

**RIGHT OF ENTRY**  
**Project: Mosquito Fire Restoration**

062-061-019-000

Assessor's Parcel No.(s)

Dear Madam or Sir:

Permission is hereby granted to the Resource Conservation District (RCD); their agents, officers, employees, contractors, designees and/or permittees to enter upon your property identified by the above-referenced Parcel No.(s) for the purpose of performing fuel load management activities, hereinafter referred to as the Project.

Landowner hereby grants the RCD, their agents, officers, employees, contractors, designees and/or permittees permission to enter onto real property owned by the Landowner to perform fuel load management, restoration and reforestation activities. Access shall be limited to those portions of Landowner's real property where the actual fuel load management work is to be performed and those additional portions of the real property, which must be traversed to gain access to the project site.

In consideration of the permission granted, the RCD agrees that:

- This Right of Entry shall only be valid Until December 2028. This Agreement may be terminated by either party for any reason and at any time by giving no less than 2-days written notice of such termination to the other party and specifying the effective date thereof.
- Only those portions of the property shall be accessed as necessary to gain access to the project site and conduct fuel load management activities.
- No structures of any type will be entered, disturbed or damaged.
- Work will be performed in such a manner that ingress or egress to the property will be only affected as is practicable to complete the necessary work.
- No debris or waste material will be left on property.

**INDEMNIFICATION-HOLD HARMLESS**

"RCD" shall indemnify owner against loss or damage caused by any wrongful or negligent act or omission of RCD, its agents or employees, contractors, in the course of their employment as may be provided for in the California Government Tort Claims Act (Government Code Sec. 810 et seq).

This permission is granted in consideration of the construction, improvements, or other purpose mentioned in this letter, which it is understood, is required by the RCD and shall continue in effect until this work is completed.

ACCEPTED:
