ORDINANCE NO. \_\_\_\_\_

AN ORDINANCE ADOPTING REVISIONS TO THE RANCH MARKETING ORDINANCE  
AND THE WINERY ORDINANCE

**THE BOARD OF SUPERVISORS OF THE COUNTY OF EL DORADO DOES  
ORDAIN AS FOLLOWS:**

Section 1. Section 130.10.030 of the El Dorado County Ordinance Code entitled  
"Responsibility for Administration" is hereby amended as follows:

**Sec. 130.10.030 Responsibility for Administration.**

- A. Responsible Bodies and Individuals. This Title shall be administered by:
1. The El Dorado County Board of Supervisors, hereafter referred to as the Board;
  2. The Planning Commission, hereafter referred to as the Commission;
  3. The County Zoning Administrator, hereafter referred to as the Zoning Administrator;
  4. The County Agricultural Commission, hereafter referred to as the Ag Commission;
  5. The County Agricultural Commissioner, hereafter referred to as the Agricultural Commissioner.
  6. The Director of the Planning and Building Department or designee, hereafter referred to as the Director; and
  7. The Planning and Building Department hereafter referred to as the Department.
- B. Advisory Committees. The Board may appoint Advisory Committees to review design review applications, or provide input on other issues of concern to the Board or the Commission. These Advisory Committees include, but are not necessarily limited to, the following:
1. Cameron Park Design Review Committee.
  2. El Dorado Hills Design Review Committee.

3. Pollock Pines Design Review Committee.
  4. Community & Economic Development Advisory Committee ("CEDAC").
  5. Diamond Springs-El Dorado Community Advisory Committee.
  6. Meyers Area Plan Advisory Committee.
- C. Responsibility and Authority of the Director. The duties and responsibilities of the Director are those enumerated in Article 6 (Zoning Ordinance Administration) of this Title, in this Title and in other Titles of the County Code of Ordinances. Whenever this Title refers to the Director, it is expressly understood to include Department staff acting under the direction and control of the Director, and whenever this Title refers to the Department it is expressly understood to describe Department staff acting under the direction and control of the Director.
- D. Rules of Application. This Title shall be applied in the following manner:
1. Minimum Requirements. The provisions of this Title shall be deemed to be the minimum standards unless stated otherwise (for example, maximum building height or maximum density). These standards shall apply to all buildings, structures and uses, except where this Title provides for the exercise of discretion or where a Variance is granted.
  2. Conflicting Provisions. If conflicts occur between different requirements of this Title, or between provisions of this Title and requirements imposed by other provisions of the County Code of Ordinances or other laws, and regulations adopted by the County, the more stringent development requirement or greater restriction on the use of land or buildings shall apply.
  3. Single Lot Containing Multiple Zones. Where the boundaries of the zone designation are not coterminous with the property line boundaries, a single lot will contain multiple zones. In that event, the County shall first determine if the zone boundary appears to be the result of a mapping error. In that case, the mapping error shall be resolved as provided in Subsection D.5 (Map Corrections) below in this Section.  

Where the County determines that a mapping error has not occurred, the uses of the lot shall be consistent with the zone as shown for the portion of the lot on which the use is proposed. Multiple uses of a lot with multiple zones are expressly allowed consistent with the requirements of each zone. The precise location of the uses may be modified by a planned development or specific plan. Any uncertainty as to the boundaries of each zone within the lot shall be determined pursuant to Subsection D.4 (Map Boundaries) below in this Section.
  4. Map Boundaries. Where the boundaries of any zone shown on the zoning maps are uncertain, the following rules shall apply to resolve the uncertainty:
    - a. Where a zone boundary approximately follows a lot line, or road or street, such lot line or the centerline of the road or street shall be construed to be the boundary.

