

Exhibit C

List of Assurances (For Site Improvements)

By entering into the foregoing Agreement the applicant assures and certifies that it will comply with Conservancy regulations, policies, guidelines, conditions, and requirements as they relate to the acceptance and use of Conservancy funds for the Project. Also, the applicant gives assurance and certifies with respect to the grant that:

1. It possesses legal authority to apply for and receive the grant funds, and to finance and construct the proposed facilities; that where appropriate, a resolution, motion or similar action has been duly adopted or passed as an official act of the applicant's governing body, authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of the applicant to act in connection with the application and to provide such additional information as may be required.
2. It will ensure that all project improvements are designed to last for at least twenty (20) years.
3. It has sufficient funds or commitments for sufficient funds to complete the Project, over and above the portion to be borne by the Conservancy and, when the Project are completed, to assure the effective operation and maintenance of the facility for the purposes of the Conservancy grant.
4. It holds or will obtain sufficient title or interest in the property to enable it to undertake lawful development and construction of the Project. In the case where the Grantee is acquiring an interest in the property as a part of the project development, such title documentation shall be subject to the review of the Executive Officer of the Conservancy.
5. It will not dispose of or encumber its title or other interests in the site and facilities except as approved in writing by the Executive Officer of the Conservancy for consistency with the purposes of this grant.
6. It will permit the Conservancy's Project Coordinator and any other designated representatives to enter onto the Project sites for the purpose of conducting studies, evaluating the progress of the Project or inspecting the Project sites at reasonable times before, during and after the construction phase of the Project.
7. Except as otherwise provided by law, it will give the Conservancy, through any authorized

representative, access to and the right to examine all records, books, papers, or documents related to the grant.

8. It will ensure that any publications, studies, reports, or brochures which are made possible by or derived in whole or in part from the Project shall acknowledge the assistance of the Conservancy as follows: "Funding for this project has been provided in part by the California Tahoe Conservancy."

9. It will cause work on the Project to be commenced within a reasonable time after receipt of notification from the Conservancy that funds have been approved, and will carry the improvements to completion with reasonable diligence.

10. It will, where appropriate, comply with the requirements of the State's Braithwaite Act (Chapter 1574, Statutes of 1971 and related statutes), which provides for fair and equitable treatment of displaced persons.

11. It will comply with the applicable requirements of the California Environmental Quality Act.
