cc: Dist. 4

#12) I would like to express my desire to be a member of the First 5 El Dorado Children and Families Commission. I feel that I would be a great fit for the Commission. I possess my Master of Arts in Education, Counseling and Guidance and my Pupil Personnel Services Credential. I am currently a school Counselor at Georgetown School, which is a K-8 school. My employer is Family Connections and I am contracted with Black Oak Unified School District. All of my professional experience is working with children. Prior to working with the school district, I worked at Debi's Play Center and Little Angel's Pre-School as a teacher. I was also employed as the Primary Intervention Program (PIP), Intervention Specialist at Georgetown School, where I worked with K-3 grade students. I have been involved with several committees such as the Ready by 21 Committee, First 5 El Dorado, Positive Action Team (PAT), District Coordinated Health Council, school Curriculum Committee, Family and School Support Team (FAAST) and the School Student Success Team (SST). I have been trained in Youth Development Institute (YDI), and attended the Early Mental Health Initiative Conferences for the past 4 years. I am involved with many youth sport affiliations within the community and help with the Teddy Bear Picnic on an annual basis. All of these committees and positions are working with our children, which is my main interest. I care for our children and would love the opportunity to serve them in an additional role. I am an organized person and I see myself as very approachable. My main interest is to serve the children within our communities and help them to have every chance possible to become the best that they can! Thank you for your consideration.
