Ladies and Gentlemen:

The intent of this email is to challenge Special Use Permit Revision S03-0005-R-3/EI Dorado Hills Community Dog Park. I challenge the County of El Dorado Planning Commission (Commission) to consider other locations. The property, identified by Assessor's Parcel Number 125-110-09, consisting of 39.5 acres, is a multi-use site. And the proposed location of the dog park pose access, potential safety and management/administration issues. To date neither the CSD or Commission have proposed or vetted draft dog park management plans. Neighborhood and community support and involvement is integral to effective planning and operation. There are a number of alternative locations without the subject site's contentious elements (i.e., young children's play area, youth center, aquatic center, gymnasium, and baseball/soccer fields).

Respectfully,

Tim P. Murphy
