worker's compensation and long-term disability programs shall be governed solely by the various plan documents or insurance contracts and/or policies maintained by the County.

OE3 Health Trust plans are described in the OE3 Specific Health Plan Document.

C. Part-Time Employees

Any part-time employee whose regular work schedule is more than thirty-two hours (32) per pay period shall be eligible to participate in the medical/dental insurance programs on a pro rata basis according to the following schedule.

1. The County shall pay the full County contribution to the medical/dental costs as specified in Article 8. Section 1.A.5. for a part-time employee whose regular work schedule as documented on the payroll personnel form is between sixty-four (64) to less than eighty (80) hours per pay period on an ongoing basis; the employee contribution will be automatically deducted from the biweekly pay check.
2. The County shall pay seventy-five percent (75%) of the County contribution to the health/dental costs above for a part-time employee whose regular work schedule as documented on the payroll personnel form is forty (40) to less than

sixty-four (64) hours per pay period on an ongoing basis; the remaining 25% of the county contribution plus the employee contribution will be automatically deducted from the biweekly pay check.

3. The County shall pay fifty percent (50%) of the County contribution to the health/dental costs for a part-time employee whose regular work schedule as documented on the payroll personnel form is thirty-two (32) to less than forty (40) hours per pay period on an ongoing basis; the remaining fifty percent (50%) of the county contribution plus the employee contribution will be automatically deducted from the biweekly pay check.
4. Part-time employees whose regular work schedule is less than thirty-two (32) hours per pay period shall not be eligible for participation in the County health/dental insurance program.

A part-time employee may work additional or fewer hours than the employee's "ongoing" work schedule without changing the pro rata contribution. The pro rata contribution level may only be changed by amending the Payroll Personnel Form which documents the change to the ongoing work schedule.

D. Enrollment

1. Unit employees may choose the County sponsored Plan or OE3 Plan. Employees may enroll themselves and their eligible dependents in accordance with the provision of the Plan. Employees may opt not to be covered by the County sponsored medical/dental plan as allowed/required by law, or the OE3 Plan if allowed by law. In such case, neither the County nor the employee shall be required to make the contributions in Article 8, Section 1.A or 1.C as allowed/required by law.
2. Open Enrollment Periods will occur once every year in October. During an Open Enrollment Period, eligible employees may enroll themselves and eligible dependents in the County sponsored health plan of their choice.

E. Terms & Conditions

1. County sponsored medical plan coverage starts the first day of the month following employment and ends the last day of the month following termination of employment. Retirees, at their own expense, may continue to be enrolled in the County sponsored plan or may be eligible for contributions pursuant to Article 8, Section 6.D. Health Plan coverage shall be in accordance with the provisions of the Plan. Employees who retire or who separate from County service may, at their own expense, continue to be enrolled in the County sponsored plan in accordance with provisions of the plan or as provided by law.
2. The Parties agree that the County Health/Dental Plan is a Defined Benefit Plan, and that the County is required to provide the specified benefits during the term of this MOU regardless of the level of contribution by the County and its employees.

3. The County will provide a vision care component for employees and their dependents that are enrolled in a County Health/Dental Plan.
4. The County agrees to provide an IRC 125 Plan for employees covered by this MOU who are in a County sponsored health plan for the sole purpose of providing for employee paid health plan contributions to be paid through the IRC 125 account.

F. Continuation of Health/Dental Plan - Military Call-Up

An employee who is a member of the United States Reserve Armed Forces or the National Guard and is called to or volunteers for active military duty in response to a call-up by the President of the United States as provided for by law, shall continue to be eligible for coverage under the applicable medical/dental plan, notwithstanding the employee's absence due to the call-up or ineligibility due to such absence. Coverage shall continue for a period up to one (1) year from the date the employee commences an approved military leave of absence, or until the employee returns from active duty, whichever occurs first. Such continuation of coverage is contingent upon being allowed under the respective health care plan of the employee.

The County shall continue the same level of its contributions for the employee absent on military leave and that employee's dependents as would apply to other employees in the same classification and bargaining unit. The employee will be responsible for any contribution toward dependent coverage specified in the MOU. Pursuant to these provisions, the employee absent on military leave shall not be required to use accumulated paid leave in order to be eligible for continuation of coverage and the county's contribution to the health/dental plan.

Prior to being considered eligible for continued coverage under these provisions an employee shall be required to provide documentary evidence, satisfactory to the County, of the employee's active duty status and shall also be required to notify the County in writing within ten (10) days of the employee's return to inactive duty status. Upon the employee's discharge from active duty status, the standard provisions of Article 8 of this MOU shall apply with full force and effect.

G. Patient Protection and Affordable Care Act

The Parties acknowledge that the Federal Patient Protection and Affordable Care Act ("PPACA"), its current and future related regulations and California law developed in response to the PPACA may create new requirements for the County during the term of this MOU; the County will comply with these new statutory and regulatory requirements to the best of its ability. The Parties acknowledge that compliance with these requirements is mandatory and therefore not subject to meet and confer.

Section 2. Life Insurance

The County shall provide a forty thousand (\$40,000) Group Life Insurance Plan for each employee who is regularly scheduled to work at least sixty (60) hours per pay period.

Accidental Death and Dismemberment coverage is included in this Plan.

The County has the non-appealable right to increase the group term life insurance plan and AD&D coverage amounts for classifications covered by this MOU.

Section 3. Long Term Disability (LTD)

The County shall provide a LTD Insurance Plan with a maximum LTD benefit of three thousand dollars (\$3,000) per month for eligible employees.

Section 4. State Disability Insurance (SDI)

The County shall allow employees to integrate their sick leave and/or vacation benefits with their SDI coverage to provide up to one hundred percent (100%) of the employee gross base salary. The individual employee shall pay the cost of SDI.

