Mon, Jul 25, 2022 at 4:48 PM

Tomorrow at 10:30 am the EDC BOS will be receiving a presentation from County HHS regarding building a homeless "Navigation Center" off Missouri Flat on Perks Ct.

The item is #30.

Sacramento now has more homeless than San Francisco and the overflow will come here with no incentive at the Navigation Center to clean up their drug habits. The cost is \$3.7m tax payer \$s.

I OPPOSE THIS!! WHAT ARE YOU THINKING? PROTECT OUR TOWN!
I SURELY DONT WANT PLACERVILLE TO BE SAN FRANCISCO OR SACRAMENTO.
IF YOU SUPERVISORS DO, MOVE THERE!!
IF YOU SUPERVISORS WANT THIS YOU PAY FOR IT!
STAY OUT OF OUR POCKETS!!!

I OPPOSE THIS!!!

To whom this may concern,

As a taxpayer, homeowner and mother of two I can assure you that myself along with many of my neighbors do you not want homeless relocated in our county! The sheriff originally had a great plan to rehabilitate them. We should help the ones that are from here and not let others in. It will only increase drug activity and crime which we do not want nor need in our small community!

Sincerely,
Lona Scott
Camino, Ca

Homeless shelter on Missouri Flat Rd.

Carol Sagaser <carolasagaser@gmail.com>
To: edc.cob@edcgov.us

Mon, Jul 25, 2022 at 8:41 PM

Dear BOS;

We value your service to our community and the time and effort it takes to make important decisions that affect everyone, and thank you. However, we are very concerned regarding the issue before you regarding the homeless situation. We are very much in favor of caring for those who are homeless, but we are definitely against supporting their addictions by supplying needles, etc. instead of doing that, why not institute a rehab program? We don't want our tax dollars going toward supplying illegal and dangerous drug supplies that only encourage them to continue down a dangerous life style.

We also are not in favor of the present location that you have chosen for a shelter, due to it being so close to homes and shopping centers that pose a potential problem for families and businesses. Have any of you conducted a survey of the businesses and people who have their homes nearby? What if it were right next door to your home? Their property and homes will be greatly devalued.

Please reconsider your present plans of the location and consider another location where less homes and businesses will be affected negatively. Thank you to George Turnboo for voting against this plan.

Public Comment Item #30

Colleen Hearn <ccocpfounder@gmail.com>

Mon, Jul 25, 2022 at 8:42 PM

To: County of El Dorado Clerk of the Board <edc.cob@edcgov.us>

Cc: The Bosone <bosone@edcgov.us>, BOS Two <bostwo@edcgov.us>, Three Bos <bosthree@edcgov.us>, Four Bos <bosfour@edcgov.us>, The BOSFIVE <bosfive@edcgov.us>, Jeffrey Leikauf <LeikaufJ@edso.org>, John D'Agostini <DAgostiniJ@edso.org>

To the Board of Supervisors-

I am writing on behalf of the Board of Concerned Citizens of Cameron Park in regards to item #30 on the 7/26/2022 Board of Supervisors Agenda.

The CCOCP Board is writing to express their support of the Sheriff's H.O.M.E program which we believe is a more comprehensive solution for the County of El Dorado versus the current proposal by Health and Human Services located at Perk's Court.

The taxpayers are funding a robust Homeless Outreach Team who are subject matter experts in the area of homeless outreach, yet their engagement and trust by the Board, HHSA and EDOK on this countywide solution appears to be limited. We have attended many meetings and presentations given by the Sheriff's office who have offered a viable, fiscally conservative solution to this human crisis. To not strongly consider the feedback and data from a stakeholder such as the Sheriff on this critical matter is irresponsible to the public that you serve.

We are asking that you continue this matter and require HHSA to engage the Sheriff to find a swift, common sense solution for the citizens and the unsheltered in this County before pushing forward this proposed solution.

Respectfully,

Colleen Hearn, Founder and Chair, Concerned Citizens of Cameron Park

County of El Dorado Clerk of the Board <edc.cob@edcgov.us>

Agenda Item #30

Valerie Baker <vbaker2002@gmail.com>
To: Edc.cob@edcgov.us

Mon, Jul 25, 2022 at 10:16 PM

Dear EDC BOS,

As voters and a tax paying family in El Dorado County I am opposed to the HHS proposed Navigation Center at Perks Ct. because it does not include accountability or motivation for the homeless residence to clean up their act and stay clean off drugs and alcohol in order to reside there.

