TEMPORARY CONSTRUCTION EASEMENT

ROLLING HILLS CHRISTIAN CHURCH, A CALIFORNIA NON-PROFIT CORPORATION, hereinafter referred to as "Grantor," grants to the County of El Dorado, hereinafter referred to as "Grantee," a temporary construction easement over, upon, and across a portion of that real property in the unincorporated area of the County of El Dorado, State of California, described as:

See Exhibits A and B attached hereto and made a part hereof.

This temporary construction easement is granted under the express conditions listed below:

1. In consideration of **\$150.00 (One-Hundred Fifty Dollars, exactly)** and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Grantor does hereby grant to Grantee an easement for temporary construction over and across those identified portions of the Grantor parcel.
2. Grantor represents and warrants that she/he is the owner of the property described in Exhibit A and depicted on the map in Exhibit B attached hereto and made a part hereof, and that Grantor has the exclusive right to grant the temporary construction easement.
3. This temporary construction easement is necessary for the purpose of constructing the Latrobe Road Widening Project Phase 2. Specifically, this temporary construction easement shall allow Grantee or its agents, employees, and contractors the right of ingress and egress as may be reasonably necessary for construction purposes, inclusive of such repairs, replacements, and removals as may be from time to time required as well as for other purposes incidental to construction of the project, including any staging, stockpiling, and parking of construction vehicles or equipment. This temporary construction easement shall not be revoked and shall not expire until the recordation of the Notice of Completion of the Latrobe Road Widening Project Phase 2. Included within this temporary construction easement is the right of ingress and egress of Grantee, its agents, employees, and contractors for warranty repairs and the correction of defects in the work within the first year following completion of construction. This right during the one-year warranty period survives the expiration of this easement.

4. Compensation under this temporary construction easement covers the construction period estimated to be 6 (Six) months of construction, together with the one-year warranty period. In the event that construction of the Latrobe Road Widening Project Phase 2 is not completed within 6 (six) months of commencement of construction, Grantor shall be entitled to additional compensation as follows: for each month thereafter, the sum of **\$25.00 (Twenty-Five Dollars, exactly)** will be paid to Grantor, until construction is completed.
5. Grantee agrees to indemnify and hold harmless Grantor from and against any liability arising out of the entry onto the property by Grantee or its agents, employees, and contractors during the term of this temporary construction easement. In the event of property damage, Grantee, at its sole option, may either repair the damage or pay the estimated costs for the repair.