Section 5. Injury or Illness Leave

The County and Union agree to the following in regard to "leave time" associated with employee injury and illness:

- A. When an employee is off work due to an illness or injury, the County will work with the Union to offer a plan that allows for crediting of service time to the extent possible under the law and CalPERS rules. The Parties understand that employees' use of their accrued time, i.e., sick leave, vacation, etc., counts as service credits for CalPERS purposes.
- B. Family Medical Leave Act (FMLA) and California Family Medical Rights Act (CFRA) leave shall begin to count towards an employee's twelve (12) week entitlement from the first day of the FMLA/CFRA qualifying event, with notice to the employee. All terms and conditions of the FMLA/CFRA shall apply.
- C. Employees off work due to a medical leave of absence shall be required to use accumulated sick leave, which may include being integrated with SDI, LTD, worker's compensation, etc., if necessary, before going on any other County paid or unpaid leave. Employees may elect to "bank" up to eighty (80) hours of their sick leave for use upon their return to work.
- D. Employees who return to work and are receiving Worker's Compensation benefits, and have follow-up doctor's appointments related to their Workers Compensation injury/illness, may use regularly paid work time for these doctor's visits. Eligibility for use of County paid time for these doctor's visits is limited to up to forty-eight (48) hours per injury.

- E. Employees will be allowed to use accumulated vacation, compensatory time off, etc., during a medical leave. For employees who are off work and eligible for FMLA, the County will continue its health insurance contribution, as defined in Article 9, Section 1, on the employee's behalf (employees will be responsible for their portion), up to the time of the employee's separation from County service.

An employee who is receiving less than their scheduled hours as stated above and who ceases to be eligible for County contributions must pay directly to the Department of Human Resources the full amount of the employee and County contribution, as prorated below, in order to retain benefit coverage under the County sponsored Health/Dental/Vision Benefit Plan.

Hours in Paid Status	Employer Portion Paid by Employee
64-80	No charge to the employee
40-<64	25% of Employer Contribution
32-<40	50% of Employer Contribution
<32	100% of Employer Contribution

- F. The County will conduct periodic assessments of the status of an employee on medical leave. Assessments will be conducted at thirty (30) days of leave (or ninety 90 days of limited duty) and at least every ninety (90) days thereafter. The employee will be provided with the opportunity to provide input into the assessment.
- G. At any point the medical condition of an employee appears to be permanent, long term, of uncertain duration or likely to preclude the employee's ability to return to work, the County will move to separate the employee and, if appropriate, make application to CalPERS for a disability retirement on behalf of the employee who is eligible for a CalPERS disability retirement. If an employee is not eligible for CalPERS retirement, then the County will move to refer the employee to LTD. Notwithstanding Article 9, Section 3.E., payment for unused sick leave, employees medically separated under disability retirement shall be paid all of their unused accrued sick leave. If an employee is denied disability under CalPERS or LTD, the employee will return to work.
- H. The County and OE3 Unit agree to encourage employees on medical leaves to return to work as soon as possible in a "light duty or "modified duty" capacity if possible.

Section 6. Employee Assistance Program

County agrees to maintain the Employee Assistance Program for employees in the bargaining unit.

Section 7. Retirement Issues

Retiree health contribution rates will be recalculated annually on a calendar year basis effective January 1 of each calendar year.

The Operating Engineers Trust Fund Plan shall be treated as if it were an Alternate County-sponsored Health Plan for purpose of County contributions specified in the Retiree Health Benefits Contribution Plan Document and the provisions of this Section.

2. Pursuant to the Letter of Agreement dated September 1, 2015, County contribution toward retiree health was discontinued for bargaining unit members hired on or after August 11, 2009; however, members hired into an allocated position (excluding extra help and provisional) on or after August 11, 2009, may continue to participate, at their own cost, in the County-sponsored retiree health plan options provided they meet the criteria specified in the plan.

Eligible full-time employees will receive sixteen (16) hours credited if the Board of Supervisors adopts this MOU between pay periods one (1) and twelve (12), or eight (8) hours credited if the Board of Supervisors adopts this Agreement between pay periods thirteen (13) and twenty-two (22). Personal Leave time must be used by the last day of pay period 26 of each year and is not subject to the payoffs provisions. Any unused personal leave time will be lost.

Section 3. Vacation

Employees receive vacation benefits consistent with the provisions of Personnel Rules, summarized below, subject to the provisions herein:

A. Accumulation Earned

1. First through forty-eight months of employment: .03875 per hour on pay status (3.1 hours earned per full pay period paid). Maximum accumulation of two hundred forty (240) hours.
2. Forty-ninth through one hundred and thirty-second months of employment: .05875 per hour on pay status (4.7 hours earned per full pay period paid). Maximum accumulation of three hundred twenty (320) hours.
3. One hundred and thirty-third and higher months of employment: .0775 per hour on pay status (6.2 hours earned per full pay period paid). Maximum accumulation of three hundred twenty (320) hours.

B. Limitations

1. Use of vacation shall be limited to those hours that were accrued as of the prior pay period, and vacation cannot be used in the pay period in which it is earned.
2. Extra-help or other employment time shall not count toward the required continuous service for vacation benefits.

Section 4. Sick Leave

A. Accrual

Every regular and limited term employee shall accumulate sick leave at the rate of .04625 per hour on a pay status, calculated on the basis of actual service (3.7 hours earned per full pay period paid). There is no maximum accumulation.

B. Eligibility

Employees covered by this agreement will be eligible to use sick leave with pay after completion of two (2) full biweekly pay periods of continuous service with El Dorado County.

1. Employees requesting sick leave to use for the purposes of the care of family members will be approved in accordance with applicable federal and state law.
2. Use of paid sick leave shall be limited to those hours that were accrued as of the prior pay period, and sick leave cannot be used in the pay period in which it is earned.

C. Verification

Employees are required to notify their supervisor as soon as possible of their absence due to illness or injury. A department, depending on its internal record keeping, may require an employee upon returning after an absence due to illness or injury, to fill out a sick leave request form or record of sick leave use.

1. Departments may request information in order to aid in the determination of whether the sick leave use is legitimate. An appointing authority or designee may require a physician's statement or acceptable substitute from an employee who applies for sick leave, or make whatever reasonable investigation into the circumstances that appears warranted before taking action on a sick leave request.
2. Departments may require a prescribed affidavit or medical report form. When an employee is absent for longer than ten (10) consecutive working days, the employee will be required to submit a statement from the employee's physician releasing the employee for normal duty.
3. If an employee who has taken sick leave is suspected of abuse, the Department may institute an investigation. Based on the results of that investigation, appropriate action will be taken.
4. Departments may request that the employee provide a physician's statement, as authorized by law or acceptable substitute during an absence if the employee receives notice prior to returning and the absence is longer than three days. However, if an employee has a record of excessive sick leave use, or if the employee's leave use is suspect, Departments may require a physician's letter or other acceptable substitute before authorizing future sick leave usage. Examples of excessive sick leave usage include but are not limited to:
 - a. Documented abuse, or;
 - b. In excess of six (6) individual uses of sick leave in a twelve (12) month period, or;

- c. More than four (4) uses of sick leave in conjunction with vacation and/or holidays in a twelve (12) month period.

