The Work for which this Proposal is submitted is for the construction in accordance with these Contract Documents which includes the payment of not less than the State general prevailing wage rates, the Project Plans described below, including any addenda thereto, the Contract annexed hereto, and also in accordance with the Labor Surcharge and Equipment Rental Rates in effect on the date the Work is accomplished, and in accordance with the General Prevailing Wage rates. The Project Plans and Contract Documents for the Work to be done are entitled:

UNION MINE WASTEWATER TREATMENT PLANT CONSTRUCTION AND RENOVATION OF THE EXISTING WASTEWATER TREATMENT PLANT, PROJECT # 007E-PW-10/11-BOS.

The Work is broken down into 3 (three) specific bid items for budgeting purposes. The County may award any or all of the individual bid items. Standalone Bids are to be submitted for each bid item. The cost of overhead and profit shall be included in each bid item as a standalone bid. The amount of each Bid for comparison purposes will be the total of all the items in each base Bid. The County reserves the right to accept or reject any or all project responses received as a result of this request for bid, to issue a contract to any qualified respondent, or to cancel this project or future projects in whole or in part.

The Bidder shall set forth for each unit basis item of Work a unit price and a total of the item, and for each lump sum item a total for the item, all in clearly legible figures in the respective spaces provided for this purposes. In the case of unit basis items, the amount set forth under the "Item Total" column shall be the product of the unit price Bid and the estimated quantity for the item.

In case of discrepancy between the item price and the total set forth for a unit basis item, the unit price shall prevail, except as provided in (a) or (b), as follows:

- (a) If the amount set forth as a unit price is unreadable or otherwise unclear, or is omitted, or is the same as the amount of the entry in the item total column, then the amount set forth in the total column for the item shall prevail and shall be divided by the estimated quantity for the item and the price thus obtained shall be the unit price;
- (b) (Decimal Errors) If the product of the entered unit price and the estimated quantity is exactly off by a factor of ten, one hundred, etc., or one-tenth, or one-hundredth, etc., from the entered total, the discrepancy will be resolved by using the entered unit price or item total, whichever most closely approximates percentage wise the unit price or item total in the Department's Final Estimate of cost.

If this Proposal is accepted and the undersigned Bidder shall fail to enter into the Contract and furnish the two bonds in the sums required by the State Contract Act, with surety satisfaction to the County of El Dorado within 10 days, not including Sundays and legal holidays, after the Bidder has received notice from the County of El Dorado that the Contract has been awarded, the County of El Dorado may, at its option, determine that the Bidder has abandoned the Contract, and thereupon this Proposal and the acceptance thereof shall be null and void and the forfeiture of such security accompanying this Proposal shall operate and the same shall be the property of the County of El Dorado.

The undersigned, as Bidder, declares under penalty of perjury under the laws of the State of California that the only persons or parties interested in this Proposal, as principals, are those named herein; that this Proposal is made without collusion with any other person, firm, or corporation; that the Bidder has carefully examined the location of the proposed Work, the

annexed proposed form of Contract, and the Project Plans therein referred to; and the Bidder proposes, and agrees if this Proposal is accepted, that the Bidder will Contract with the County of El Dorado, in the form of the copy of the Contract annexed hereto, to provide all necessary machinery, tools, apparatus, and other means of construction, and to do all the Work and furnish all the materials specified in the Contract, in the manner and time therein prescribed, and according to the requirements of the Engineer as therein set forth, and that the Bidder will take in full payment therefore the following item prices, to wit:

END OF PROPOSAL

BIDDER'S DECLARATION AND UNDERSTANDING

This undersigned, hereinafter called the Bidder, declares that the only persons or parties interested in this Proposal are those named herein, that this Proposal is, in all respects, fair and without fraud, that it is made without collusion with any official of the County, and that the Proposal is made without any connection of collusion with any person submitting another Proposal on this Contract.

The Bidder further declares that he/she has carefully examined the Bid Documents for the construction of the project, that he/she has personally inspected the site, that he/she has satisfied himself as to the quantities involved, including materials and equipment, and conditions of work involved, including the fact that the description of the quantities of work and materials, as included herein, is brief and is intended only to indicate the general nature of the work and to identify the said quantities with the detailed requirements of the Bid documents, and that this Proposal is made according to the provisions under the terms of the Bid Documents, which Documents are hereby made a part of this Proposal.

The Bidder further agrees that he/she has exercised his/her own judgment regarding the interpretation of subsurface information and has utilized all data which he/she believes pertinent from the Engineer, County, and other sources in arriving at his/her conclusions.

(NOTICE: Bidder's failure to fully complete and execute the questionnaires and statements contained in this Proposal as required by applicable laws and regulations, or the determinations by County of El Dorado based upon those questionnaires and statements may prohibit award of the subject contract to the bidder.)

The Bidder agrees that if this Proposal is accepted, he will, within 10 working days after receiving the notice of award, sign the Contract in the form annexed hereto, and will at that time, deliver to the County the Performance Bond and Payment Bond required herein, and will, to the extent of his Proposal, furnish all machinery, tools, apparatus, and other means of construction and do the work and furnish all the materials necessary to complete all work as specified or indicated in the Bid Documents.

START OF CONSTRUCTION AND CONTRACT COMPLETION TIME

The Bidder further agrees to begin work within 10 working days after the date of the Notice to Proceed and to complete the construction, in all respects, by August 31, 2012.

LIQUIDATED DAMAGES

In the event the Bidder is awarded the Contract and shall fail to complete the work within the time limit or extended time limit agreed upon, as more particularly set forth in the Bid Documents, liquidated damages shall be paid to the County at the rate of \$1000 per day for all work awarded under one contract until the work shall have been satisfactorily completed as provided by the Bid Documents.

SALES AND USE TAXES

The Bidder agrees that all federal, state, and local sales and use taxes are included in the stated bid prices for the work.

PROPOSAL REQUIREMENTS

This proposal is for the construction of the Work in accordance with the Bid Documents (including the payment of not less than the minimum wage rates set forth in the Bid Documents), including the Contract annexed hereto, the project Plans, the current California Department of Transportation Standard Plans and Standard Specifications, the Labor Surcharge and Equipment Rental Rates in effect on the date the work is accomplished, and in accordance with the current "General Prevailing Wage Rates" published by the California Department of Transportation.

Bids are required for the entire work. The amount of the bid for comparison purposes will be the additive total of all extended item unit prices.

The Bidder shall set forth for each item of work, in clearly legible figures, a unit cost and a subtotal cost in the respective spaces provided for this purpose.

In case of discrepancy between the unit cost and the subtotal cost set forth for the item, the unit cost shall prevail; except, however, that for lump sum items, the sum set forth in the "Subtotal Cost" column shall prevail.

BID SECURITY

Accompanying this Proposal is bidder's bond in an amount of at least ten (10) percent of the total Base Bid Price. (In the blank space insert "bidder's bond", "certified check", or "cashier's check", as the case may be.)
