Robyn,

I believe the County is illegally collecting a fee from home builders in the EDH Area.

The Fee was adopted by the BOS in 2007 pursuant to the Mitigation Fee Act (GCS 66000-66025). To the best of my knowledge, this Fee hasn't been back to the BOS since in was adopted on 2-27-2007. I believe that none of the required annual reporting has been done and that the required 5 year Nexus update has not been performed.

Sheriff Dagostini and I believe that based on the facts as we understand them and our understanding of the law, the BOS should direct CDA to cease collecting this fee as soon as is practical.

Robyn, please review the attached documents and advise us on this matter. I am happy to do the agenda item or to assist the CAO with the agenda item. The Sheriff and I also our interested in advice related to refunding these fees.
