Mr. Ashton,

Given the American Rescue Plan provides Premium Pay for essential workers up to \$13.00 hour with an annual cap of \$25,000.00, I strongly suggest and propose the following for OE3's El Dorado County's Trades & Crafts bargaining unit employees who were deemed essential and stayed working and continue to work during this COVID-19 Pandemic :

American Rescue Plan Act of 2021

July 1, 2021

Effective the first pay period in July 2021 all OE3 bargaining unit employees for El Dorado County's Trades & Crafts unit shall receive \$9.00 per hour for a total of 40 hours per week not to exceed \$18,720 annually.

July 1, 2022

Effective the first pay period in July 2022 all OE3 bargaining unit employees for El Dorado County's Trades & Crafts unit shall receive \$9.00 per hour for a total of 40 hours per week not to exceed \$18,720 annually.

Understanding:

- 1) This hourly increase will be temporary.
- 2) This hourly increase will not be pensionable money.
- 3) This hourly increase will not be used for overtime calculations.
- 4) Employees will have the ability to put this money into defer compensation account and will not require an employer match.

"It does not take a majority to prevail... but rather an irate, tireless minority, keen on setting brushfires of freedom in the minds of men." ~ Samuel Adams ~

###

George Washington said, *"If the freedom of speech is taken away, then dumb and silent we may be led like sheep to the slaughter."*

I'd like to share an experience at the Taxpayers Association yesterday that was witnessed by approximately 30 people, including Lori Parlin and Tax Assessor Karl Weiland. When I walked in they were discussing the ballot for the upcoming year. I have been a member of the Association since 2008, but since Todd White became Secretary he has deprived me the benefits of membership and the blessings of freedom by discriminately refusing to communicate or include me in distributions. In fact, certain members of the Association have been quite hostile towards me for several years, some of whom have even threatened me. Therefore I was legitimately concerned whether my name was even on the ballot on the table in front of me.

George, you didn't walk in until the fireworks were over. I silently folded up the ballot and tucked it into my purse. That's when Gay Willyard created a scene that culminated in a blatant display of hatred and hostility against me, a woman who has served in ministry for over 35 years. Kris Payne, Andy Nevis and Todd White picked up on Gay's cue, but what happened next was even more shocking. Carol Louis, a Democrat, shouted at me to SHUT UP, then got up from her seat, walked around the table and approached me in a threatening manner. I thought she was going to physically assault me.

Carol confronted me, *"You've taken your advocacy and you have moved it into a form of bullying with the First Amendment and all this shit that you put out."*

I replied, *"It is not bullying. It's standing up for my rights. You have deprived me of the blessings of freedom."*

I guess that describes the big difference between Democrats and conservatives.

The bottom line is that the Taxpayers Association has become a bully pulpit, pretending Good Governance and to do the "right thing", all the while hypocritically doing just the opposite. The fact of the matter is that Todd White, Andy Nevis and their cohorts have no attention of abiding by the law or honoring their sacred oaths. George, you are the only conservative, therefore I would expect you to do the right thing. Instead you stood me up for a meeting in February and refuse to respond to phone calls or correspondence. Same goes for Lori Parlin and several department heads have outright lied and abused the public trust. That's due to the fact that Don Ashton unlawfully ordered my ability to communicate electronically to be blocked with most staff, all with the blessing of county counsel. As you are aware, that is a federal crime and grounds for removal from office pursuant to sections 3 & 4 of the 14th Amendment.

You are reminded that Proverbs 6:16-19 says, "These six things doth the LORD hate: yea, seven are an abomination unto him: A proud look, a lying tongue, and hands that shed innocent blood, a heart that deviseth wicked imaginations, feet that be swift in running to mischief, a false witness that speaketh lies, and he that soweth discord among brethren."

In closing, our Constitutional liberties are under attack. The soul of our nation is at stake, and future generations may never know the blessings of freedom again. If you don't take a stand for freedom, who will?
