TOTAL PROVISIONAL AMOUNT OF THIS AGREEMENT	\$31,154.00
TOTAL NOT TO EXCEED AMOUNT OF THIS AGREEMENT	\$35,000.00

The Total Provisional Amount of this Agreement is the maximum amount to which Contractor is entitled by County; however, Contractor may submit a written formal request to County to increase that amount and County will consider that request. The Administrator in his or her discretion, and depending upon funding availability, may increase or decrease the Total Provisional Amount of this Agreement, and may revise the component amounts of the Total Provisional Amount of this Agreement, as detailed in the grant and/or funding obligations above, up to but not to exceed the Total Not to Exceed Amount of this Agreement, by written notice to Contractor. Regular Drug Medi-cal services rendered will be paid at approximately 50% for the State portion and 50% for the federal match portion. Billing rates for services performed during the month following execution of Amendment I to this Agreement and all subsequent months during the term of this Agreement shall be in accordance with the State-approved Drug Medi-Cal (DMC) rates in effect for the period in which services were performed. This standardized rate provision applies to all substance abuse and other therapeutic counseling and treatment services, as defined in Exhibit B as amended, attached hereto and made a part hereof, regardless of the type of funding used for such services, as set forth in Article 3.2. Approved DMC rates may be obtained by Contractor from the California Department of Alcohol and Drug Programs (State ADP) website (currently <http://www.adp.ca.gov/dmc/dmc.shtml>) or by contacting State ADP or County ADP directly. Any changes made by the State to DMC rates, and the effective date of those changes, shall be as defined by the State and automatically become a part herein. Should the State at any time provide notification that it does not have approved DMC rates, Contractor shall continue to use the last approved DMC rates in effect prior to such notification, until the State identifies new approved DMC rates. The effective date of new State-approved rates will be as stipulated by the State.

County shall not pay for any services that have not been pre-approved in writing by the Alcohol and Drug Program Manager.

Article VI

Article 3.4 of the Agreement regarding **Compensation Method** shall be amended in its entirety to read as follows:

3.4.1 County shall pay Contractor for not more than the actual cost of services performed, less any revenues actually received from client fees, insurance, and/or other third party payers, provided that:

3.4.1.1 All services provided shall be billed at the units of measure defined in Exhibit B attached herein, at the maximum rates as specified in Article 3.3 above.

3.4.1.2 The total payments shall not exceed the County's Total Maximum Obligation, by funding type, as set forth in Article 3.2 of this Agreement.
