BOS,

We are all aware of the significant budgetary challenges we face and that we must act soon. It is rare that I advocate on another's behalf. However, I view Code Compliance as a front line enforcement operation.

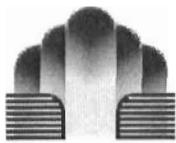

Sheriff's staff, patrol, detectives and narcotics work closely with Code Compliance in furtherance of our law enforcement mission. I could site repeated examples of incidents where we (Sheriff's Office) was only able to fulfill our responsibilities due to access gained through our cooperative relationships with Jim Wassner and Code Compliance.

I don't envy your position and role in these challenging time; I urge that Code Compliance not be eliminated.

I am available to discuss this further if you'd like.

Respectfully,

Jeff Neves

A LITTLE LESS LIGHT WOULD SHINE ON EL DORADO COUNTY
SHOULD OUR HISTORICAL MUSEUM CLOSE in Placerville and
a real physical link to an important part of American
history that all children and parents should be able
to access for knowledge of a diverse American and
Californian experience. IT IS NOT INSPIRING TO
UNDERESTIMATE THE EXCITEMENT OF HISTORY IN YOUR OWN
BACKYARD.

Dear Supervisor;

I understand that you are meeting this today to look at cutting county services to balance the budget. I understand that we will need to tighten the belt. One area that I believe should be preserved is the historical museum. It is an important cultural asset to the county. I could be argued that El Dorado County is one if the most historic counties in the state. Tourism is a big part of the economic engine for the county and the museum should be one of the center pieces for tourism. We should be thinking of improving it not closing it. We need to preserve our heritage.