The EDSO Sheriff has a much better plan that includes accountability for their actions, rather than providing the paraphernalia they need to continue a drug addicted life. With the Sheriff's plan, the homeless will need to work to get clean and stay clean or face being kicked out.

I ask you all to join George Turnboo in voting "no." Remember, you work for the people who voted for you and your actions should reflect the best interest of your voting and tax paying community.

Do the right thing.
Thank you,
Valerie A. Baker, Esq.

To: Edc.cob@edcgov.us

Dear Board of Supervisors,

This is regarding the homeless "Navigation Center" that is being proposed by the County HHS for Placerville.

The "Navigation Center" is a terrible idea. I'm sure that that an overwhelming percentage of El Dorado County voters agree that it is a terrible idea.

The Sherrif has a solid plan for dealing with this problem. We ask that you support his plan which is based on accountability.

El Dorado County cannot afford to waste \$3.7m on another terrible idea.

Please vote against this ill-conceived scheme. Thank you.

Mike Leflar

20 year El Dorado County Resident

Navigation Center development

Rae Costello <rae.costello.mom@gmail.com>
To: Edc.cob@edcgov.us

Mon, Jul 25, 2022 at 11:36 PM

Dear Board of Supervisors,

As a constituent, I am emailing to request you to submit a no vote on the development of a "Navigation Center" for the homeless.

This plan is far from in the best interest for our community. Vote no on the navigation center. Only consider a plan that will hold those who seek help accountable

A center that supports the homeless community must have in place a set of standards individuals must meet who will be helped by the program to which our tax dollars are funding. I oppose this plan as there is no accountability in place for those utilizing the services this center will provide, and it will be an unsuccessful fruitless burden placed on taxpayers. Voting yes on this plan is a yes for vagrancy, drug use, addictions and crime without an ounce of concern for the community and our county. We have a beautiful rural community which propositions like these threaten the natural splendor and residents of the county.

This proposal must not be accepted. A better idea with accountability needs to be considered for the benefit of all.

Vote no on this proposal.

Sincerely,
Rae Costello

To: "edc.cob@edcgov.us" <edc.cob@edcgov.us>

Clerk of the Board t edc.cob@edcgov.us.

Re: agenda item #30. I apologize for not being aware of the agenda on July 26 in time for me to get comment in before 4pm today. I hope this note can still be addressed.

I support housing for the homeless, and think most fair minded people do. But in fairness to people who need this service, especially families, and for their safety and dignity, and for the sake of the community at large, I hope that drugs are not allowed in these shelters. Could you please address this issue? Would people being housed in these shelters have to share the space with addicts who are using?

People addicted to drugs (and mentally ill people as well) require hospital treatment, not public shelters, and not living on the streets.

I hope the Board has read Michael Shellenberg's compassionate and well researched book, "San Francisco" which describes solutions that do not work, and which destroy communities.

Please do NOT even consider building any homeless facility. As a former city council member for the City of Emeryville Ca I can assure you that ANY services offered to homeless persons only encourages more homeless to come. These are NOT marginalized citizens who fell on bad luck. The best you can do is to give them bus fare to another state or county to get ride of them. We also found that most homeless were homeless BY CHOICE.

I Oppose - Missouri Flat Road and Perks court

Jake Robinson <jakercd530@gmail.com>

Tue, Jul 26, 2022 at 9:40 AM

To: edc.cob@edcgov.us

Good Morning and thank you for taking the time to read my email. I oppose the building of the homeless Navigation Center off of Missouri flat road. I am a born and raised Placerville citizen and have lived in this beautiful town for 38 years. A Lot has changed since my youth and a lot of it I disagree with since the beauty of our town continues to look more and more like Sacramento. If you guys choose to vote yes on this, not only will it destroy our small town it will now increase the chance of drugs and assault. We have beautiful walking trails that will now be the highway for the homeless, creating an unsafe place for our residents to walk and enjoy. I am a small business owner on Missouri Flat and we already have issues with the homeless trying to break into our building and harassing our customers for money. This will increase causing an unsafe place and it is already difficult being a small business owner in El Dorado County.