Each use of sick leave may last one or more days. Each day of a multi-day sick leave absence does not constitute its own individual use of leave.

It is important to note that use of leave identified under paragraphs "b" and or "c" above does not automatically indicate abuse. There may be legitimate reasons why an employee is using leave under these circumstances. The primary goal of identifying leave use thresholds is to initiate communication between the County and the employee to determine why an employee is using so much leave and determine if the leave is being abused.

Protected leave cannot be tracked for performance evaluation and/or disciplinary reasons unless an employee is using protected leave in an unlawful manner.

D. Incapacity to Perform Duties

If the appointing authority has been informed through a doctor's report of a medical examination, that an employee is not capable of properly performing the employee's duties, the appointing authority may require the employee to absent himself/herself from work until the incapacity is remedied. During such absence the employee may utilize any accumulated sick leave, vacation, holiday and compensatory time or leave without pay. If the incapacity is not of a temporary nature, the appointing authority may take such actions as appropriate under the County rules on medical retirement, termination or demotion.

E. Payment for Unused Sick Leave

1. In order to receive payment for unused sick leave at the time of retirement, layoff or voluntary termination, a County employee must have five (5) or more years of continuous County service.
 - (a) Employees with Over five (5) years of service:
Shall receive twenty percent (20%) of their unused sick leave paid.
 - (b) Employees with Over ten (10) years of service:
Shall receive forty percent (40%) of their unused sick leave paid.
 - (c) Employees with Over fifteen (15) years of service:
Shall receive seventy percent (70%) of their unused sick leave paid.
 - (d) Employees with Over twenty (20) years of service:
Shall receive one hundred percent (100%) of their unused sick leave paid.
2. Maximum number of hours paid shall not exceed five hundred (500).

Employee's last hourly rate of pay shall be used in computing payment.

Section 5. Catastrophic Leave

Catastrophic leave donation is designed to allow employees to donate vacation leave to their coworkers in times of exceptional need due to a catastrophic illness or serious medical condition anticipated to last at least ten (10) consecutive days of the employee, or the employee's spouse/registered domestic partner, parent, child, or person for whom the employee has been designated as legal guardian.

- A. To be eligible for this benefit, an employee must have been employed by the County for one continuous year and worked no less than one thousand two hundred and fifty (1,250) hours over the immediate preceding twelve (12) months.
- B. The employee requesting leave donations (requestor) must first exhaust all other forms of accrued paid leave.
- C. Contributions will cease if/when the catastrophic occurrence is resolved, or when twelve (12) weeks from the first transfer has passed.
- D. The amount of donated time paid to the requestor will be reported as taxable income.
- E. Hours received will not qualify the employee for hours worked as it relates to fringe benefits including holiday pay, on-call duty compensation, Tahoe employment differential, bilingual differential, overtime or to serve out probationary periods or time in class.

PROCEDURE

- A. The requestor must provide a signed written request for donations of vacation leave to their supervisor. Additionally, a statement from a health professional verifying an injury or incapacity likely to last for at least one (1) month must be forwarded to the supervisor before any action will be taken. The supervisor will forward the written request and verification to Human Resources.
- B. An employee's supervisor may take the initiative to request leave donations for an eligible employee. The recipient must consent, and all necessary documentation must be provided.
- C. Human Resources will ensure the requestor is eligible to receive catastrophic leave donations. Upon approval, the County will post a notice on EDCnet advising employees of a request for donations. No additional notices will be sent.
- D. An employee wishing to donate vacation (contributor) will complete and submit a form prescribed by the County's Auditor/Controller. The contributor must have at least forty (40) hours of vacation hours remaining after the donation. Once submitted, transfers of leave may not be revoked by the contributor. The requestor will not be made aware

of who has donated leave.

- E. Donations will be made in one (1) hour increments. Employees may donate up to an annual maximum donation of forty (40) hours to any one (1) employee. All donations will be deducted from the contributor's balance and held in queue until such time as they are needed by the requestor. Donated hours will be drawn on by the requestor, as the need arises, from the pool of donated hours on an hour for hour basis. All unused pledges remaining in the pool may be credited back to the original contributors on a last donated, last used basis.

Donations will be charged hour for hour at the pay rate of the contributor to the department in which the requestor is employed.

Section 6. Supervisory Leave

Employees in supervisory classifications (as officially designated by "Supervisor" or "Supervising" in the County's adopted classification title) will receive up to sixteen (16) hours of supervisory leave per year. Continuing employees shall receive up to sixteen (16) hours of supervisory leave in pay period 01 of each year. Part-time supervisory employees shall receive this leave time in proportion to the employee's full-time equivalency (FTE).

Employees who newly enter a TC supervisory classification as a new hire or from a different classification or bargaining unit where they did not otherwise receive supervisory leave that calendar year shall receive supervisory leave on their appointment date as follows:

<u>Appointment Date</u>	<u>Full-Time</u>	<u>Part-Time</u>
In pay periods 1-13	16 hours	Prorated proportionate to employee's FTE
In pay periods 14-23	08 hours	Prorated proportionate to employee's FTE

Supervisory leave does not accrue from year to year and must be used by the last day of pay period twenty-six (26) of each year. This benefit is forfeited immediately upon leaving a supervisory classification.

ARTICLE 10. PERSONNEL PRACTICES

A. Duration

Probationary periods are considered as a continuation of the selection process and apply to all initial appointments, promotions, employee initiated lateral transfers to a different position, and as provided in Article 10, Section 1.B.1., below. Nothing herein is intended to create a "For Cause Standard" for release during a probationary period. Nothing herein is intended to prevent the County from extending a probationary period

one (1) time for a period not to exceed thirteen (13) additional biweekly pay periods to ensure that an employee has demonstrated all of the necessary skills and traits to successfully pass probation for the job classification. The County must inform the employee in writing of any probation extension before expiration of the initial probationary period.

Individual probationary periods shall be extended commensurately by each hour under these circumstances.
3. Time worked by an employee in a temporary, limited term, extra-help, or other employment shall not count toward completion of the probationary period. An employee, who is not rejected prior to completion of the prescribed probationary period, unless extended as per provision herein, shall acquire civil service status automatically.