- b. Where a zone boundary approximately follows a stream or river, ridge line or other distinct geographic or topographic feature, such stream or geographic feature shall be construed to be the boundary.
  - c. If a zone divides a lot, and the boundary line location is not otherwise designated, the location of the boundary shall be determined by the use of the scale appearing on the zoning map.
5. Map Corrections. Where a zone boundary appears to be in error, the Director may make the correction based on historical data, prior zoning maps, clear legislative intent, and other available information. Where the record is unclear, the zoning shall be reviewed by the Commission to determine if the map is in error. If, after review of the record, the Commission finds that the map is in error, they shall direct the Director to correct said error by revising the official maps accordingly within 30 days of the Commission's review.

Section 3. Section 130.37.070 of the El Dorado County Ordinance Code entitled “Noise Reduction Measures” is hereby amended as follows:

**Sec. 130.37.070 Noise Reduction Measures.**

Noise reduction measures shall be incorporated into the project design to reduce noise levels at or below the thresholds set forth in Tables in Section 130.37.060 (Noise Standards) above in this Chapter. Where applicable, the following specific requirements shall also apply:

- A. To meet noise threshold standards under Table 130.37.060.2 (Noise Level Standards for Noise-Sensitive Land Uses Affected by Transportation Noise Sources) above in this Chapter, where feasible, setbacks shall be the preferred method of noise abatement for residential projects located along U.S. Highway 50. Noise walls shall be discouraged within the foreground viewshed of U.S. Highway 50 and shall be discouraged in favor of less intrusive noise mitigation (e.g., landscaped berms, setbacks) along other high volume roadways.
- B. For outdoor concerts and events utilizing amplified sound system(s), a discretionary permit shall be required in the form of a Temporary or Conditional Use Permit, except for special events and marketing events that are allowed by right or with an administrative permit consistent with Chapter 130.44 (Ranch Marketing) or 130.40.400 (Wineries). Self-monitoring shall be performed to insure that sound system levels are in compliance with those specified in the conditions of approval based on the acoustic analysis. As a standard condition of approval for such use permits, failure to comply with sound system levels shall result in termination of the event for the duration of the period approved under the use permit and a moratorium on future events for the applicant or the property owner of two calendar years from the date of non-compliance. A second violation after such time shall result in revocation of the Conditional Use Permit, if applicable, and a permanent moratorium on future events for the applicant and property owner whether on that site or any other within the County.

Section 4. Section 130.40.260 of the El Dorado County Ordinance Code entitled “Produce Sales” is hereby amended to read as follows:

**Sec. 130.40.240 Produce Sales.**

- B. **General Standards.** Sale of produce grown on-site shall be subject to the following:

1. Sales may occur on-site subject to adequate off-road and/or road frontage parking.
2. One produce stand, as defined in Article 8 (Glossary: see "Produce Stand") of this Title, may be used subject to the following requirements:
  - a. The stand shall measure 200 square feet or less in size and be situated a minimum of 50 feet from the nearest side or rear property line.
  - b. An encroachment permit shall be secured from the Department of Transportation if the produce stand is accessed from a County road.
  - c. Parking requirements shall be in compliance with Table 130.35.030.1 (Schedule of Off-Street Vehicle Parking Requirements) in Chapter 130.35 (Parking and Loading) in Article 3 (Site Planning and Project Design Standards) of this Title. The parking area shall meet minimum setback standards for the zone and shall be designed to prevent vehicles from backing into the roadway. Said parking area may be of gravel or dirt surface, but dust control measures shall be implemented as needed to comply with Air Pollution Control District standards.
- C. Value-added Agricultural Products. Value-added agricultural products, as defined in Article 8 (Glossary: see "Agriculture, Value-added Product") of this Title, created from products grown on-site, may be sold concurrently with agricultural products on-site. Products shall comply with all local, and state and federal laws and regulations.
- D. Off-site Sales. No direct sales of produce grown off-site or of any other merchandise, including wholesale or retail nursery products, shall be allowed by right. Off-site produce sales, when in conjunction with a shared multi-farm produce stand, may be allowed subject to approval of a Minor Use Permit (See Section 130.52.020: Minor Use Permits) in Article 5 (Planning Permit Processing) of this Title.
- E. Ranch Marketing. Produce sales in excess of the requirements of this Section, shall be subject to Chapter 130.44 (Ranch Marketing) below in this Article.