Thank you for taking the time to read my concerns.

Navigation center for homeless

Ryan Robinson <robj_ed1365@hotmail.com>

Tue, Jul 26, 2022 at 9:24 AM

To: "edc.cob@edcgov.us" <edc.cob@edcgov.us>

I am sending this email for the El dorado county board of supervisors. Myself and my entire family oppose the Navigation center for homeless. Please spend time to consider how harmful this is for our community. We do not want our community looking like San Francisco and Sacramento. We already have drug problems in this county and our kids sports programs and education has been on a downward spiral for over 10 years now. We need to be spending our tax dollars on programs that will actually help better this community, not harm it like this will. Please think about our children and the future of this county when you review the Navigation center for homeless. Tax payers work too hard to pay for stuff like this. Build a bike park, or a entertainment place for child's etc. Use tax dollars to help keep kids from going down bad paths, don't use tax dollars to enable people.

Thank you for your time,
Ryan Robinson

I oppose this! I support and help homeless but we had a homeless situation set up directly next to my business and it was VERY problematic. They were finally forced to shut it down due to the problems. There is no need to place the homeless near businesses nor to cause more homeless in our county...think before you act!

Tue, Jul 26, 2022 at 1:10 PM

Supervisor Thomas you are so adamant about removing homeless from your commercial properties on Main Street/Broadway and to ensure YOUR FAMILY'S property (properties) value go up. You could care less about your District Constituent's properties and the value of their homes or the quality of life for THEIR families.

In fact, Supervisor Thomas, you should recuse yourself from making, participating or using your position to influence a governmental decision, due to the conflict of interest.

To avoid actual bias or the appearance of possible improprieties, per State of California Fair Political Practices Commission, you, Supervisor Thomas, as a public official, are prohibited from participating in this decision.

Supervisor Thomas, based on the Form 700, that you signed under penalty of perjury, you declared:

1. You and your immediate family have a business entity and/or commercial property in which you have an investment of \$2,000 or more, have received income or promised income aggregating to \$500 or more in the previous 12 months, including your community property interest in the income of your spouse (1200-1252 Broadway, 1244 Broadway, 1259 Broadway, 1270 Broadway, 209 Main Street, 359 Main Street).

You are using your position to influence this project, including directing a decision, voting, providing information or a recommendation and/or contacting or appearing before any other agency. When appearing before any other agency, you must not act or purport to act in your official capacity on behalf of the Board of Supervisors or County of El Dorado.

You have a mandated manner, Supervisor Thomas, in which you must disqualify from decisions made at a public meeting (including closed session decisions) and must publicly

identify a conflict of interest and leave the room before the item is discussed.

.....

We can all agree that we need to do something/somewhere - but this is a horrible location for a variety of reasons.

The Navigation Center, a glorified tent, should definitely not go in a residential neighborhood. It will be situated on a one way in/one way out, room for only one vehicle roadway that has access to Weber Creek for “outside of the facility” loitering to occur and contaminate the area with trash and drug paraphernalia.

When two cars are parked on the sides of the road, a vehicle, including emergency vehicles, are unable to pass. Crossing Missouri Flat is impossible during peak traffic times. What homeowner is going to suffer when they widen Perks Court to make room for an expensive, temporary facility?

Who assumes the liability when there are crimes against persons?

Having a “tent” occupy that area for all to see as they are coming into our town is not the image we want for Placerville. In two years, when this project supposedly comes to an end, where are these people going to go? Hangtown Haven dissolved and the homeless stayed and grew, overfilling our streets.

The city currently cannot handle the issues and the Sheriff has stated as such during past meetings. He suggested that a center be built next to the Sheriff facility in order to monitor and control potential issues. This is by far the best option. Why do the most logical options take a back seat? It is a wonderful balance of law and order to protect all and offer the best of services, treatment, and help to our homeless. Knowing what we know about

the percent of chronically homeless and addiction/mental illness, the most human way we can help them is providing all we can in services, but having an understanding that not getting help and doing the work, is not a pass to bringing the problems homeless camps do to our citizens and businesses.

The Navigation Center needs to be placed in a commercial area, not in a residential area.