B. Status of Employee

1. Probationary Period Required

C. Acting Pay

Time worked by an employee while receiving acting pay pursuant to policy shall count toward completion of the probationary period only when all of the following conditions are met:

At the time the employee was designated as eligible for acting pay pursuant to Article 6. Section 5, the employee has been reachable on an employment list for the position compiled by Human Resources. There is no break in service between the employee's work in an acting status and the employee's promotion into the position.

1. To the extent the probationary period, when combined with employment in such status, shall not exceed twenty-six (26) biweekly pay periods.
2. Notwithstanding subsection C(1), the employee shall serve a minimum thirteen (13) biweekly pay period probationary period.

E. Right of Return

An employee shall have the right of return to a position in a class in the Union unit which the employee previously occupied when the employee fails to satisfactorily complete the probationary period after being promoted.

An employee who fails to satisfactorily complete a probationary period in a new class as a result of a voluntary demotion or transfer to a class in a new class series, shall have the right of return to a position in the class and department from which the employee previously occupied, provided such right shall be exercised within ninety (90) days of the effective date of the transfer or voluntary demotion. After ninety (90) days, an employee who does not satisfactorily complete the new probationary period shall have a right of return to any vacant position in the former class and department for a period not to exceed six (6) months.

F. Laid-Off Employees

Former probationary employees who were laid off and subsequently reemployed shall serve a complete new probationary period upon rehire.

G. Rejection During Initial Probation

The appointing authority may terminate (reject) a probationary employee at any time during the probationary period without the right of appeal in any manner and without recourse to either the Grievance or Appeal Procedure; except when the employee alleges and substantiates in writing that the termination was due to political or religious or union activities, race, color, national origin, sex, age, handicap or sexual orientation, or otherwise provided by law. Appeals on this basis shall be processed through the County's Discrimination Complaint Procedure. The appointing authority shall notify the employee in writing that the employee is rejected during probation. No reasons for the action are necessary.

H. Rejection During Secondary Probation

Should an employee who has been promoted fail to satisfactorily complete the civil service probationary period, such employee may elect to return to a position in the classification in the department from which the employee was promoted. If the employee held civil service status in such former classification, the employee shall not be required to serve a new probationary period. The employee's step and anniversary date shall be restored to the employee's pre-promotion status.

At the beginning of all probationary periods, the employee may receive a written statement of expectations signed by the supervisor and the employee. The supervisor shall retain the copy signed by the employee and provide a copy to the employee. Not less than monthly the supervisor shall meet with the employee to review the employee's progress toward meeting the supervisor's expectations. The supervisor shall provide the employee with a written summary of the meeting.

The employee will acknowledge receipt of the summary of their progress by signing a copy of the summary. The supervisor will retain the copy signed by the employee.

The employee shall be considered to have met expectations in any month in which the supervisor does not meet with the employee and provide the employee with a written summary of their progress. All written summaries, containing the employee's acknowledgment of receipt, shall be submitted to Human Resources with the appropriate forms for successful completion of probation or of the employee's failure to complete the probationary period.

Section 2. Documentation of Performance Evaluation

Non-probationary employees who have not yet reached the top step of their salary range shall be evaluated approximately thirty (30) days prior to the date that their next merit increase is due. Non-probationary employees who are at the top step of their salary range shall be evaluated annually on or about the anniversary date of their appointment to their current position. Nothing in this Section is intended to preclude the County from evaluating employees on a more frequent basis. Performance evaluations are to be accomplished using the current electronic Employee Performance Evaluation forms and process for documenting performance.

Good performance is to be acknowledged by use of letters of commendation and/or recognition which are submitted to Human Resources for inclusion in employee's personnel files. Letters of commendation and/or recognition from outside the department are to be forwarded to Human Resources with a copy to the department for inclusion in the employee's personnel file. Neither the contents of an employee's evaluation nor failure to provide letters of commendation and/or recognition are grievable or appealable.

Performance or issues which need improvement are to be documented by memorandum, e.g., letters of warning or counseling, reprimands, etc.

Section 3. Safety Reporting Procedure

A. Purpose

The purpose of this section is to encourage employees to observe and report unsafe working conditions or equipment to their supervisors and for the supervisors to give immediate attention to such reports.

B. Procedure

Step 1: When an employee believes that an unsafe condition exists, the employee shall immediately bring the matter to the attention of the supervisor. If the supervisor does not take immediate steps to remedy the unsafe condition, the employee may file a written "safety" complaint with the supervisor.

Step 2: The supervisor will respond in writing to the complaint within two (2) working days of the time the written complaint is filed.

Step 3: If the written response of the supervisor is unsatisfactory, the employee may present the complaint to the appointing authority or designee within two (2) working days. The department or designee will review the alleged unsafe condition and will make the final decision on the grievance within two (2) working days of receiving the complaint. Copies of the safety complaint and the responses at all levels will be provided to the appropriate Safety Committee.

The substantive decision of the supervisor or the appointing authority is not grievable under Article 13 of the MOU. However, failure to adhere to this procedure is grievable under Article 13 of the MOU.

Section 4. Drug Free Workplace

The County and Union agree that they are committed to providing and maintaining a drug free workplace in accord with the Drug Free Workplace Act of 1988. It is understood that the unlawful manufacture, distribution, dispensing, possession or use of drugs and/or alcohol is prohibited in the workplace and that violation of this provision would subject the employee to disciplinary action. The County has a zero tolerance standard for employees being under the influence of or in possession of alcohol and/or drugs while at work. It is also agreed that

every reasonable effort will be made to inform employees about the dangers of drug abuse in the workplace, the availability of any counseling or rehabilitation, as well as the Employee Assistance Program, and that disciplinary action may be imposed upon employees for drug abuse violations occurring in the work place or affecting work performance. The Parties shall discuss the adoption of a reasonable suspicion drug testing policy during the term of this MOU.

Section 5. Closure of County Building Policy

The County Administrative Officer or designee shall determine when County facilities shall be temporarily closed in an emergency as determined by the Chief Administrative Officer.

