Exempt Status:

CEQA Statute Section 21080.

Categorical Exemption. State type and section number: _____

Statutorily Exempt pursuant to Section 15182 [Residential Projects Pursuant to a Specific Plan with a certified Environmental Impact Report- State Clearinghouse No.86122912 (El Dorado Hills Specific Plan EIR)].

Statutory Exemption. State code number: _____

Reasons why project is exempt:

This time extension to the approved Serrano Village C2 Tentative Subdivision Map (TM08-1465) would allow the continued residential development of the project consistent with the adopted El Dorado Hills Specific Plan. The time extension does not make any changes to the approved tentative map approval, does not involve new significant environmental effects, and does not increase the severity of previously identified significant effects. No new information that was not known and could not have been known at the time the Environmental Impact Report (EIR) for the El Dorado Hills Specific Plan was certified has since become available. Therefore, this tentative map time extension application is consistent with and is hereby exempt in accordance with CEQA Guideline Section 15182. No further environmental analysis is necessary.
