#61 - PUBLIC COMMENT  
6/24/14

June 24, 2014

El Dorado County Board of Supervisors

RE: Item 14-0907 - Add 1 FTE

The purpose of this letter is to state my support as a Trails Advocate for the hiring of an Engineering Technician for the Parks & Trails Department. With the completion date of March 27, 2012 of the Final El Dorado County Parks and Trails Master Plan the implementation, is off to a slow start, through no fault of the Parks & Trails Department of two.

The previous Boards decision to eliminate the Airport, Parks & Trails Department was not a good decision. It is now time to provide the newly formed department with staffing to accomplish the communities needs and wants as identified in the Master Plan.

Thank you for your consideration in favor of item sixty-one.

Sincerely,
