General Services and Public Health Departments requesting the Board of Supervisors set a date to conduct a workshop to develop a building plan for the new West Slope Animal Control Shelter.

RECOMMENDED ACTION: Approve.

Fiscal Impact/Change to Net County Cost: N/A

Background: General Services and Public Health have been working with the architectural firm of George Miers to develop a building plan for the new West Slope animal control shelter. There are a number of design decisions that must be made including the layout and overall size of the facility.

Reason for Recommendation: The two departments recommend the Board identify a time for conducting a workshop session to hear options and provide input on these and other related issues. Recommended dates and times are: Tuesday, January 16, 2007 at 2:00 p.m. or Monday, January 22, 2007 at 2:00 p.m. Any discussion or direction provided at this workshop will be incorporated into the Capital Improvement Program workshop tentatively scheduled for Monday, January 29.

Action to be taken following Board approval: Board to set a date and time to conduct a workshop session based on those recommended.
