Dear Board of Supervisors,

I request that you take a firm stance and demand that the Tribe submit a project application for their proposed open shooting range project so that public health and safety can be reviewed in an open and transparent process.

ACTUALLY I WANT YOU TO ABSOLUTELY STOP THIS SHOOTING RANGE PROJECT. IT'S RIDICULOUS TO HAVE IT THIS CLOSE TO OUR HOMES – BOTH FROM A NOISE STANDPOINT AND A SAFETY STANDPOINT.

Thank you,

Roger D. Nelson

Goodmorning,

I understand that there will be a meeting next Tuesday to offer The Shingle Springs Miwok Indian tribe to present their plans for the Shingle Springs Tribal outdoor Gun Range. I am sorry to say I will be unable to attend, but I would appreciate if you could share my comments with the board and submit them in the Agenda. These are my concerns in regards to an open shooting range in such a populated quiet community.

I can see how this could potentially be a dangerous idea, and wrong for the community on numerous levels.

1. Proximity to residents, and companion animals (horses, dogs, goats etc)
2. Proximity to a busy freeway.
- 3 Noise pollution and distraction for not 1 but 3 schools. 2 Elementary, 1 Middle and the new High School.
4. Noise pollution for residents currently living in this

community

5. And do not forget- the Train Corridor that may serve as a multi-use trail for all of the community some time in the near future.. I can just imagine a hiker- with a dog, or a horseback rider encountering multiple gunshots while trying to enjoy a beautiful day out in our county's resources. Dogs and horse can react very negatively to the loud noise of gunshots- and no amount of baffling with completely quiet that sound.

And lastly--- it would only take one stray bullet- one fatality or car accident to really put a stain on our community.

I hope you consider these points when making your final decision on this. Thank you for your time and consideration.

Subject: Comment on 2-24-15 BOS Agenda Item, Tribe Open Shooting Range

Dear Board of Supervisors,

I request that you take a firm stance and demand that the Tribe submit a project application for their proposed open shooting range project so that public health and safety can be reviewed in an open and transparent process.

Furthermore, I object to ANY LOCATION near a residential neighborhood. It is not appropriate. It defeats the peace we all deserve in order to maintain our rural lifestyle in our county.

Hasn't the casino done enough damage to the surrounding neighborhood and our county???

We are tired of losing to the will of developers. Do what is right for the people. That is all we ask.

Thank you,

Dear Board of Supervisors,

I request that you take a firm stance and demand that the Tribe submit a project application for their proposed open shooting range project so that public health and safety can be reviewed in an open and transparent process. It is particularly essential given the proposed range's proximity to two elementary schools, private residences, a busy road and highway 50.

Thank you,