- A. Any and all twenty-four (24) seven (7) days a week facilities and/or operations are exempt from Article 10, Section 5.
- B. The County does not determine when non-County facilities may close. Employees scheduled to work at a closed non-County facility may be re-assigned to work at a County facility in the same geographic area, or to telework if the employee has a current Telework Agreement, during a non-County facility closure. Employees who have been reassigned to a County-facility or to telework, shall receive their regular pay for that scheduled shift(s). If the County is unable to re-assign the employee, the employee will be paid for the scheduled shift(s) pursuant to subsections D and E.
- C. Employees whose buildings have been temporarily closed may be reassigned to work sites in the same geographical area, or to telework if the employee has a current Telework Agreement, and shall receive their regular pay for that scheduled shift.
- D. Regular and limited term County employees scheduled to work, but who are directed to not report to work or sent home from work due to the closure of their work site under this Section shall receive their regular pay for that scheduled shift. An employee shall not receive regular pay if the employee does not report to work due to any circumstance when there has not been a County directive closing the employee's work site.
- E. After the first day of closure of a County building, if the County is unable to reopen a work site, or is unable to obtain an alternative work site in the same geographical area, an employee will be compensated for that day(s) as if it were a holiday.
- F. During a temporary closure of County buildings as determined by the Chief Administrative Officer, those regular employees who are required to come to work as part of essential services, as determined by the Chief Administrative Officer, will receive premium compensation at one and one-half (1 ½) times the employee's base hourly rate of pay for those hours actually worked during the designated closure.
- G. Should the closure of a County facility last longer than five (5) working days the County reserves the right to reassign employees outside their geographical area.

In the event of reassignment outside their geographical area, or where the employee has a current Telework Agreement and is re-assigned to telework but cannot, for any reason, telework, the employee may request to utilize accumulated leave accruals (other than sick) and/or compensatory time off in lieu of reassignment unless the Chief Administrative Officer makes a finding that the employee's services are essential to the continued operation of the County.

Geographical area is generally defined as:

1. Tahoe Basin
2. Western Slope

ARTICLE 11. REDUCTION IN FORCE

The following Reduction in Force policy is hereby included as a part of this MOU. Such inclusion, however, shall not provide avenues of appeal beyond those contained in this Article.

A. Policy

The Board of Supervisors may reduce the size of the County's workforce for any lawful reason that it determines is in the best interests of the County. The Board may direct (1) a temporary layoff of up to ten (10) working days of specific employees or classifications without invoking the provisions of this Article, or (2) a specific layoff by classification, number of employees and department(s) pursuant to this policy.

B. Procedure for Permanent Layoffs

Reduction in Force occurs when the Board of Supervisors by Resolution amends the Authorized Personnel Allocation Resolution and/or adopts a Proposed or Final Budget that deletes specific positions by classification from a department.

1. The Department of Human Resources, with the assistance of the affected department, determines the individuals to be laid off for the initial classification in which a layoff is to occur and for succeeding lower level if displacement by bumping (demoting in lieu of layoff) is anticipated in accordance with this Article according to retention points. A list of the classifications in which positions have been deleted along with the names and total retention points of employees in those classes shall be posted in the affected department and a copy mailed to the Union's current address. It is the appointing authority's responsibility to ensure posting.
2. Layoffs and displacements are made within the department involved and are not Countywide.
3. Written notice of layoff shall be served on affected employees in person or by USPS Priority mail sent to the last address on file with the Department of Human

Resources. Notice will be served or mailed no later than thirty (30) calendar days prior to the effective date of separation. The thirty (30) calendar days shall include the effective date and the date served. Notice shall be deemed served upon the proof of service.

4. The written layoff notice shall include the effective date of the separation (layoff), the reasons for the layoff, displacement (bumping) rights, if any, rehire or restoration rights and the appeal rights. Such notice shall also set a specific deadline of not less than five (5) working days for when the affected employee must notify the Department of Human Resources that they will be exercising their displacement rights.

C. Order of Layoffs

Layoffs will be determined based on an inverse order of retention points computed as per provisions listed below by the classification within the individual department. Any required reduction in the number of employees shall be in the following order within the same classification:

- Extra-help and limited term,
- Probationary employees serving an initial probationary period,
- Regular civil service status part-time employees,
- Regular civil service status full-time employees.

1. Longevity

A full-time employee shall receive one (1) point for each full month of continuous service as a regular County employee in the employee's classification. Time spent in other classifications which the employee occupied within the prior three (3) years and which are at the same or higher rate of pay based upon the current salary plan applicable at the time of the layoff shall be included in the service time in the affected class. This includes probationary time. Part-time employees shall receive a proportional amount of longevity points based upon FTE. Less than a full month of service shall be prorated based on number of days worked. It does not include service prior to employment, interruptions caused by resignation, dismissal, or transfer to/from extra-help or limited term status. It does include periods covered by authorized leaves of absences and such service accrued before a previous layoff.

2. Performance/Disciplinary Actions

- a. An employee who receives an involuntary demotion as a disciplinary action will have twelve (12) points deducted from that employee's retention points if the administrative disciplinary appeal is completed or waived.
- b. An employee who receives a suspension will have one (1) point per day of suspension deducted from the employee's retention points, with a maximum

deduction of twelve (12) points if the administrative disciplinary appeal is completed or waived.

3. Flexibly-Staffed Classes - Classes which are allocated as flexibly-staffed classes (e.g. Office Assistant II/I), as stated in the Personnel Allocation Resolution, shall be treated as one class for purposes of determining retention points.
4. Out of Class Assignments – Out-of-class time will not be credited towards the out-of-class position in which the employee served. Out-of-class time will be considered as continuous service in the employee's regular classification.
5. Ties - In cases where two or more employees are tied with the same number of retention points, the following factors shall be considered in order for the purpose of breaking the tie: total County service (including County service prior to the most current period of employment) job related coursework taken during the current period of employment; discipline actions; appointing authority determination. Letters of reprimand will be considered as tie breaker criteria for up to three (3) years from the date of issuance.
6. Volunteers For Layoff - An employee who occupies a position within a class within a department affected by a layoff and/or displacement may volunteer to be laid off in place of another employee who has fewer retention points and who would otherwise be laid off. Such employee shall be entitled to the same rights and restoration privileges as other employees in accordance with this Article.

