Hi,

I am not on the Board of Directors but I used to be. I know that if I were sitting in your shoes right now, I would be asking myself, What can I personally do to help these people? And so now I am asking you. What can you do to make this go smoother for the theatre to remain open. Can you donate money, land, or time? Can you help with the red tape of government?

The theatre teaches history to over 200 schools each year. CA history about the area in which you live. We offer free shows to El Dorado County schools, a gift worth about \$250.00 or more depending on how many students watch. I've had the pleasure of working with tour groups and teachers that go to the show every year. The children relay become a part of history themselves by joining the actors on stage. But wait, there's more. There is at least 2 schools that go to the show that don't even go to the historical school park. They come every year to see the show, then they go rafting. So now the theatre brings people to the camp sights and to private companies that would loose out on the 90 something students that join them. Without the theatre, they will not be coming here. They will most likely go to Sacramento only.

The issue to me is soly between the neighbors and the theatre. The theatre that has been there for more than 30 years. The lives of the neighbors that the theatre bothers equals to about 6 people at the most. The lives of the people that the theatre positively entertain and teach equals to way more than 108,000 people in the last 18 years. But then you can add the lives of the people they touched and go way beyond that.

So again, I ask you the question, What are you going to do to help?

Subject Runnymede Drive Projects

Mr. Briggs:

I'm writing you to express my opposition to the re-zoning of the Runnymede Drive property to become "affordable Housing".

Permit me to be blunt, but as we both know, the term "affordable housing is nearly an euphemism for *Housing Projects* .

I presently live just North of US-50 off El Dorado Road, in an estate community of homes valued at eight-hundred thousand dollars plus. I pay three hundred dollars a month for a gardening service to maintain my acre of manicured lawns and this neighborhood is a tight knit community of professionals and retirees, who would frankly watch our property values plummet with this proposed Housing Project, and its anticipated population of illegal aliens, unwed mothers and meth addicts.

You will note that I am not one to "sugar coat" anything. I'm not complaining of increased traffic, noisy children or parking issues. I am saying "**Not in MY Neighborhood!**"

Continuing to be blunt, if you feel compelled to support this re-zoning issue, you can count on my wife and I, as well as our other community residents voting against you in the upcoming elections. I trust you are pragmatic enough to visualize this project in your own backyard, and will be able to find a more suitable location for its construction.

DEAR SUPERVISORS:
PLEASE KEEP THE OLDE COLOMA THEATER OPEN! IT IS SUCH A
GOOD THEATER TO TAKE YOUNG FOLKS TO AS WELL AS OLD.
SURELY YOU CAN COME UP WITH A WORKABLE PLAN TO KEEP THEM
GOING. THERE ARE SO FEW THEATERS LIKE THIS ONE LEFT
ANYMORE. IT IS A FAMILY AFFAIR.
