VAC 4221-Z

County of El Dorado
 Board of Supervisors
 330 Fair Lane
 Placerville, CA 95667

Enclosed is a map showing portions of State Highway right of way no longer needed over which the State has only an easement for public road purposes and which we plan to vacate.

Section 8330.5 of the Streets and Highways Code provides that the California Transportation Commission (Commission) shall offer to relinquish this right of way to the local agency pursuant to Section 73 of the Streets and Highways Code. If your agency does not want the State Highway right of way, the Commission may proceed with a vacation of the right of way.

Section 8313 of the Streets and Highways Code provides that the Commission shall consider any general or master plan adopted by the local agency prior to vacating State highway right of way.

Section 892 of the Streets and Highways Code provides that State Highway right of way shall not be vacated until the local agency having jurisdiction over the areas concerned has been consulted to determine whether the rights of way or parts thereof could be developed as non-motorized transportation facilities. If an affirmative determination is made by your agency, these portions of right of way will be made available to you for such development in accordance with the terms and procedures of Sections 104.15 and 887.6 of the Streets and Highways Code and Section 14012 of the Government Code. However, please note that this vacation is an easement across Federal lands and would require separate permission to be utilized.

Please notify this office whether or not your agency wants to acquire all or a portion of this right of way for highway purposes or non-motorized transportation facilities. Also, please notify this office whether or not this vacation of the right of way would be incompatible with any general or master plan of your agency.

This letter provides you with notice of our present intention to submit this vacation to the Commission at a regular meeting following a period of 90 days from the date you receive this notice.

Sincerely,

Annette Lockhart, P.L.S.
 Project Surveyor