D. Layoff Privileges

The following are the options open to affected individuals in each layoff instance:

1. Displacing in a Lower Class - An employee affected by layoff may, at their discretion, in lieu of layoff, displace an employee in a class in which the employee subject to layoff has attained post-probationary status during their current continuous period of employment or in succeeding lower classes in the class series who has less retention points. Retention point computation for displacement purposes are made as determined for the original layoff. This is considered a voluntary demotion.
2. Restoration - Restoration shall be in inverse order of layoff. Names of employees with regular civil service status who have been laid off will be placed on an appropriate restoration list for their classification and department in order of Retention Points. The list will extend for a period of two (2) years. Employees shall also have restoration rights to a classification which has been replaced by a reclassification of the classification which the person previously had regular civil service status, provided that the duties have remained essentially the same. This list shall be maintained in the Department of Human Resources. This includes employees taking voluntary demotions in lieu of layoff who shall be placed on a restoration list for the class from which they were reduced.

Three refusals to accept restoration from a departmental layoff list will remove the eligible individual's name from that list unless the offer of restoration is in excess of twenty five (25) miles from the geographical location of the position from which the employee was laid off.

A person notified of an offer of restoration must respond within ten (10) working days from the proof of service date. Offers of reemployment shall be sent by first class mail to the last address on file in the Department of Human Resources. It is the employee's responsibility to ensure that a current address is provided to Human Resources.

3. **Transfer and Demotion** - Employees to be laid off may be permitted to transfer or demote at the discretion of the appropriate appointing authority(s) prior to the layoff effective date. Transfer or demotion may be made to any funded vacant position where the employee meets the minimum qualifications. However, transfer will not be permitted to a position in another County department if a departmental layoff list exists for that class. When an employee transfers or demotes in accord with provisions of this Article and is required by the appointing authority to complete a new probationary period, which results in his rejection during probation, the employee shall not be required to forfeit his status on any layoff list.
4. **Placement In Other Departments** - In accordance with rules on order of layoff, an employee who shall be laid off shall have a right to be placed in a vacant position in the same class in another department which the department has determined to fill. Referral to vacant positions shall be offered based upon the inverse order of layoff. The new appointing authority shall have up to six (6) months to evaluate the employee's performance. If the appointing authority determines that the employee's performance does not meet job standards, the employee will be returned to the layoff list. The employee will, in accordance with the rules on restoration, be eligible for placement in another vacant position in the same class which a department has determined to fill, according to the provisions above.
5. **Separation from County Service** - Employees who are to be laid off have the option of leaving County service rather than displacing in a lower class, transferring or demoting. In the event an employee is laid off for an indefinite period, the employee may, upon request, receive payment for those benefits normally given to terminated employees.
6. **Employment Interviews** - appointing authorities who refer the names of individuals designated for layoff and who have requested transfers shall ensure that such persons are provided an employment interview.
7. **Status on Restoration** - An employee who has been laid off or voluntarily reduced under the provisions of this Article and subsequently restored in their former classification within a two (2) year period from the date of the employee layoff or voluntary reduction shall receive the following considerations and benefits:

- a. All sick leave credited to the employee's account when laid off shall be restored, unless the employee received compensation for such sick leave at the time of the layoff.
 - b. All retention points held upon layoff shall be restored.
 - c. All prior service shall be credited for the purpose of determining sick leave and vacation earning rates, longevity pay increases, and time in step.
 - d. The employee shall be placed on the step of the salary range that was held at the time of the layoff.
8. Meet and Confer - Prior to the actual layoffs, the County's representatives and the Union shall, at the request of the Union, meet and confer over the practical effects of the proposed layoffs.

E. Deviation from Retention Points

The Board of Supervisors may approve deviations from the order of layoff by retention points or demotions in lieu of layoff (bumping) when retention points order alone would result in retaining employees unable to maintain a satisfactory level of performance in the department affected. In such cases, the appointing authority shall fully justify and document the reasons therefore. The affected employees shall be provided a written notice of the department's request, reasons therefore and the date the Board of Supervisors shall consider the department's request.

F. Appeal of Layoff

1. Right of Appeal

- a. Regular civil service status employees receiving a notice of layoff shall have the right to appeal only whether or not there was compliance with the procedures prescribed in this Article.
- b. The right of appeal is limited to the scope and process provided in this section, "Appeal of Layoff".
- c. The scope of any appeal shall not include such issues as the need for layoff, the reasons for layoff, or the exercise of other County prerogatives involved in layoff.
- d. Probationary, Temporary and Extra Help appointments have no right of appeal of a notice of layoff. Questions and disputes regarding regular civil service status shall be determined by the Civil Service Commission in accordance with their rules, regulations and procedures.

2. Notice and Timing of Appeal

- a. Appeals shall be filed in writing with the Director of Human Resources or designee. An email shall be accepted as a written appeal.
- b. Appeals shall be filed within five (5) working days after the date of service of the notice of layoff as provided in this section, "Appeal of Layoff".
- c. The notice of appeal shall state the employee's reasons for the appeal consistent with this Article.

3. Responsibilities of the Director of Human Resources or Designee

- a. The Director of Human Resources or designee shall within three (3) working days of receipt of an appeal forward a copy of the appeal to the Union.
- b. The Director of Human Resources or designee shall within five (5) working days of receipt of an appeal, determine which employees, if any, will be adversely affected. Human Resources will notify all employees potentially adversely affected of the appeal within five (5) working days of receipt of the successful appeal.

G. Layoff Arbitration Panel

A tripartite Layoff Arbitration Panel shall be appointed to hear all appeals having the same effective date for layoff.

1. Appeals shall be heard by a tripartite panel consisting of:

- a. A representative designated by the Director of Human Resources.
- b. A representative designated by the Union.
- c. A neutral member. The neutral Layoff Arbitration Panel member shall be chosen by:
 - 1) Mutual agreement between the County and Union or their designated representatives within five (5) working days of notification to the Union of an appeal.
 - 2) If the County and the Union fail to name a neutral arbitration panel member within five (5) working days of notification to the Union of the appeal, a member of the Civil Service Commission (CSC) shall serve as the neutral third member of the arbitration panel.
 - i. Human Resources will notify the Chair of the CSC of the Parties' inability to agree on a neutral, and their desire that a member of the CSC serve as the neutral member of the Layoff Arbitration

Panel in lieu of agreement on a third party.

