This right during the one-year warranty period survives the expiration of this easement.

4. Compensation under this temporary construction easement covers the construction period estimated to be **24 (Twenty-four) months of construction**, together with the five-year warranty period. In the event that construction of the Project is not completed within **24 (Twenty-four) months** of commencement of construction, Grantors shall be entitled to additional compensation as follows: For each month thereafter, **the sum of \$ 33.34 (THIRTY THREE DOLLARS AND 34/100) monthly** will be paid to the Grantors, until construction is completed.

In the event of property damage, Grantee, at its sole option, may either repair the damage or pay the estimated costs for the repair.
