Exempt Status:

- CEQA Statute Section 21080.
- Categorical Exemption. State type and section number: Class 3 Section 15303(a)
- Statutory Exemption. State code number: _____

Reasons why project is exempt:

This is a grading permit associated with a single family residence and the County concludes it is exempt from the requirements of CEQA under Section 150303(a) (Categorical Exemption- New Construction or Conversion of Small Structures-Single Family Residence). The issued Grading Permit number 263768 is to allow site preparation for the construction of a single family residence. There is no reasonable possibility that the activity will have a significant effect on the environment due to unusual circumstances. The parcel does not contain any watercourses, nor gabbro soils, and development of the site is set back approximately 300 feet from Folsom Lake.