- ii. The Chair of the CSC shall name a member of the CSC to serve as the neutral member of the Layoff Arbitration Panel and an alternate.
2. The Layoff Arbitration Panel shall convene and open the hearing within fifteen (15) working days of the initial filing of the appeal. Representatives to the arbitration panel shall be named with primary consideration being given to their availability to meet within the fifteen (15) working day time limit.
3. If either or both party(s) fail to name a representative who can meet within the time limit the CSC Chair shall name a member(s) of the CSC to serve as a second and if necessary, third neutral in lieu of the failure of either or both parties to provide an available representative.
4. If the Civil Service Commissioner(s), designated or the alternate cannot serve within the time limit, the Chair shall designate another Civil Service Commissioner(s) who can serve within the time limit.

H. Hearing Process

1. The employee filing the appeal and all other potentially affected employees will be notified of the date, time and place of the hearing not less than two (2) working days in advance of the hearing.
2. The neutral member shall serve as Chair of the Layoff Arbitration Panel.
3. The hearing shall be conducted in accordance with standard administrative hearing procedures. The Formal Rules of Evidence shall not apply.
4. In addition to hearing such evidence and witnesses as the Parties, including any employees potentially affected by the appeal may call, the Layoff Arbitration Panel may question witnesses and call such witnesses as they deem appropriate.

I. Decision

1. The Layoff Arbitration Panel shall issue their written decision within two (2) working days of closing the hearing.
2. The decision of the Layoff Arbitration Panel shall be final and binding on all parties.

ARTICLE 12. APPEALS

Section 1. Appeals of Disciplinary Action

An employee in this unit, having obtained permanent status in the County's Civil Service System, shall have the right to appeal a termination, demotion in class or salary step or suspension without pay. Such appeal shall be in accordance with the provisions of County Personnel Rules.

ARTICLE 13. GRIEVANCE PROCEDURE

A. Intent

It is the intent of this procedure to provide for an orderly and equitable procedure for the resolution of misunderstanding and disputes between the County and its employees.

B. Scope of Grievances

1. A grievance is a claimed violation, misapplication or misinterpretation of the provisions of a MOU or employee protections contained in ordinances, resolutions, personnel rules or written policies, adversely affecting an employee's wages, hours or conditions of employment.
2. Specifically, excluded from the scope of grievances are:
 - a. Subjects involving the amendment or change of Board of Supervisor's resolutions, ordinances, which do not incorporate the provisions of this MOU or other employee protections contained in ordinances, resolutions, personnel rules, or written policies.
 - b. Discrimination complaints that allege violations of equal employment opportunity laws or employment discrimination which shall be processed under the County's Discrimination Complaint Procedure.
 - c. Appeals of the "Reduction in Force" Articles and Policies which fall under the appeal process contained within that policy.
 - d. Appeals of disciplinary actions resulting in termination, demotion, suspensions without pay which fall under the County's Civil Service Appeal Procedure.

C. Definitions

1. Grievant - A grievant is an employee in the unit who is filing a grievance as defined herein or if two (2) or more employees have essentially the same grievance, they may, if approved by the Director of Human Resources or designee, submit their combined grievances as one grievant.
2. Day - shall mean day(s) in which the County's main administration office is open for business.

D. Grievance Procedure Steps

1. Informal Discussion

Every effort should be made to settle grievances at the lowest level of supervision possible. If an employee has a complaint relating to a work situation, the employee is encouraged to request a meeting with the employee's immediate supervisor to discuss the problem in effort to clarify the issue and to work cooperatively toward settlement. Such discussion shall occur within fifteen (15) working days of the incident or occurrence giving rise to the complaint. The immediate supervisor shall respond informally within seven (7) working days.

2. Formal Grievance Steps

The formal grievance procedure shall consist of the following steps, each of which must be completed prior to any request for further consideration of the matter unless waived by mutual consent or as otherwise provided herein.

a. Immediate Supervisor

A grievant and representative may formally submit a grievance to the immediate supervisor within seven (7) working days from the date of the immediate supervisor's informal decision or if the informal discussion has not taken place fifteen (15) working days from the date of the incident or occurrence giving rise to the complaint. An email may serve as a formal submission. Such a written grievance shall set forth the facts at issue, the relief sought and the time of the occurrence of any alleged incident or violations precipitating the grievance. The supervisor shall respond in writing within seven (7) working days after receiving the grievance. If the grievance is denied, the reasons for denial shall be given in the supervisor's response. This response shall contain the position, such as Intermediate Supervisor or appointing authority to which the next level of employee grievance should be addressed.

b. Intermediate Supervisor

If the grievance is not resolved by the written decision of the immediate supervisor and if there is an intermediate level of supervision (Superintendent) below the appointing authority, the grievant and representative may, within five (5) working days after the date of the supervisor's decision, file a written appeal to the intermediate supervisor (Superintendent) who shall respond in writing within ten (10) working days. If the grievance is denied, the reasons for denial shall be given in the supervisor's response. This response shall contain the position to which the next level of employee grievance should be addressed.

c. Appointing Authority

If the grievance is not resolved by the written decision of the supervisor, the grievant may submit in writing within five (5) working days after the date of the supervisor's written decision his grievance to the appointing authority. The appointing authority shall conduct such meeting(s) with the

employee, informal hearings and investigations as are appropriate in the appointing authority's judgment, and deliver to the grievant a written decision within ten (10) working days. If the grievance is denied, the reasons for denial shall be included in the response.

- d. Director of Human Resources or Designee
If the grievant and representative wish to appeal the appointing authority's decision, the employee and representative may do so in writing to the Director of Human Resources or designee within five (5) working days after the date of the appointing authority's decision. The Director of Human Resources or designee shall conduct such meeting(s), informal hearings and/or investigations as are appropriate in their judgment and deliver to the grievant a written decision within fifteen (15) working days. If the grievance is denied, the reasons for the denial shall be included in the response.

3. Final Resolution

Should the grievant and representative be unsatisfied with the decision of the Director of Human Resources or designee and the grievance is based upon one of the Articles listed in this MOU (except for the Reduction in Force Article 11) the grievant and representative may within ten (10) working days notify the Director of Human Resources or designee that it is appealing the Director of Human Resources' or designees' decision to arbitration, for final resolution of the grievance, subject to ratification by the Board of Supervisors if the decision required an unbudgeted expenditure. Grievances that involve an interpretation of a personnel resolution, personnel rule or MOU shall be appealed through the Arbitration method as it is described in this paragraph. If Arbitration is chosen, the grievant and representative and the County's Management representative shall attempt to mutually agree on an acceptable arbitrator. If no agreement can be reached on an arbitrator within five (5) working days, a list of seven (7) names from the California State Conciliation & Mediation Service shall be obtained. The Parties shall alternately strike names until only one name remains, which name shall be the arbitrator in the dispute. The party to strike the first name shall be chosen by lot. The arbitrator shall have no power to add to, subtract from, alter, modify or go beyond the applicable provisions of the MOU.

