**NOW, THEREFORE**, in consideration of the performance by the parties of the covenants contained herein, County and CSD mutually agree as follows:

### ARTICLE I

**Property Use:** County and CSD agree to the occupancy and use of the Senior Center as depicted in Exhibit A for purposes related to providing senior recreational activities and senior nutrition services. Exhibit B depicts the space allocation between CSD and the County, with 52.13% of the building allocated to CSD (“CSD Portion”) and 47.87% allocated to the County (“County Portion”).

If the space allocation changes during the Term of this Agreement, the CSD Portion and the County Portion of costs and other responsibilities described herein shall change accordingly.

1. County Responsibilities. County shall:

All items purchased or provided by the CSD shall remain the property of the CSD, except where the items, equipment or furnishings are attached to the building and become a part of the structure, in which case they remain and become the property of the County upon CSD vacating the facility.
- I. Upon termination of this Agreement, leave the Senior Center in its original condition, except for any ordinary wear and tear that may have occurred.
- J. Not store hazardous materials at the Senior Center.
- K. Be responsible for any sales taxes, use taxes, assessments or possessory interest taxes to the extent CSD is liable for use of the Senior Center.

3. General Provisions:

## **ARTICLE II**

**Term:** This Agreement shall become effective when fully executed by both parties and shall cover the period of July 1, 2015 through June 30, 2018. The parties shall have the option to extend the term for two (2) additional three (3) year terms after the initial expiration date of June 30, 2018. Each option shall be on the same terms and conditions as provided for herein for the initial term.

## **ARTICLE III**

**Changes to Agreement:** This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto.

## **ARTICLE IV**

**Fiscal Considerations:** The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, El Dorado County is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County shall adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products or equipment subject herein. Such notice shall become effective upon the adoption of a final budget which does not provide funding for operations under this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce, or order a reduction, in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of the County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

## **ARTICLE V**

### **Default, Termination, and Cancellation:**

- A. **Default:** Upon the occurrence of any default of the provisions of this Agreement, a party shall give written notice of said default to the party in default (notice). If the party in default does not cure the default within thirty (30) days of the date of notice (time to cure), then such party shall be in default. If, however, by its nature, the default cannot be cured within thirty (30) days, the party in default may have a longer period as is necessary to cure the default, but this is conditioned upon the defaulting party promptly commencing to cure the default within the thirty (30) day period, and thereafter, diligently completing the cure. Any extension of time to cure must be in writing, prepared by the party in default for signature by the party giving notice and must specify the reason(s) for the extension and the date on which the extension of time to cure expires.

Notice given under this section shall specify the alleged default and the applicable Agreement provision and shall demand that the party in default perform the provisions of this Agreement within the applicable period of time. No such notice shall be deemed a termination of this Agreement unless the party giving notice so elects in this notice, or the party giving notice so elects in a subsequent written notice after the time to cure has expired. In the event of termination for default, the County reserves the right to take over and provide the services by contract or by any other means.

- B. **Bankruptcy:** This Agreement, at the option of the County, shall be terminable in the case of bankruptcy, voluntary or involuntary, or insolvency of CSD.
- C. **Ceasing Performance:** County may terminate this Agreement in the event CSD ceases to operate as a special district, or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. **Termination or Cancellation Without Cause:** Either party may terminate this Agreement in whole or in part upon ninety (90) calendar days written notice for any reason.
