**WITNESSETH:**

**WHEREAS**, the California Clean Air Act requires local air pollution control districts to reduce emissions from motor vehicles; and

**WHEREAS**, AB2766, codified in California Health and Safety Code section 44220, et seq., authorizes districts to impose a fee of up to four dollars upon certain registered motor vehicles within AQMD's jurisdiction, and the Governing Board of the AQMD has imposed said fee; and

**WHEREAS**, said legislation requires AQMD to use said funds for activities related to reducing air pollution from motor vehicles and for related planning, monitoring, enforcement, and technical studies necessary for the implementation of the California Clean Air Act of 1988; and

**WHEREAS**, GRANTEE has proposed a project that meets the eligibility criteria of AQMD and that has been approved by AQMD and the Governing Board of AQMD for funding; and

**WHEREAS**, the GRANTEE has been awarded a SECAT grant in the amount of one hundred thousand dollars (\$100,000.00) and therefore requiring a lower amount of AB2766 grant funding for this project in the same amount, which will be kept available for future installation of fast EV chargers at the Placerville and South Lake Tahoe for use by the Project, if necessary; and

**WHEREAS**, the parties hereto desire to amend Section 4 and Exhibit B of the Agreement to make changes to reflect the one hundred thousand dollar (\$100,000.00) decrease in AB2766 grant funding for the approved project.

**NOW, THEREFORE**, in consideration of the foregoing and the mutual promises and covenants hereinafter contained, AQMD and GRANTEE mutually agree that Agreement #8352 shall be amended a first time, as follows:

**Section 4 "COMPENSATION", subsection a) of the agreement is amended in its entirety to read as follows:**

In accordance with Section 44233 of the California Health and Safety Code, GRANTEE agrees to limit expenditure of funds for the purpose of administration to not more than five percent of the monies distributed to GRANTEE.