- E. Winery Uses: The following provisions shall apply to all wineries, accessory structures, and accessory uses:
1. General Winery Provisions.
    - a. The primary purpose of the winery shall be to process fruit grown on the winery lot or on other local agricultural lands. No more than 50 percent of the fruit processed shall be imported from outside El Dorado County.
    - b. Wineries include those areas of a winery where grapes are crushed, fermented, or pressed; where bulk wine is stored in tanks or barrels; where winery operations such as racking, filtering, blending, or bottling of wines are carried out; and where on-site case goods are stored.
    - c. Multiple lots under the same ownership are not considered to be a single lot for purposes of this Section.
  2. Tasting Facilities.
    - a. Subordinate to Winery. Tasting facilities shall be clearly related and subordinate to the primary operation of the bonded winery as a production facility. The primary focus of the tasting facilities shall be the marketing and sale of the wine and grape or fruit products produced, vinted, cellared, or bottled at the winery. Snack foods that are consumed during wine tasting are allowed.
    - b. Wine Sales. Retail sales of wine fruit products shall be limited to those produced, vinted, cellared, or bottled by the winery operator or grown on the winery lot, or custom crushed at another facility for the winery operator, subject to the provisions of an ABC Type 2 Winegrower's license. (The ABC Type 2 Winegrower's license requires that at least 50 percent of the wine sold be produced by the winery).
    - c. Marketing. Tasting facilities include any marketing activities sponsored by a winery facility intended for the promotion and sale of the facility's products. Activities of a marketing event may include, but are not limited to live music, catered food, food prepared on the premises, winemaker dinners, releases,

library wines, discounted sales, "bottle-your-own", and similar activities. Live music is subject to Subsection G.8 (Outdoor Amplified Music) below in this Section. Concerts or other outdoor amplified music or voice or events sponsored by or for the benefit of an organization other than the winery shall not be allowed as marketing events, but may be allowed as special events subject to Subsection E.3 (Special Events) below in this Section.

3. Special Events. Special events, as defined in Article 8 (Glossary) of this Title, are any events such as charitable events, promotional events, and facility rental events that are not the tasting and marketing activities described in Subsection E.2.c (Tasting Facilities: Marketing) above in this Section.
  - a. Number Allowed. Except as provided in Subsection f (Charitable Events) below, special events are limited to a total of forty-eight (48) days per calendar year. Special events that have, or are planned to have, up to 250 persons in attendance shall count against the total number of events allowed. A winery owner may only hold one (1) special event per calendar day. If a special event is intended to last more than one (1) calendar day, the winery owner shall submit separate notices for each day pursuant to Subsection f (Advance Notice) below, and each event will be included in the forty-eight (48) event limit calculated under this Subsection. Facility rental events are a type of special event where the winery owner is compensated for the use of the site and facilities, such as weddings, parties, company picnics, birthdays, reunions, or other social gatherings. Facility rental events are part of the total special events allowed, but are further limited to the following:
    - (1) Lots less than 20 acres in size: 12 days per calendar year.
    - (2) Lots 20 acres or more in size: 24 days per calendar year.
  - b. Capacity Limitation. All special events are limited to two hundred and fifty (250) persons at one time. The winery owner shall ensure that the special event does not exceed the maximum capacity of two hundred and fifty (250) persons at one time.
  - c. Ranch Marketing. This Section, rather than Chapter 130.44 (Ranch Marketing), shall govern a winery owner holding a special event. The number of special events shall not be added to or combined with those allowed by right under Chapter 130.44 (Ranch Marketing).
  - d. Temporary Use Permit. The winery owner may apply for a Temporary Use Permit in compliance with Section 130.52.060 (Temporary Use Permit) in Article 5 (Planning Permit Processing) of this Title for a special event that meets all the following requirements:
    - (1) The number of attendees will exceed two hundred and fifty (250) persons at any given time.

