

**EL DORADO COUNTY
YOUTH COMMISSION**
311 FAIR LANE, PLACERVILLE, CA 95667

December 20, 2007

Dear Supervisor Dupray,

During the spring of 2007 the El Dorado County Youth Commission had the opportunity to appoint a dynamic team of twenty-five youth to represent the youth voice throughout the community. The interview process brought forth many talented and dedicated youth throughout the community. Unfortunately, due to previous commitments and time restraints the following youth resigned from their positions (please accept enclosed letters of resignation):

- Steven Vance – Webmaster
- Gabe Wasserman – Environmental Committee Chair
- Christina Comer – Health Committee Chair (resigned prior to year commencement therefore no letter of resignation)
- Julian Rambob – Safe Place Committee Chair

Fortunately, the open positions on the El Dorado County Youth Commission were quickly filled by an excellent team of enthusiastic youth representatives. As the year continued the open positions were not enough to fill the excitement of youth throughout the community, therefore we have added an additional two youth that have fully engaged in the opportunities presented. The Youth Commission recommends that the El Dorado County Board of Supervisors appoints the following youth as members of the El Dorado County Youth Commission through an official agenda item:

- Kate Gorrell – Cultural Committee Chair
- Steven Kent – Environmental Committee Chair
- Liana Novak – Health Committee Chair
- Christina Saloman – Humane Education Committee Chair
- Jessica Luna – Humane Education Committee Chair
- Dakota Keeton – Safe Place Committee Chair
- Eli Nifman – Webmaster

If you have any questions regarding the following subtractions and additions please contact Carol's office at (530) 621 5507. Please notify us when the following changes have been made as we would like to update the El Dorado County Youth Commission members on the El Dorado County list of official commissions.

Sincerely,

Austin Bay
Co – Chair
District V Commissioner
El Dorado County Youth Commission

Dear Carol,

I am writing this letter to inform you that I will no longer be able to participate in the Youth Commission. I have over committed myself. My classes are more demanding and time consuming than I anticipated. Thank you for this opportunity and good luck to you and the Commission.

Dear Carol and El Dorado County Youth Commission Officers,

It is my misfortune that I must tell you I am resigning my post as a Safe Place Committee chairperson. I had a wonderful time at the retreat and made many new friends there but I also realized how overwhelming I found my current position to be. Being a freshman in a new school along with the youth commission gave me the frightful thought that I might have too tight of a schedule to be able to complete my school work and youth commission work to the top of my ability.

I am aware of the privilege I have to be on the 2007 El Dorado County Youth Commission and I also am grateful to everyone for the wonderful opportunity. I plan to try and get back on the El Dorado County Youth Commission in the future because of the excellent impression I was given at the retreat. I also would be more than happy to help the commission if needed. I hope you have a wonderful year and thank you so much for the short, but delightful experience.

Sincerely,
