RECITALS

WHEREAS, County has been engaged by City to supply animal control services at and within the boundaries of the City for the purpose of enforcing State laws, and County and City animal control ordinances, along with animal sheltering services, in accordance with Agreement for Services #098-O1311, dated October 16, 2012, incorporated herein and made by reference a part hereof; and

WHEREAS, the parties hereto have mutually agreed to amend Article III – Compensation for Services and Article IX – Notice to Parties; and

WHEREAS, the parties hereto have mutually agreed to incorporate updated County standardized language thereby adding Article XIX – Change of Address; Article XX – Audit by California State Auditor; Article XXI – Conflict Prevention and Resolution; and renumber Article XIX – Entire Agreement, to accommodate the insertion of the aforementioned Articles.

NOW THEREFORE, the parties do hereby agree that Agreement for Services #098-O1311 shall be amended a first time as follows:

- 1) Article III – Compensation shall be amended in its entirety to read as follows:

ARTICLE III

Compensation for Services:

- A. Determination of Annual Compensation: The Annual Compensation to be paid by City shall be calculated based on City’s full share of the net cost of operations associated with services provided by County to City, as defined in “Compensation for Services Methodology,” attached hereto as Exhibit C and incorporated by reference herein. City shall be notified of preliminary, estimated annual compensation on or before April 15 of each year of this Agreement, for purposes of City establishing the City budget. City shall be notified of the Adopted County budget for Animal Services on or before October 1 of each year of this Agreement. County shall submit quarterly invoices to the City based on that Adopted annual

amount pending reconciliation of actual net cost of operations as determined pursuant to this Article III.

1. On an annual basis, County shall review actual workload indicators utilized in the compensation methodology and actual net cost of operations through the third quarter of each fiscal year and, considering this data and other pertinent information, shall project estimated net cost of operations through the end of the fiscal year. This updated fiscal year end projection shall be submitted to City by April 15 for consideration.
 2. Written notice of the final annual compensation applicable to the prior County fiscal year, based on the methodology in Exhibit C (but using actual workload and actual net cost data for the completed year) shall be submitted to City by August 15 of each year, commencing with August 15, 2013. This notice will establish the Final Annual Compensation amount due from City and shall serve as the invoice for the final quarter (April – June) of the fiscal year.
 3. If the compensation amount paid by the City for the fiscal year period exceeds the final annual compensation amount pursuant to Article III, County shall notify the City by September 15. County shall refund the overpayment by check if requested by City within thirty (30) days of receipt of notice of the final annual compensation applicable to the prior County fiscal year, or apply the overpayment as a credit toward the following Fiscal Year Agreement.
 4. Meetings regarding compensation shall be held at the request of either County or City, as needed.
- B. Payment: For services provided herein, City agrees to pay County within thirty (30) days of receipt of each quarterly invoice from County. Each invoice shall represent twenty-five percent (25%) of City's preliminary annual compensation amount as reflected in the written notice provided to City by July 1 until such time as agreed-upon reconciliation occurs pursuant to the Article titled "Compensation for Services" herein.