- (2) The winery owner has been issued no more than three (3) Temporary Use Permits for that property per calendar year, including the special event that the Temporary Use Permit would apply to.
  - (3) The winery owner shall not hold more than one special event under this Subsection per calendar month.
- e. Concerts or Other Amplified Outdoor Music or Voice. Concerts or other outdoor amplified music or voice in which the music is the primary attraction may be allowed if the winery owner obtains a Conditional Use Permit in compliance with Section 130.51.021 (Conditional Use Permits) in Article 5 (Planning Permit Processing) of this Title, or a Temporary Use Permit in compliance with Section 130.52.060 (Temporary Use Permit) in Article 5 (Planning Permit Processing) of this Title. If it is reasonably anticipated that more than one-hundred and fifty (150) persons will be present at the event, the winery owner shall also obtain a permit under Chapter 12.39 or a permit for an outdoor music festival under Chapter 5.32, as applicable.
- f. Advance Notice.

The winery owner who was issued the order may appeal the Agricultural Commissioner's determination to the Ag Commission within thirty (30) calendar days of the order being issued. The Ag Commission shall review the determination for consistency with this Section and issue a decision. The winery owner has twenty (20) calendar days to file a timely appeal of that decision to the superior court. If any party fails to file a timely appeal to the Ag Commission or the superior court shall be deemed to have waived any and all objections to the Agricultural Commissioner or the Ag Commission's determination.

  1. First violation: \$250.
  2. Second violation: \$500
  3. Third or subsequent violation: \$1,000.

- D. Any subsequent substantiated violation of this paragraph will extend that six (6) month period for an additional six (6) months. The County may enforce any violation of this paragraph as a public nuisance and may take all reasonable actions consistent with law to abate that public nuisance, including injunctive relief. For purposes of this paragraph, *substantiated violation* means the operator of the ranch marketing area received a Notice and Order under Chapter 8.03 and either did not contest such violation or filed a timely appeal and the violation in the Notice and Order was upheld by the administrative hearing officer. A *substantiated violation* does not include a complaint that did not result in a substantiated violation, nor does it include a violation that led to a Notice and Order that was withdrawn by both parties due to compliance.

### Section 13. Severability.

If any section, subsection, sentence, clause, phrase, or portion of this ordinance is for any reason held invalid or unconstitutional by a decision of any court of competent

jurisdiction, such decision shall not affect the validity of the remaining portions of this ordinance. The Board of Supervisors hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause, and phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared invalid or unconstitutional.

Section 14. California Environmental Quality Act.

In 2015, the Board of Supervisors certified the Final Environmental Impact Report (EIR) (State Clearinghouse No. 2012052074) for the El Dorado County (County) Targeted General Plan Amendments & Zoning Ordinance Update (TGPA-ZOU) Project. Under CEQA Guidelines section 15164, the County must prepare an addendum to a previously certified Environmental Impact Report (EIR) if some changes or additions are necessary but none of the conditions described in CEQA Guidelines section 15162 that require the preparation of a subsequent EIR have occurred. After a review, staff determined that a CEQA Addendum is the appropriate level of environmental review for the amendments to the Ranch Marketing Ordinance and Winery Ordinance because these amendments would not result in any new or more severe impacts than those previously analyzed in the 2015 TGPA-ZOU Project EIR. The CEQA Addendum, together with the 2015 TGPA-ZOU Project EIR, will be utilized by the County as the environmental clearance for the Title 130 Zoning Ordinance Amendments in accordance with Sections 15162 and 15164 of the CEQA Guidelines.

Section 15. Effective date

Pursuant to California Government Code section 25123, this ordinance shall become effective thirty (30) days from the date of final passage by the Board of Supervisors.
