The Office of Administrative Hearings (OAH) provides quasi-judicial and other dispute resolution services for state and local agencies, special districts, and other government entities. OAH provides the judicial process that decides appeals by individuals and businesses when a state agency withholds or terminates entitlement to a professional license pursuant to the Administrative Procedures Act (APA). Proceedings not covered under the APA are also heard. In addition, OAH provides mediation and/or arbitration services to parties who have a dispute that is the subject of an adjudicative proceeding. OAH provides court reporter services via contract, and those costs are passed on to the agency requesting the hearing.