4. Basic Rules

- a. Costs
All costs incurred jointly by both parties to the final resolution process shall be borne equally by the Parties. Costs incurred separately shall be borne by the party incurring them.
- b. Time Limits
If a grievant and representative fail to carry the grievance forward to the next level within the prescribed time period, the grievance shall be considered settled, based upon the decision rendered at the most recent step utilized. If a supervisor or manager fails to respond with an answer

within the given time period, the grievant may appeal the grievance to the next higher level. Time limits may be waived by mutual written consent of the Parties.

c. Representation

The grievant may be represented by a person of the grievant's choice at any formal level of this procedure. The grievant may take reasonable County time without loss of pay to prepare their grievance and meet with management representatives regarding the grievance. Other employees assisting or representing the grievant shall do so on their own time.

ARTICLE 14. PEACEFUL PERFORMANCE CLAUSE

The Parties to this MOU recognize and acknowledge that the services performed by the County employees covered by this MOU are essential to the public health, safety, and general welfare of the residents of the County of El Dorado. Union agrees that under no circumstances will the Union recommend, encourage, cause or permit its members to initiate, participate in, nor will any member of the bargaining unit take part in any strike, sit-down, stay-in, sick-out, slowdown or picketing (hereinafter collectively referred to as work stoppage) in any office or department of the County, nor to curtail any work or restrict any production, or interfere with any operation of the County. Nor will this organization recognize the strike or job action of any organization or engage in any sympathy strike by recognizing the strike, job action or picket lines of any other organization. In the event of any such work stoppage by any member of the Union, the County shall not be required to negotiate on the merits of any dispute which may have given rise to such work stoppage until said work stoppage has ceased.

In the event of any work stoppage, during the term of this MOU, whether by the Union or by any member of the Union, the Union by its officers, shall immediately declare in writing and publicize that such work stoppage is illegal and unauthorized, and further direct its members in writing to cease the said conduct and resume work. Copies of such written notice shall be served upon the County. In the event of any work stoppage, the Union promptly and in good faith performs the obligations of this paragraph, and providing the Union had not otherwise authorized, permitted or encouraged such work stoppage, the Union shall not be liable for any damages caused by the violation of this provision. However, the County shall have the right to discipline, to include discharge, any employee who instigates, participates in, or gives leadership to, any work stoppage activity herein prohibited, and the County shall have the right to seek full legal redress, including damages, as against any such employee.

ARTICLE 15. FULL UNDERSTANDING, MODIFICATION, WAIVER

This MOU sets forth the full and entire understanding of the Parties regarding the matters set forth herein, and any other prior or existing understandings or agreements by the Parties, whether formal or informal, relating to any such matters are hereby superseded or terminated in their entirety.

It is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right to negotiate, and agrees that the other party shall not be required to negotiate, with respect to any matter covered herein during the term of this MOU with the exception of non-MOU proposals made during negotiations for this MOU.

No agreement, alteration, understanding, variation, waiver or modification of any of the terms or provisions contained herein shall in any manner be binding upon the Parties hereto, unless made and executed in writing by all the Parties hereto, and if required, approved and implemented by the County Board of Supervisors and the Union membership.

The waiver of any breach, term or condition of this MOU by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

Section 1. Job Sick-Outs – Variance from Personnel Rule 1604. Sick Leave

Whenever the CAO or designee determines that an increase in absenteeism due to a job action or sick out is significantly and detrimentally affecting the ability of one or more departments to carry out their functions the CAO may declare that this Section shall be in force and the following rules shall apply. These requirements shall stay in effect for all purposes until after the CAO determines that the increased incidence of absenteeism and the threat of such increased incidence of absenteeism have abated.

- A. The appointing authorities of the departments specified in the CAO declaration shall require that each employee who is unable to report for duty due to illness or injury that is requesting sick leave shall provide a certificate completed and signed by a licensed physician or other qualified medical professional. This certificate shall show that the physician examined the employee during the period of absence from work, state the date of each examination, describe the physician's diagnosis of the employee's illness or nature and extent of the employee's injury and certify that the physician has recommended that the employee be excused from work for medical reasons, and the specific number of days of the recommended excuse. Such medical verification shall be provided to the appointing authority within three (3) working days of the employee's return to work.
- B. The employee shall also provide a sworn affidavit justifying their claim of sick leave. Such affidavit shall be provided to the employee by the appointing authority upon their return to work. Each request for sick leave time will be evaluated individually at the time the required documentation is received.
- C. An employee shall not be allowed sick leave credit and shall not be compensated for any period of absence unless the employee has complied with the requirements of this policy and unless the information provided therein and otherwise required of or provided by the employee is deemed to substantiate the claimed illness or injury. The employee may appeal a denial of sick leave through the County's Grievance Procedure.

- D. It is recognized that the facts which constitute the basis for use of sick leave may vary considerably from employee to employee and that in rare instances, the specific requirements of this rule may not be appropriate or feasible. Accordingly, discretionary variances, (but not waivers from the requirements of these rules) may be considered and allowed by the CAO or designee. Any such variance shall, if feasible, provide for an acceptable alternative means by which the employee involved shall provide assurance of the existence of facts which are adequate as a basis for proper use of sick leave.

ARTICLE 16. SEVERABILITY

If any provisions of this MOU are held to be contrary to law by a court of competent jurisdiction, such provisions will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions will continue in full force and effect.

ARTICLE 17. ECONOMIC HARDSHIP REOPENER

At any time upon thirty (30) calendar days written notice to the Union, the County may reopen this agreement for renegotiation if a financial shortfall in the County budget has occurred that caused the Board of Supervisors to actually reopen negotiations with other employee groups with negotiated MOU's or adopted Salary and Benefit Resolution, except with respect to any salaries governed by Section 504 of the El Dorado County Charter. Any notice provided subject to this section must include evidence demonstrating the basis for the claim of financial hardship.

At any time after January 1, 2015, either party may request to meet and confer over the economic status of the County and the impact on the members of the bargaining unit.

In witness whereof, the Parties hereto have caused this Memorandum of Understanding to be executed by affixing their signatures below.
