I am writing to ask you to reconsider to whom you awarded the cannabis business permit. Charles Boldwyn is a Tahoe resident who has extensive experience as a cannabis consultant setting up compliant operations in other locales. Additionally, he started a much needed COVID testing company to meet the needs of our community. His wife is a lifelong resident and business owner on the South Shore and both Charles and his wife have given back to our community in a myriad of ways.

Charles Boldwyn is the best choice to operate a responsible cannabis shop in Meyers.
